# *Vision of Skill Development Programs (2021-2023)*

## **“Life Skills, Learning Abilities and Healthy Development”**

**1. Inclusive Education:** Applying knowledge & skills in being productive.

**2. Interdisciplinary approach:** Two departments will be collaborating on a SDP for a week facilitating general skills catering to all the students of Daulat Ram College.

**3. Extending opportunities:** These training programs will also be open to students from Government College Chouhtan, Barmer and Government Girls College Magra Punjala in Jodhpur under the Vidya Vistar Scheme.

**4. Online Training:** To reach out to maximum number of students.

# *Objectives of SDP*

## *2021-2023*

- To empower the students with knowledge-based skills that will be beneficial for developing, enhancing and promoting cognitive, social, behavioral, scientific, and occupational skills.
- To facilitate a learning environment that will expose the students to understand the relevance of values in education, learn technical & soft skills.
- Engaging in research initiatives

# *Special emphasis: Research projects*

- Train students in research skills
- Various state of art training programs will provide hands-on-training experiences, foster experiential learning and critical thinking
- Opportunities will be provided to inspire creativity in designing, executing plans, data collection & analysis and publication skills.

# *We*

- To extend our program through multidisciplinary approach, strengthening our resources by involving experts from the field of education, research, corporate field and industry to orient the students about the various opportunities that stand before them.
- To collaborate across universities and disciplines nationally and internationally to initiate, enhance and promote skills pertaining to research and innovation, development of technical and soft skills
