## TRIBUTE

*“Loving memories never die  
as year roll on and days pass by  
In our hearts a memory is kept  
of ones we loved and will never forget”*

### **MRS SUNEETA SUDARSHAN**

Chairperson

**(30 November 1952 - 25 July 2021)**

Late Mrs. Suneeta Sudarshan, Chairperson, Governing Body of the college passed away on 25 July 2021. She was very dedicated as Chairperson of the College since 2006 and was closely associated with the various activities of the college. She always encouraged and motivated students and teachers for participating in extracurricular activities and achieving academic excellence. She worked hard for taking the college to new heights through her sincere advice, involvement and guidance.

Daulat Ram College fraternity will always remember Mrs Suneeta Sudarshan for her great efforts towards the cause of women's higher education.

## REMEMBRANCE

*“The world changes from year to year  
Our lives from day to day  
but the love and memory of you  
shall never pass away”*

**DR AMAR JYOTI**

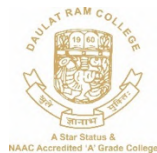

(15 March 1978 -11 May 2021)

**DR TARUN CHOUDHARY**

(20 January 1988 -13 May 2021)

During Covid-19 pandemic time we lost two of our esteemed faculty members Dr Amar Jyoti, Department of Zoology and Dr Tarun Choudhary, Department of Physics. Both Dr Amar Jyoti and Dr Tarun Choudhary were very dedicated, committed and hardworking faculty with pleasing personality and masters of their own field. The entire Daulat Ram College fraternity join together to pay their sincere homage to the departed souls.

## ABOUT THE COLLEGE

Daulat Ram College, University of Delhi is a premier educational institute for women founded by an educationist, late Shri Daulat Ram Gupta in 1960. Originally started as “Pramila College” at 22 Tilak Marg with 13 members of teaching staff and about 350 students, the college, in 1962 shifted to its present premises in the North Delhi University Campus and was renamed as “Daulat Ram College”. The institution, since then, has acquired a spectacular identity and has transformed into a prestigious women's college with its own unique culture and tradition. Expansion of college took place in 1968 with introduction of science courses.

The College imparts education at undergraduate level in Arts, Science and Commerce through sincere, dedicated and distinguished faculty members. The college has seven departments that enroll students at the Masters level and hold M.A. tutorials that supplement the classes. At present the college has 18 departments with over 4000 students on roll, 190 faculties and 131 non-teaching staff. It is the only women's college in North campus, University of Delhi that offers Psychology (Hons) to students. Besides, it offers add-on courses in foreign languages which are open to the public. The college follows Choice Based Credit System (LOCF) with various combination as Generic elective, Skill enhancement courses and Discipline specific elective. The College has an Internal Quality Assurance Cell (IQAC) which formulates the academic calendar and is responsible for monitoring the academic events.

The college is accredited with 'A' Grade by the National Assessment & Accreditation Council (NAAC) in April, 2017. The college is placed at 26<sup>th</sup> rank by MHRD in National Institutional Ranking Framework

(NIRF). It was awarded the Star status by the Department of Biotechnology (DBT), Government of India (GOI) for undertaking innovative practices in science departments. Daulat Ram College has recently partnered with Government College, Chouhtan, Barmer and Government Girls College, Magra Punjla, Jodhpur, Rajasthan under Vidya Vistar Scheme of Delhi University. The partnership aims to facilitate sharing of resources and expertise amongst the partnering institutions to enhance the academic capital of the students and the faculty.

The College is fully Wi-Fi enabled. Keeping in mind the advanced technological demands of the students, the college provides this facility to all the students by sharing a secure password to be used within the college premises. Closed-Circuit Television Units, 50 approx. in number, are strategically installed in the college and hostel premises to ensure that proper discipline is maintained. It is also useful for safety concerns of students.

The college has well-equipped laboratories, computer laboratories with internet facilities, besides Wi-Fi enabled lecture theatres/classrooms with LCD projectors. It also has a well-resourced Conference Hall. It has a fully air-conditioned library with over 1,20,000 titles and numerous subscribed journals with computerized data base and access. The library also has two Braille computers and one Braille printer for the visually challenged students.

Furthermore, the college is well-equipped in sports facilities including a state-of-the-art gymnasium having latest fitness equipment and machinery including treadmills, cross- body trainer, exercising bike, weight trainer etc.

The college also has a well-maintained hostel facility with a capacity of nearly 204 students. The hostel facility is extended to outstation students on the basis of merit. The college hostel is one of the best maintained in the University of Delhi. The college takes pride of modern auditorium-Sadbhavana Bhawan with the capacity of above 1200 persons for hosting various theatre activities with a large cast.

The college thus has a broad educational mission, to develop the ‘whole student’ by providing an environment required for their intellectual, social, ethical, moral, emotional and physical growth that positively affects student learning, interpersonal-development and improvement of their skills.

# PRINCIPAL'S REPORT 2021-22

## 60<sup>th</sup> Annual Day

It gives me a great pleasure and a deep sense of pride to present the 60<sup>th</sup> Annual Report of Daulat Ram College when country celebrates 75<sup>th</sup> year of its Independence and at the same time University of Delhi is entering its 100<sup>th</sup> centenary year of establishment.

Daulat Ram College was established in 1960, with an aim at providing higher education to girls. It was definitely one of the pioneering Institutions in its vision and mission. Ever since it has contributed sixty-two years in promoting girls' education and thereby, participating in building young India in a very significant way. The Institution has lived up to the noble and tall expectations of its founders and this achievement is a result of relentless and sincere efforts of the professors and the entire team of this College. A tree is known by its fruits and a college by its Alumni. The college has produced notable students who have excelled in all walks of life. The academic vigour of the college has been well acknowledged as it has been awarded "A" grade accreditation by NAAC. The Institution has bagged 26<sup>th</sup> rank amongst colleges in India evaluated and awarded by NIRF, Government of India and holds a DBT star status. Today through this Annual Day we rededicate ourselves to be the instruments of change- changing lives of women who are the present and future of this country and of the world.

We stand today to celebrate the journey along with luminaries who need no introduction. I on behalf of my colleagues- the College Faculty, staff and the students, feel specially privileged to welcome amongst us our Chief Guest respected Shri Alok Kumar ji, Founder and Patron, Dadhichi Deh Dan Samiti and International Working President, VHP; Guest of Honour Prof Balram Pani, Dean of Colleges, University of Delhi & Prof Shri Prakash Singh, Director South Campus, University of Delhi and our own alumni Dr Sunita Singh, a Maharashtra cadre, IFS, Chief Vigilance Officer of Rural Electrification Corporation. We welcome our College Chairman Mr Mukul Gupta and also extend a

very warm welcome to all the distinguished members of Governing Body and esteemed participants including parents and retired teachers who are amongst us on this momentous occasion.

Our Chief Guest, Shri Alok Kumar ji, is a practising advocate at Supreme Court of India. He is a product of Delhi University and was the President of Delhi University Students Union in 1973. He continued his association with political organisations in different capacities. He was the Deputy Speaker of the Delhi Legislative Assembly from 1993 to 1995. Besides, he has also held various posts like Pracharak, RSS, Delhi RSS Prant-Sah Sanghchalak, Vice President and General Secretary Delhi BJP, National Convenor Legal Cell BJP and thereafter National Convenor for Karyakarta Training in BJP. Shri Alok Kumar ji is the Founder and Patron of Dadhichi Deh Dan Samiti, a NGO working in the NCR-Delhi for promotion of Body-Organs donations after death. He presently holds the position of International Working President, Vishva Hindu Parishad (VHP). He has selflessly dedicated his life to social and political causes.

Prof. Balram Pani, Dean of Colleges at University of Delhi, is a scholar and teacher of repute. Prof. Pani has made a special contribution towards initiating long pending promotions of teachers in colleges and University. He has been the Principal of Bhaskaracharya College of Applied Sciences for seven years and has a teaching experience of nearly three decades. He has published more than 50 research articles in reputed journals and authored 20 books. He has supervised research scholars for Ph.D./M.Phil/Post Doc work and has guided several research projects. He is a member of distinguished Scientific bodies: The Indian Science Congress Association, International Association of Engineers (IAENG), Indian Chemical society and Green Chemistry. Dr Pani has made significant positive contributions in education sector and continues in his endeavour with exemplary dedication.

We are privileged to have amongst us Prof. Sri Prakash Singh, Director, South Campus, University of Delhi and also a Professor at Department of Political Science, University of Delhi and has been chair professor at IIPA. He has lead and participated in various academic and administrative committees of central government and UGC to further the cause of quality education. He is acknowledged as a prolific writer in Political Science. He has also been associated with interesting minor and major research projects and has mentored students at different levels of research programmes. We are indebted to him for his contribution to Daulat Ram College as its University representative in College governing body.

I am very pleased to welcome amongst us our distinguished alumna, Dr Sunita Singh, an Indian Forest Service officer of 1987 batch of Indian Civil Services (Maharashtra cadre). She has worked towards protecting and managing forest's wild-life, through community based programs in the field. She has also been an active contributor at both policy development and implementation level. She has worked for Persons with Disabilities in the Ministry of Social Justice & Empowerment, GOI. Dr Singh has also been involved in academic pursuits. She was awarded Gold medal for best Forest Management by Maharashtra Government in the year 2000. She received Adaptation H<sub>2</sub>O, an IDRC's Graduate Research Award on Climate Change and Water instituted by the Government of Canada for pursuing her PhD research in 2011. Presently, she serves as a Chief Vigilance Officer at Rural Electrification Corporation Ltd. I welcome her to the Alma Mater.

At the age of 62, Daulat Ram College offers undergraduate courses in 18 subjects and postgraduate courses in 7 streams. In addition, it has a Centre for foreign languages wherein students are enrolled for certificate, diploma and advanced diploma in seven foreign languages viz Japanese, Korean, Chinese, German, Spanish, French and Italian. In the session 2021-22, 4256 students were enrolled at the undergraduate level and 415 at the postgraduate level. The overall strength of students in the college is 4671 in regular degree courses which makes it the largest women college of Delhi University. The admission percentages in various courses were in the range of 95-100%. It may be noted that more than 70% students admitted in the current academic session are from states other than Delhi NCR. The college also received 34 foreign students from different countries including Afghanistan, Nepal, Tibet, Bangladesh, Sri Lanka, USA, Romania, Uganda, Uzbekistan etc. The diversity and inclusiveness is an important aspect of this college. The students are under proficient care of 190 teaching faculty and 131 non-teaching faculty besides contractual to maintain the laboratories, administration, accounts and library. There is a constant effort to upgrade the college facilities and infrastructure to make learning easy, productive and relevant.

The year under review also witnessed losses and distress brought in by pandemic. I am anguished to recall the unfortunate demise of Mrs Suneeta Sudarshan who was Chairperson of College since 2006. She has been the leading light of the Institution for over a decade and a half. We pay our respects to her and keep her in remembrance. Late Mrs Sudershan's daughters have instituted an award to propagate her memory which will be given to student/s securing the highest grade in first year. During Covid-19 pandemic, the college also lost two brilliant young faculty members- Dr Amar Jyoti, Assistant Professor, Dept. of Zoology and Dr Tarun Choudhary, Assistant Professor, Dept. of Physics. We cherish their memory and continue to extend our support to their families. The past two years have been unprecedented and singularly difficult times for the entire world and we also shouldered our part of hardships to the best of our ability.

I now briefly present the highlights of students' and teachers' performance in academic and co-curricular spheres. A more detailed presentation of the achievements and activities of the College are given in the subsequent pages of this report.

The Internal Quality Assurance Cell (IQAC) of the college organised 19 programmes which included Faculty Development Programs, Webinars, Workshops and Conferences for students and teachers. Dr Sarita Nanda, Vice Principal and NAAC Coordinator along with her team deserve special mention for making the events a success. Highlights of the programme were Artificial Intelligence and Machine Learning for Physicists, Learn and Explore with Animal Models and more.

During the year, College signed two tripartite MoUs under University of Delhi's Vidya Vistar Scheme, with Colleges of Rajasthan namely, Government college, Chouthan in Barmer district and Government Girls College, Magra Punjla in Jodhpur district. The objectives of the proposed program include:

- a) To enhance accessibility and inclusivity of education.
- b) To inculcate values of equality, harmony and social justice through education
- c) To develop the capacity for Research and teaching through collaboration as well as exposure of students

- d) Honing attitudes and Critical skills for employability of students in the job market. The college is looking forward to an academic alliance with Government Colleges of Rajasthan to enhance the knowledge pool and thus, contribute to the inclusive growth of the nation.

With this Collaboration we look forward to building and nurturing a symbiotic relationship and share our best practices and academic resources with two collaborating partners. We acknowledge the efforts of Dr Malini Sharma as Co-ordinator of this scheme that is being widely appreciated in University .

The third MoU in the session was with Delhi State Legal Services Authority (DSLISA) who has collaborated with our College to further our endeavour to skill the youth in “Legal Literacy, Awareness and Aid”. We are indebted to DSLISA for extending the necessary skill and invaluable support in starting this Add-on course from 2021-22. The quality of course content is being monitored by the Academic Advisory Board headed by Justice (Retd) M. L. Mehta with Dr Sonia Mehta as College Course Co-ordinator. We have successfully completed the first year of the certificate program.

The college further introduced an Add-on Course in Data Analytics with R in collaboration with Meghnath Desai Academy of Economics with Dr Malini Sharma as Convenor. The detailed report on other initiatives are written in later pages.

We appreciate and acknowledge the efforts of all our students who have endured the difficult pandemic period and have yet shown perseverance in achieving the aims of education. Academically, the students have been our pride. The pass percentage in different courses for the year is in the range of 98- 100%. At the same time, College selects an all-round best student who has acquitted herself creditably in academic as well as co-curricular activities. I have the pleasure to announce that Bhavya Pandey, B.A. Hons Economics III Year has been adjudged as the best all round student for the academic session 2021-22. I am also pleased to announce the awardee for Shri Krishan Mohan Memorial Prize- for ‘All Round Best Student’ for the last academic year goes to Mansi Vatwani, B.Sc.Hons. Botany III year.

Notably, appreciation is due to our outstanding students- Heena Yadav who secured 1st position in M.A Psychology Part II, Nandini Pandey and Charvi Tandon who have secured 3rd position in M.A. (Prev.) in North Campus, Delhi University.

Despite Pandemic, it gives a sense of satisfaction that 66 students from College got placement opportunities in Multinational companies with an annual salary package ranging from 4 to 10 lacs and 89 students got internships through the Placement cell of the college managed by Dr Kalpana Vaish and her team. I congratulate the team and place greater expectations for the future. College gave free ship to 192 brilliant and needy students, out of which 40 students were sponsored by our own faculty.

We are proud of Dr Suparna Jain Thakur who successfully completed her training at OTA Gwalior and was awarded as first in order of merit (commandants gold medal), Best NCC Officer of the course and Best in academics award, a rare feat by any officer. Under her able guidance DRC unit of NCC, organised various intercollege and intercoy competitions as part of Azadi ka Amrut Mahotsav.

Nine of our cadets were selected for PM Rally. One cadet participated in prestigious Republic Day camp. It's a proud moment for college as Cadet Mansi Vatwani has received DG NCC Medallion for her outstanding performance during PM rally 2022 and NCC as whole. Cadet JUO Shristi from 3rd year has been awarded DG NCC Commendation Card for her outstanding performance as a NCC cadet. The only girl cadet chosen for this honour. Apart from this many other programmes such as Kargil Vijay Diwas, Nukkad Natak were celebrated as part of Azadi ka Amrit Mahotsav by NCC.

In continuation with our commitment towards holistic development, the college actively encourages students to participate in the National Service Scheme. To this end our students have done commendable work with Seva Bharati and Palna. In addition, faculty has guided and supported the students to participate in Covid-Vaccination awareness camps, Swachha Bharat Abhiyan, Nadi-Ko- Jano and other sustainable initiatives.

The National Sports Organization of DRC wing has been educating youth through sports and physical training. Six online lecture series for the students such as Sports for All, Physical Activity - A Way towards Life, Stress Relaxation through Yoga, Motivation is the Key to Success etc. was organised by Sports Board under the convenorship of Dr Kavita Sharma. Many students represented India in different international sports tournaments like World University Badminton Championship, Lawn tennis, Wimbledon, World Shooting Championship, Kabbadi Asian Championship held at Bangkok, Singapore, Malaysia etc.

College is sensitive to its role in inculcating the sense of responsibility amongst the students for preserving and conserving the environment. The recycling unit of college along with Eco Club-Dhara is trying to achieve a status of zero waste discharge premises. In addition to recycling of paper and converting leaves into manure, Plastic Vending Machine for disposal of plastic bottles on campus has been added. The street lighting is done by solar power and three sumps for harvesting rain water is functional.

Associations, Societies and Cells had organized at least one talk as Co-curricular activity. Many eminent Professors, Law makers and Scientists enlightened the students through online lectures and workshops. The Societies of the College viz Anhad, Alahaya, Memesis, Sepia, Spic Macay, Magic Lantern etc have been participating and winning prizes all over India.

College is also keen to acknowledge and appreciate the employees who are the backbone of the institution. Principal's award for the best employee for the year goes to Rajvir Giri of Dept of Biochemistry and Mr Vinod Kumar Choudhary of Administration. I would like to place on record our appreciation for the unflinching support given by Mr Apurv Singh and Mr Amit Jamwal to the staff and students during Pandemic. I once again congratulate all the awardees and our appreciation for their contribution to the learning efforts and for bringing good name to the Institution.

I will fail in my duty if I do not acknowledge the rich contributions made by the teachers who superannuated after serving the College during the year. Dr Chitra Bhasin, Dr Sushma Arora, Dr Asha Tandon and Dr Madhu Aggarwal gave more than 40 years of prime or building the College. Teachers who completed 25 years of service are Dr Nidhi Gautam (Botany), Dr Suchi Sharma (Chemistry), Dr Archana Gupta (Chemistry), Dr Seema Khurana (Mathematics), Dr Suranjita Ray (Political Science), Dr V. Sujata Raju (Philosophy) and Dr Rajni Sahni (Pshychology). I congratulate

all the 22 faculties from different departments who were promoted from Assistant Professor to Associate Professor. Promotion of many Associate Professors to Professors is in process.

Many of our non-teaching staff completed 25 years of their service. They are Mr Dinesh Kumar (Physics), Mrs Meena Kumari (Library), Mrs Sarla Pandey (Chemistry), Mr Rajiv Kumar (Chemistry), Mr Raj Kumar (Chemistry) and Mr Lalit Dixit (Music). The college also saw appointment of 6 laboratory attendants on regular posts.

In all the above endeavour, I am deeply indebted to the members of Governing Body for their continuous support and guidance. I take this opportunity to thank the administrative staff, laboratory staff and other karamcharis for their constant support. I thank Bursar Mrs Pooja Jain, Admission committee Convenors, Dr Shuchi Sharma and Dr Suranjita Ray, Discipline Committee headed by Dr Archana Gupta, Teaching Programme Committee headed by Dr Malini Sharma, College development and maintenance committee Convenor, Dr Rama Pasricha, Staff Council Secretary, Dr Rajni Sahni, ECA incharge Dr Darshan, Teachers in Charges of various Departments, Convenors of various committees for their zeal, participation and active support in organizing extracurricular and co-curricular activities in the college.

A lot has been done to enrich the academic life but much more needs to be done. In this task, I seek blessings and cooperation from all.

## FROM VICE PRINCIPAL'S DESK

It is time to remember the lives of our Daulat Ram College Fraternity whom we have lost during this pandemic period. We regret the loss of our beloved Ms Suneeta Sudarshan, Chairperson of our governing body, on 25<sup>th</sup> July, 2021. She served the institution for more than a decade. Her demise marks the end of old era and beginning of the new era under the Chairmanship of Mr Mukul Gupta, the new chairperson of our governing body. We also miss the presence of Dr Amar Jyoti, Assistant Professor of Zoology Department and Dr Tarun, Assistant Professor of Physics Department, whom we lost due to covid infections. It was unfortunate to loose brilliant minds at such a young age.

The college continued to work online during 2020-22. However, the outgoing science batches of 2020 were given 15 days offline hands on experience for their practical syllabus which helped to fill the gap created due to the online training. Lately, from 17<sup>th</sup> February onwards, college has starting scheduling offline as per the University guidelines.

The IQAC and the management has been working round the clock during this dark period, to bring light in lives of the students, staff, faculty and also improve the college infrastructure. The IQAC provided digital literacy training to all the enrolled students, working staff with the help of the college faculty. They also encouraged each department/society/cell to hold events which could empower students further. Details of 20 such events and 6 SDPs are recorded here.

IQAC also worked earnestly to screen more than 76 applications for promotions amongst the permanent faculty members. This effort led to the promotions of 20 faculty members from Academic Level 10 to 11 (Stage II), 27 faculty members Level 11 to 12 (Stage III), 20 faculty members from Academic Level 12 to 13A (Stage IV), 9 faculty members from Academic Level 13A-14 (Stage V). So total 76 promotions of faculty members were done.

Promotions and recruitment of non teaching staff has also been undertaken earnestly during this period. They have also been trained for Healthy Lifestyles and Digital Literacy through workshops conducted by the our faculty.

This academic session 2021-22 some new programs were introduced and launched which included the participation of our institution in the Vidya Vistar Scheme of the University. We signed MoU with two Rajasthan undergraduate colleges for mentorship, collaboration and participation in education of young students. Eighteen online events were organized by Daulat Ram College in collaboration with Government Girls College, Magra Punjla, Jodhpur and Government College Chouthan, Barmer under the aegis of Vidya Vistar Scheme. This scheme has been running online wherein we jointly hold independence day celebrations, Republic Day Celebrations, International Yoga day and many more such programmes and the participating students showcased their talent through shared videos.

This academic session we added two new Added Certificate Courses like **Data Analytics with R and Legal Literacy, Awareness and Aid**. The Data Analytics with R was launched in collaboration with MDAE (Meghnad Desai Academy of Economics, Mumbai). The session was run from August to September 2021 with participation of 43 students from DRC. Add-on Certificate Course on “**Legal Literacy, Awareness and Aid**” was run in collaboration with Delhi State Legal Services Authority (DSLISA) between October-December, 2021 and had participation of 32 students.

The recycling unit concentrated on improving waste management on campus by increasing the production level of manure from leaves which we aim to increase it to at least one ton a month. We are also participating in Swachtha Abhiyan by improving water harvesting points, recycling of waste water, banning thermacol and plastic usage in the canteen.

Thus, College has shown progress in many spheres of its existence during this depressing period of pandemic.

## INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) of Daulat Ram College (DRC) works with the vision and mission of upgrading and maintaining quality of the holistic development of students of DRC. It aims to improve the quality of teaching, co-curricular and extra-curricular activities of the college. To achieve this goal, it makes an academic calendar at the beginning of the academic session to schedule the academic teaching, examinations and the various types of activities which students can plan to participate in throughout the year.

These activities include the Student Development Programs (SDPs) which are designed to impart additional professional skills to the students. These are scheduled during the vacations so that students can comfortably attend them. Besides this, students also gain knowledge about various workshops, conferences, seminars that will be organized by college during the academic year. The tentative dates of student union activities like student union elections, Miss Fresher, Student Festival- Manjari and Daulat Ram Memorial Debate are given in the academic calendar to ensure the students' preparedness for the events.

**IQAC (Academic Session 2020-22) is presently managed by the following members:**

- Prof Savita Roy- Principal
- Dr Sarita Nanda- Coordinator
- Dr Rajni Sahni- Faculty Member

## TEDxDRC 2022

**Convenor: Dr Sonia Mehta**

After its first-ever International Virtual Edition, it is a matter of great honour for Daulat Ram College, University of Delhi, that the Internationally recognized non-profit, non-partisan organization ‘TED’ has licensed the college AGAIN to come up with its Second Edition in the session 2021-22 in which, TEDxDRC put up a very successful Covid Task Force to generate quality verified leads during the wrath of COVID-19 Second wave. The aim was to use the manpower and provide aid to the needy during tough times. After this, TEDxDRC successfully conducted the Instagram Live Series “IdeaTED” which fosters sharing and development of quality ideas through social media platform ‘Instagram’. TEDxDRC keeps conducting Instagram Live sessions to promote the sharing of quality ideas, ideologies and stories by eminent personalities who with their session based on Q&A format aim to inspire the youth and bring a change. Under this we hosted three eminent personalities, Mr. Athar Aamir Khan (IAS AIR 2 2016) on 04-09-2021, Ms. Sakshi Malik (First Indian Female Wrestler to win Olympics Medal) on 05-09-2021 and Mr. Kunwar Amarjeet Singh (Television Actor, Dancer and Choreographer) on 09-09-2021. The Live sessions were highly successful as the viewer count crossed 3500+ and the ideas shared were infinite.

Post the live sessions, we had our one day Annual Flagship event on the 29<sup>th</sup> of January 2022 on the appealing theme “LIMIT tends to INFINITY”. “The only way to discover the limits of the possible is to go beyond them - into the impossible” - Arthur C. Clarke. Arthur C. Clarke’s foresight to step beyond the ordinary of everyday and discover the realm of fiction was brought to a virtual reality by TEDxDRC as the team triumphantly conducted the second edition of TEDxDRC event with an immense amount of zeal and vigor.

“Infinity has no end, infinity has no boundaries, infinity is unstoppable and infinity is larger than life.” Everyone strives within limits, but what if one pushes their limits to being infinite ? Can one then truly be limitless? Under this subject we strive to question every limit, limit of words, limits on dreams, limits to creativity, and a lot more.

The inauguration of the event was marked with the heart-warming welcome of all the distinguished speakers extended by Prof. Savita Roy and Convenor Dr Sonia Mehta. Under their keen guidance and efforts of the members, the day was recognized with the auspicious presence of 7 eminent personalities namely Mr. Samir Modi (MD, Modi Enterprises, Colorbar, 24 Seven CVS), Ms. Madalsa Sharma (Actress & Model), Mr. Aman Dhatteval (Founder of Apni Kaksha, YouTuber), Ms. Shade Zahrai (Award winning Leadership Strategist), Mr. Mahesh Thakur (Actor and Producer), Captain

Zoya Agarwal (First Female Aviator over North Pole) and Chef Ajay Chopra (Chefprenuer, YouTuber), along with an enthusiastic audience of 600+ Tedxers. The entire event was also being streamed on TEDxDRC YouTube Channel Live which had almost 6k+ views.

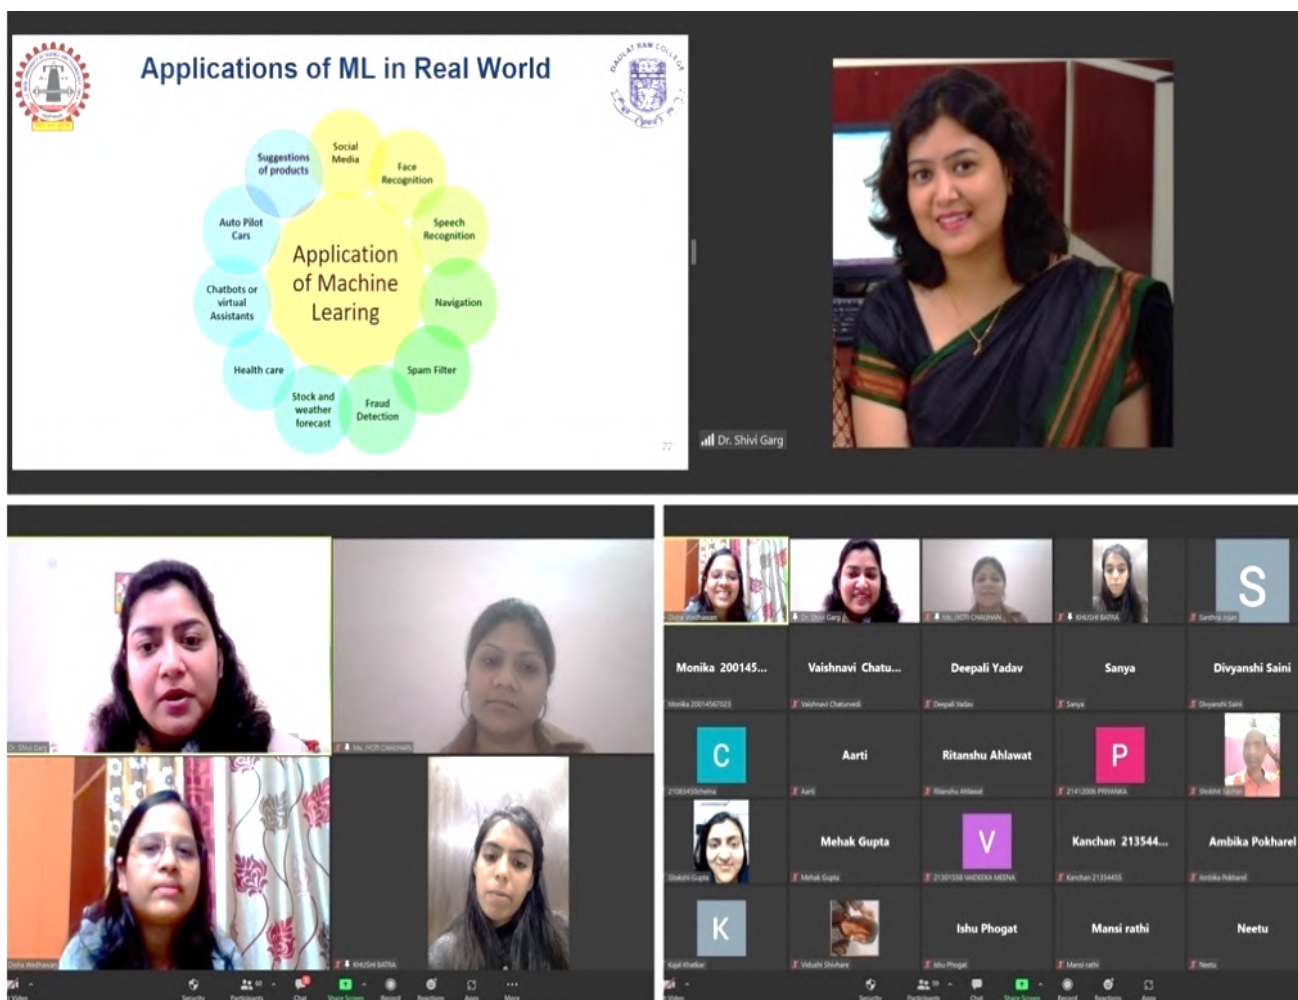

The fear of falling down with that one belief lingers in youth. These speakers efficiently managed to halt the glass that differed their tale from that of the viewers and shared their quests of how they managed to deliver that one extraordinary idea into the galaxy of infinite opportunities and moulded them into who they are today.

An exhilarating session continues to remain incomplete with the celebration of art, for which renowned artists Ms. Caroline Ravn (One of the world's Best Magician) and Mr. Samyak Prasana (Indian Idol 12 Contestant) showcased their fascinating skills through a series of performances for the viewers to enjoy.

'Success' would be an understatement to define these 4 hours of transcendence that was witnessed by the spectators. The event undoubtedly exceeded expectations and succeeded in maintaining the unmatched legacy of TED.

So, after the successful consummation of the second virtual International event, TEDxDRC is looking forward to bringing new waves of ideas and stellar speakers. Here at TEDxDRC, the team aspires to build long-term, non-transactional relationships with whoever is associated with us- be it a Speaker, a Performer, a Listener, or an Organizer. It hopes to go places with the best of performers, their skillset, and their innovation making strides with each passing day.

## NEW ADD-ON COURSES

### “DATA ANALYTICS WITH R”

#### Course Coordinator: Dr Malini Sharma

It is a matter of great honor to announce that this year Daulat Ram College has offered short term certificate course on Data Analytics with ‘R’, in collaboration with Meghnad Desai Academy of Economics, Mumbai.

‘R’ is an open-source user friendly programming language. It is freely available and can be operated easily. Being an open source, ‘R’ is covered under the GNU General Public License Agreement. In addition, developments in ‘R’ happen at a rapid scale and the community of developers is huge.

#### About MDAE

Meghnad Desai Academy of Economics (MDAE) is a post-graduate academy started by some of India’s leading economists and financial professionals. MDAE was established in the year 2015 with the objective of training students to take up roles as market economists, data scientists, bankers, consultants and policy experts in the real world. Our board comprises Lord Meghnad Desai (Life Peer, House of Lords, Emeritus Professor, London School of Economics), Dr Ajit Ranade (Chief economist, Birla Group), Tushar Poddar (Macro Strategist, Wellington Management), Niranjana Rajadhyaksha (Research Director, IDFC Institute), PD Singh (MD, JP Morgan) and Mangal Goswami (Deputy Director, IMF-International Monetary Fund). The focus of the curriculum is to develop quantitative, problem solving and analytics skills required for today’s jobs.

Over the past 5 years, MDAE has graduated over 130 students, who have found tremendous success in the corporate world. Students have been hired in the analytics space (Mu Sigma, Fractal Analytics, Think Analytics, Edelweiss Tokyo), in Finance (Morgan Stanley, Deutsche Bank, RBS, JP Morgan), in consulting (Deloitte, Praxis, EY, JLL) and public policy (IDFC Institute, RBI, Gateway house).

#### Course Timeline

Course commenced from 14<sup>th</sup> August, 2021 till 16<sup>th</sup> October, 2021 (Every Saturday & Sunday 3:00-5:00 pm)

#### Course Duration

Short -Term Certificate Course-30 hours (20 hours teaching and 10 hours: assignment and project)

#### Course Objective

The main objective of the course is to create a better understanding of ‘R’ language for students. The course would enable a student to do data visualization and analysis using ‘R’ programming. Further, the course would enable skill and professional development of the student. A course in data analytics would be beneficial for students in their higher studies, research and projects. The course will make them more friendly with data and equip them to operate in a more scientific way, thereby meeting the present-day demands of the job market.

## Course Structure

Introduction to 'R' (Downloading 'R', working on vectors, importing data, descriptive statistics), Basic concepts, Manipulating data and extracting components, Program or script writing, Graphics with 'R', Probability distributions – Normal, Standard Normal, Binomial & Poisson, Hypothesis testing, (Z test, chi-square etc), Hypothesis testing -F and t distributions, OLS regression (Linear Modelling), Bi-variate and multivariate regression, Violation of OLS assumptions (autocorrelation, heteroscedasticity, etc)

- **Session 1**– Introduction to R console and editor, idea of packages in R, Types of data- integers, characters, numeric, logical, factor, dates, etc. Types of objects: lists, vectors
- **Session 2**– Creating and working with simple vectors, merging vectors into a single data set, Basic mathematical and statistical operations- Calculating measures of central tendency and dispersion.
- **Session 3**– Importing data from an excel sheet into R and exporting data from R to excel and Writing functions, if-else statements and generating loops
- **Session 4**– Introducing the basic plot function- scatter plots, lines, steps, box plots, Adding parameters to the basic plot function- creating legends, adding background colors, grid lines, viewing multiple graphs and Bar plots, histograms, pie charts, Quintiles, Percentiles, Q-Q plots
- **Session 5**– Probability- counting, generating random variables, discrete and continuous probability, ANOVA, linear regression and its diagnostic checks and plots
- **Session 6**– Introduction to R (Downloading R, working on vectors, importing data, descriptive statistics) and Graphics with R
- **Session 7**– Probability distributions – Binomial and Poisson, Normal and standard normal distribution
- **Session 8**– Hypothesis testing, Z test, chi-square, Hypothesis testing F and t distributions
- **Session 9**– OLS regression Bi-variate and multivariate regression
- **Session 10**- Violation of OLS assumptions- autocorrelation, heteroscedasticity

## Method of Evaluation

1. Attendance requirements: 90% minimum
2. Assignment: 1 Pre-evaluation, 1 post evaluation
3. Project: Case study and live project with industry
4. Certificate will be issued to only those candidates who will meet attendance requirements and completed the assignments and projects

## Course Grading

1. Attendance: 30 points
2. Assignments: 10 points
3. Project report: 10 points

## Grades

- a) A: Points between 41-50
- b) B: Points between 31-40
- c) C: Points between 21-30
- d) D: Points between 11-20
- e) E: Points between 0-10 Course Structure

### Key Takeaways

- a) Evaluation 1: Pre-course evaluation
- b) Evaluation 2: Post-course evaluation
- c) 10 sessions of 2 hours each: 20 hours teaching
- d) 10 hours: project, assignment
- e) Industry project with Breath AI (company project)
- f) 1 session of resume building and interview tips
- g) Access to MDAE's Career Fair
- h) MDAE and DRC Certificate, Lifetime recording

### Course Learning Outcomes

Hands-on experience of handling and manipulating data on 'R', Learning of different techniques of graphically visualizing data on 'R'. A better understanding of statistical concepts of probability distributions, hypothesis tests and regression by learning how to apply them on real data and interpret the results and modelling economic data to understand relationships.

### Resource Persons

1. **Dr Sandhya Krishnan:** Assistant Professor, MDAE & Ph.D. from University of Amsterdam, MA in Economics from University of Mumbai. Teaching courses in the areas of applied econometrics and development economics.

2. **Dr Ishita Ghoshal:** Assistant Professor, Fergusson College, Pune & Ph.D. (Gokhale Institute of Politics & Economics, Pune), MA Economics & BA Economics. Teaching courses in the areas of Macroeconomics, International Economics, Applied Econometrics.

### Feedback & Important Details

We conducted the course with a total of 120 students (43 from Daulat ram college). It was a very well-received course with an average rating of 4.2 out of 5. It was an interdisciplinary course and students across various disciplines (B.A. Programme, B. Com., Physics, Chemistry, Zoology, B.Sc. Life Sciences, Economics, Mathematics, Political Science, English, Philosophy & Psychology) had participated. The sessions went on smoothly and timely and students submitted the project also as per deadlines. Course started on 14<sup>th</sup> August, 2021 and ended on 16<sup>th</sup> October, 2021. Classes were held on weekends and we did an industry-led live project for the students, for applicability of the course to real life analysis. The course consisted of graded assignments and case study-based assessment too. MDAE also took resume building and career counselling sessions.

MDAE in collaboration with Daulat Ram college made this course free for students of college: Government Girls College, Magra Punjala, Jodhpur as a part of Vidya Vistar Scheme (VVS). 12

Students from this college had registered and completed the course successfully. We went an extra mile and made the course bilingual for easy understanding of these students. These students also provided good feedback for the course.

**Benefits of the course**

- Skill and Professional Development of the student
- Certificate for completion of the course (Joint Certification)
- Connecting with industries for placement
- Expert Guidance
- Mock Interview

## “Legal Literacy, Awareness and Aid”

**Course Coordinator: Dr Sonia Mehta**

The college had introduced from this academic session, Add-on Certificate Course on “**Legal Literacy, Awareness and Aid**” in collaboration with Delhi State Legal Services Authority (DSLISA) and Course Coordinators as **Dr Sonia Mehta, Associate Professor, Department of Philosophy, Daulat Ram College** and **Ms. Namrita Aggarwal, Additional District & Sessions Judge, Additional Secretary, DSLISA.**

The overall rationale of the course was to establish a clear and holistic perspective about the legal system and its applications in today’s globalised, technological know-how and competitive world. It also aimed to cultivate and enhance technical acumen and skills about the processes of legal and judicial institutions, so that their services can be accessed and availed for public advocacy. The 3 month course was conducted online from 7<sup>th</sup> October 2021- 29<sup>th</sup> December 2021 on Google Meet platform. The orientation was conducted on 7<sup>th</sup> October 2021 where students were introduced to the course objective and content.

32 students were enrolled from **diverse background and fields** at under graduate, graduate, post graduate level and from corporate world. It included 30 sessions **delivered by eminent and experienced Judges and Advocates working at Supreme Court, High Court DLSA, and DSLISA.** The course covered modules on - Know your Rights/Remedies, Legal Procedure, Women related laws, Legal Services in India. It also included a separate module **focusing on virtual field visits** to DSLISA and DLSA, Swabhiman Parisar, Court and Police station to give students a hand on experience.

The students were evaluated on the basis of internal assessment and final exam conducted. Also, feedback was taken where positive response was received from the students enrolled. Overall **the course was beneficial** as it increased their practical and theoretical knowledge about the legal system, terminology and framework and made them more aware about their legal rights. They found the session informative, helpful and were very satisfied with the resource person and content. As most of them would like to enrol for the next level course, the co-ordinators plan to introduce Diploma course in the next academic session.

## FACILITIES UNDER IQAC

## DROSOPHILA RESOURCE CENTRE

Drosophila Resource Centre was set up in Department of Biochemistry almost 12 years ago. The centre is funded by DBT Star College Project. It aims to teach the basic principles of genetics using Drosophila as model system. Almost 250 students have been trained since its inception. Students of different life science streams such as Botany, Biochemistry, Life Sciences and Zoology from DU and Punjab University have been trained at the centre. A lab manual on 'Rediscovering Genetics' has been published in 2016 that covers the range of experiments performed by the students at the centre. The students have been immensely benefited by this training which is reflected in their selection and pursual of higher education in genetics from prestigious places. The centre also provides stocks and support to many colleges of Delhi University and AIIMS.

In 2021-22 session, due to COVID-19 pandemic, online practicals were carried out for the students using recorded videos and images. In October 2021, Offline practicals were conducted for the third year batch. Students were introduced to the basics of Drosophila as model organism- Maintenance of Drosophila, Male female differentiation and mutant identification.

## PLANT TISSUE CULTURE RESEARCH FACILITY

Department of Botany has a well equipped Tissue Culture Lab maintained for more than two decades. The Tissue Culture Research Lab is mainly used for training the final year students to micropropagate species of elite trees and also for research projects based on micropropagation of rare and medicinally important plants. Teachers and trained Lab staff help to carry out experiments smoothly.

**Culture Room** with Horizontal Laminar- air-flow cabinet to raise *in vitro* Plant Tissue Cultures under sterile conditions, Room Thermometer, Hygrometer and Culture Rack Trolleys fitted with fluorescent lights and automatic timer.

**Instrument cum Preparation Room** with basic equipments like High Precision Digital Balance, pH meters, Orbital Shakers, Hot Plates, BOD, Ultra Centrifuge machines, Double Distillation Unit, Hot Air Oven, Vertical and Horizontal Autoclave, Refrigerator and Deep Freezer, Microtome, Simple, Compound,, Dissection and High Resolution Microscopes with In-built Camera, Inverted Binocular

**Separate Wash Area** for washing and rinsing of glasswares.

**Green House Facility** with controlled conditions of light, humidity and temperature for establishment of *in vitro* grown plantlets in soil.

There is always scope for further improvement of Tissue Culture Research Facilities in the near future.

## PSYCHOLOGY RESOURCE CENTRE

**Convenor: Dr Meetu Khosla**

The Psychology Resource Centre (PRC) addresses the psycho-social needs of the students, teachers and non-teaching staff. It enables them to be aware of and effectively manage everyday life issues and stress which include self-growth and development, handling stress and emotions, relationship issues, academic pressures, constant worry and anxiety. With changing times, human life has become increasingly stressful making it imperative for us to be aware and develop a psychological understanding of themselves and their surroundings. This is achieved by PRC through counseling services, Faculty Development Programs, functions and events that address the mental health and well-being of all stakeholders. The PRC includes: Mental Health Center, Value Education Center, Positive Psychology Centre and Capacity Building Centre .

The Psychology Resource centre organised various activities in the year 2021-2022. The Details of the program schedule is given below.

Workshop **on SPSS and Publishing research work** was organized by the Capacity Building Centre from 16<sup>th</sup> to 19<sup>th</sup> July 2021 by Dr Suparna Jain Thakur and Dr Deepesh Rathore. There were workshops on basic SPSS, Advanced SPSS and publishing in research journals. 41 students of psychology Hons 3<sup>rd</sup> year participated in the program.

A Talk was Organised by Psychology Resource Centre on **“Qualitative Analysis: Simple Steps to understand Human Behaviour”** on 17<sup>th</sup> September, 2021 by Professor Anand Prakash, Psychology Department, University of Delhi for the students and Faculty of Daulat Ram college. The Talk was very much appreciated and attended by more than 100 participants. The session was followed by active discussion and questions answer session. It was a very informative talk for all those interested in pursuing qualitative research in projects, practicals etc.

The Psychology resource centre organized Capacity building program on **“Health, Wellbeing and Productivity”** that was envisioned to provide training about life skills to the non-teaching members of Daulat Ram College. The program covered a wide range of topics which focused around the notion of health and wellbeing, how it could be enhanced, along with discussing the relevance of naturopathy in health and wellbeing. Various interactive workshops were organized highlighting the need to develop compassion, resilience and managing stress through relaxation techniques. Further, deliberations were made on exploring happiness and regulating emotions to promote wellbeing. There were various sessions on managing time, effective communication skills, and how to make work more meaningful while increasing productivity. A total of 12 sessions were organized from 13<sup>th</sup> to 20<sup>th</sup> December 2021 spanning over 40 hours. The program was conceived to encourage the staff members explore their potentials and develop skills to enhance their psychological, social, emotional and organizational capacities.

On 15<sup>th</sup> September 2021, the Centre for Well-Being and Flourishing under IQAC, Daulat Ram College, organized the event, **‘Positive Conversations 2.0: Igniting the H.E.R.O within’**. Dr Pooja V Anand as the Convenor. Moving our attention from what is wrong with the world to what makes it strong is the focus of the series and the discussion that took place revolved around developing various

strengths based on the H.E.R.O Model (Hope, Efficacy, Resilience, Optimism). The event was graced by the esteemed presence of Prof. Savita Roy, Principal, Daulat Ram College, Dr Sarita Nanda, Vice-principal, Daulat Ram College as well as Dr Chayan Mehta, Convenor, Vidya Vistar Scheme, Govt Girls College, Jodhpur. The guest speaker for this event was Captain Satendra Sangwan. Commissioned as a 2nd Lieutenant in the 16th Battalion - the grenadiers regiment in March 1996 from the Officers Training Academy in Chennai, he was the commander of the first platoon to deploy to the Batalik area for the Kargil War. After this, the interactive session took place where students asked various questions about his experience, role and support of his family, his hopes and motivations in this journey. All the answers were impeccable and profound. He also talked about how no one should implicitly assume that a differently able person needs help, and should only help them when they ask. Rather be there for them and show unconditional support. He talked about how motivation behind things is what gets you through things. At the end he expressed gratitude for being invited to the event and how grateful he is to be sharing his experience with all the students. He concluded on the note that the circle of life is a beautiful thing where you learn things and then fortunately you might get to impart that knowledge as well.

On the occasion of **World Mental Health Day**, which is commemorated annually on **10<sup>th</sup> October as per the World Health Organization (WHO)**, the Mental Health Centre under the Psychology Resource Centre of Daulat Ram College arranged several events on the 7<sup>th</sup> of October, 2021. This year's theme, as proposed by WHO, is - 'Mental Health in an Unequal World.' Prof. Anita Ghai, Professor of School of Human Studies at Ambedkar University and a disability rights activist, and Dr Lokesh Kumar Gupta, Assistant Professor, Department of Hindi, Mata Sundari College were among the distinguished and experienced speakers, who were invited for the Panel Discussion. The Dance Movement Therapy workshop commenced at 12:30 pm. It was moderated by Aishi Roychowdhury and Pratiti Das of the Psychology Department with a total of 22 participants. There was a poster competition. The winner of the competition was Divya Poria of the Life Sciences Department, the 1st runner-up was Ananya Chauhan of the Zoology Department, and the 2<sup>nd</sup> runner-up was Neha of BA Programme Department. Various workshops were also conducted to help the students rejuvenate their minds with different kinds of activities like Dance Movement Therapy, Yoga Therapy and Mandala Art Therapy.

The **Value Engagement Centre organized the VII<sup>th</sup> Value Engagement program on “Values for Flourishing”** from 1<sup>st</sup> December 2021 to 3<sup>rd</sup> February 2022 under the convenorship of Dr Meetu Khosla.. A total of 70 students from first year from various departments of Daulat Ram College participated in the 30 hour program on various values pertaining to enhancing mental, physical, social and cognitive health and wellbeing. The students actively engaged in a number of research projects related to the role of Values in Flourishing.

The Mental Health Centre along with the Value Engagement Program organized the ADS -II **“A (awareness) D (De-stigmatization) S (Seeking Help) Campaign II: Promoting, Enhancing and maintaining Mental health” “A True Health Initiative”** under the convenorship of Dr Meetu Khosla in February 2022 proving training to more than 200 students from various departments of the college in three interactive sessions.

## ZEBRAFISH LAB FACILITY

The zebrafish lab facility in Daulat Ram College was set up in October 2015, jointly by Biochemistry and Zoology Departments in collaboration with CSIR-IGIB, Mathura Road, Delhi, and Sansriti Foundation Delhi. The facility has been funded by Star Innovation projects DU, Star College project DBT, Govt. of India, and Innovation projects DU. It was developed with the aim of providing an alternative *in vivo non-invasive model system for science education, teaching and research*.

Students join the lab as interns and work on research projects during their free time and holidays. This opportunity provides students with experiences wherein they can explore and discover the nature and process of scientific research using zebrafish model system. Small internship programs are also conducted for school students.

Zebrafish lab facility organized the following training programs/ internships/ webinars:

- Dr Padmshree Mudgal provided Mentorship for Innovation Project of Hindu College with PIs: Dr Devanshi Magoo and Dr Soma M. Ghorai, titled “Green approaches for the synthesis of functionalized spirobarbiturates and evaluation of their biological and theoretical studies”. Starting from 1<sup>st</sup> January 2020, till date.
- Dr Padmshree Mudgal delivered the following invited talks:
- Keynote lecture at "2<sup>nd</sup> Global summit on Food science and nutrition 2021" 29-30 October in Vienna, Austria on “Assessment of Health Impact of food colorants using Zebra fish model system”
- Invited talk on "ZEBRAFISH MODEL SYSTEM: A TOOL FOR DRUG DISCOVERY" in International E-Conference on “Recent Trends in Drug Discovery and Development” organized by the Department of Chemistry, under the aegis of IQAC, Maitreyi College, University of Delhi on 8<sup>th</sup> and 9<sup>th</sup> October 2021.
- Invited talk on "Zebrafish - An ideal Model Organism for Human Research” 21<sup>st</sup> January, 2022 at ‘Skill Enhancement Workshop on Model Organism and Visual Experimentation - Zebrafish and JoVE’, organized by CHRYSALIS, The Biological Science Society, Sri Venkateswara College, University of Delhi.
- 15 students did Research internship in Zebrafish lab facility during the year 2021-22. Small research projects were undertaken by faculty and student interns in Zebrafish lab facility. Students presented a poster titled: ‘Stress Response Assays with Zebrafish Larvae to Study Anxiolytic Activity of Ayurvedic Drugs” and secured 1<sup>st</sup> position in poster presentation in the International Conference on 'Recent Trends in Drug Discovery and Development' organized by the Department of Chemistry under the aegis of IQAC, Maitreyi College, University of Delhi, held during October 8<sup>th</sup> and 9<sup>th</sup> 2021 on virtual platform.
- A Six -day online training workshop on animal models: “Learn and explore with Animal Models” was organized by Zebrafish lab facility, DRC in Collaboration with Sansriti foundation, from 3<sup>rd</sup> - 8<sup>th</sup> January, 2022, under the aegis of IQAC, Daulat Ram College. More than 100 students and faculty from all over India participated in the workshop
- Publication: Mudgal P., Bhasin C., Joshi A., Gupta R. (2021) Zebrafish: A Versatile Learning Tool. Resonance. Nov 2021: 26(11): 1483-1601

Zebrafish lab facility also serves as a resource center to provide Zebrafish and embryos to other colleges/ departments and research institutes to support teaching and lab practicals.

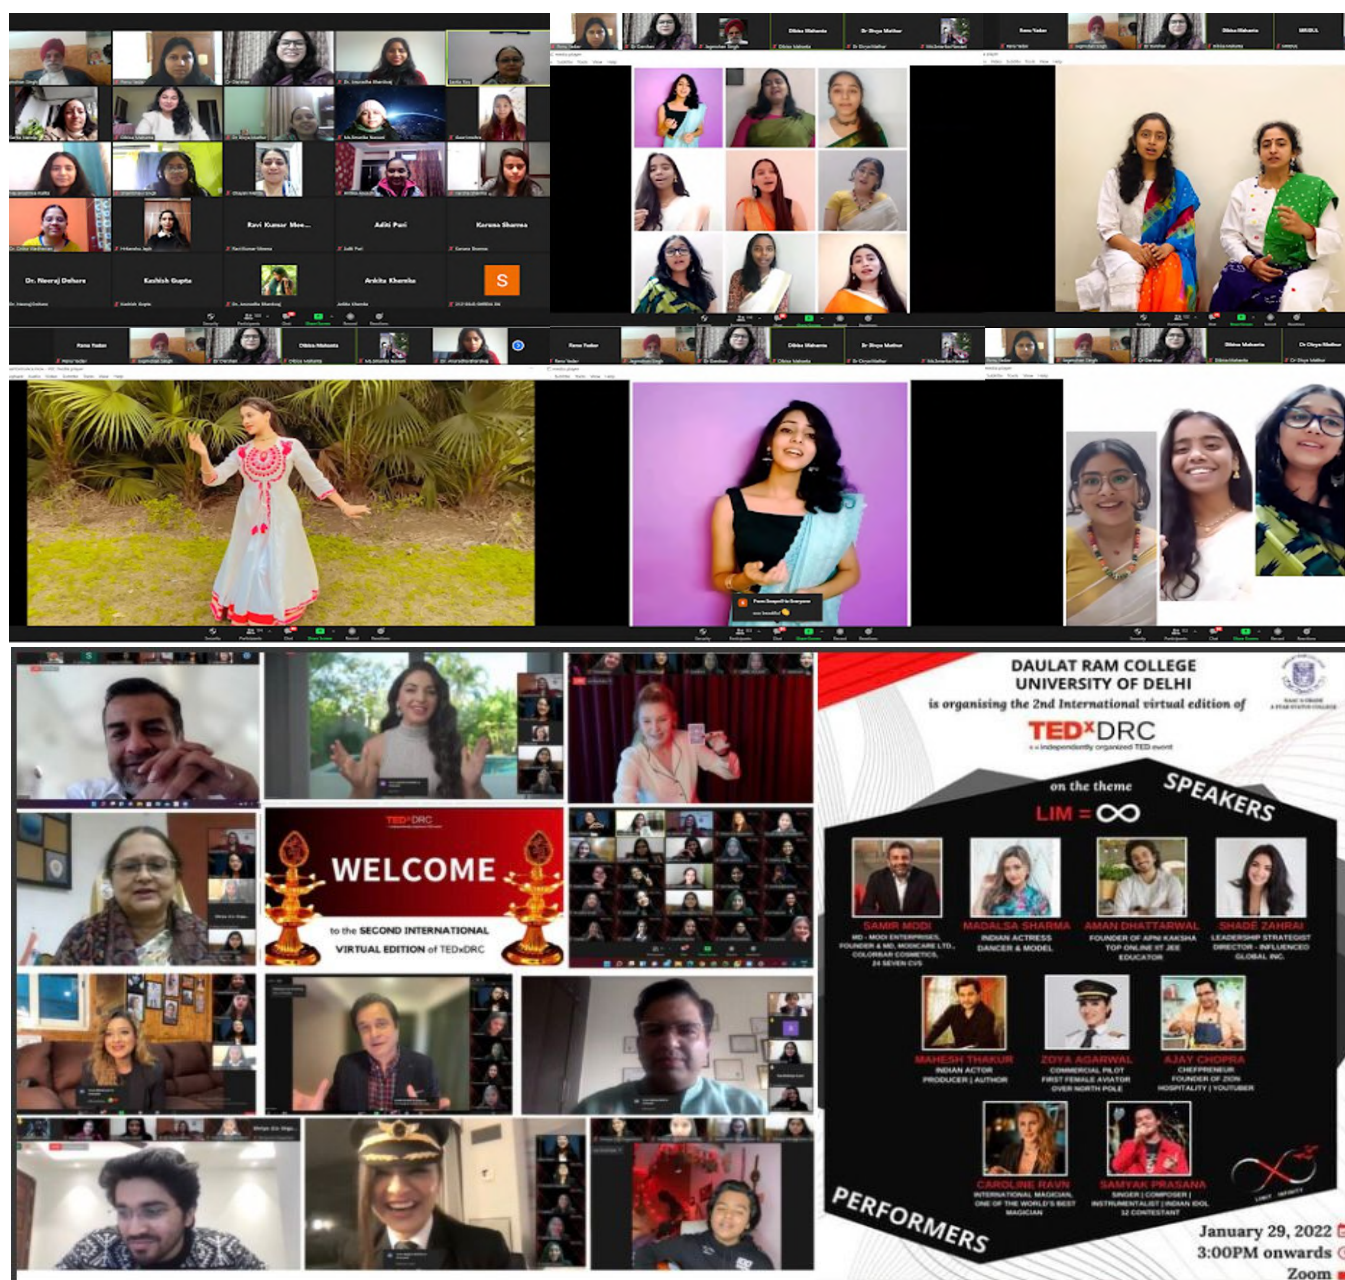

**The following faculty were the Mentors and Resource persons for the internship and training programs:**

- **Dr Padmshree Mudgal (Department of Biochemistry, DRC)**
- **Dr Adita Joshi (Sansriti Foundation, Delhi)**
- **Dr Radhika Gupta (Department of Biochemistry, DRC)**

# VIDYA VISTAR SCHEME

**Coordinator: Dr Malini Sharma**

India's dream to be a global superpower in the coming decades depends primarily on enhancing the skills of its human resources to meet global demands and increasing innovations and start-ups to fuel the economy. The roles that the universities, colleges and other educational institutions have to play is crucial in this context. Alone, each University/institution will require investment of considerable amount of its resources for these activities. However, being a developing country, it would be in the best interest to maximise the utilization of existing resources available with the Universities/ academic institutions by sharing the same, through academic collaboration and cooperation amongst them, for augmenting the human resources.

The University of Delhi has initiated the Vidya Vistar Scheme (V2 Scheme) to partner with Colleges and Departments of Universities which are situated in remote areas of the country so that the Colleges and Departments of the University collaborate with them to enhance the capacity as well as development of these institutions in particular and the country in general. The Vidya Vistar Scheme is based on the principle of mutual respect, cooperation and sharing between two Colleges/Departments of both the universities as equal partners.

In the light of the objectives of the Vidya Vistar Scheme, Daulat Ram College has entered into an academic collaboration with Government college, Chouhtan and Government Girls College, Magra Punjala, Jodhpur. The partnership aims to facilitate sharing of resources and expertise amongst the partnering institutions to enhance the academic capital of the students and the faculty.

## COLLEGE ACTIVITIES

### HERITAGE WALK

Heritage walks help preserve heritage through transfer of knowledge. On December 26<sup>th</sup>, 2021, Daulat Ram College organized a heritage walk under the support of the college Chairperson. Inheritance team worked as guides for the heritage walk. The purpose of this heritage walk was to engage with teachers in order to better grasp the value of heritage space, as well as to explore the Qutub site as a mediaeval settlement and see the architectural marvels of the Delhi Sultanate period. Principal (Prof. Savita Roy) and Vice-Principal (Dr Sarita Nanda) and faculties (Dr Malini Sharma, Mrs. Sneh Lata and Dr Nikhil Gangwar) from different departments participated in this heritage walk. Different methods such as **Dekho** (to explore), **Sunno** (to listen) and **Mehsoos karo** (to feel or together to site) were adopted to understand the beauty of the monuments located in the Qutub complex region. Teachers found the event very informative and it broadened their understanding on the significance of Indian rich cultural heritage.

## ANNUAL COLLEGE MAGAZINE - PRAMILA

दौलत राम महाविद्यालय की पत्रिका " प्रमिला" निरंतर कई वर्षों से छात्राओं के लेखन कौशल को बढ़ावा दे रही है। महाविद्यालय की छात्राएं समसामयिक विषयों पर अपने भावों को कविता, कहानियों, लेखों के माध्यम से शब्दों में पिरोकर सहृदय पाठकों को विचार मंथन के लिए प्रेरित करती हैं। "प्रमिला" टीम में प्राध्यापिकाओं के निर्देशन एवं परामर्श में छात्र संपादिकाएं प्रत्येक वर्ष "प्रमिला " के अंक को रूपाकर देती हैं। यह पत्रिका हिंदी, संस्कृत, अंग्रेजी तीनों भाषाओं में प्रविष्टियां आमंत्रित करके उन्हें प्रकाशित करती है। तीनों भाषाओं में सर्वश्रेष्ठ आलेखों को महाविद्यालय के वार्षिकोत्सव समारोह में पुरस्कृत किया जाता है। वर्ष २०२१-२०२२ में भी "प्रमिला " पत्रिका अपनी विगत वर्षों की सृजनात्मक एवं रचनात्मक प्रेरणा का संचार करने के लिए प्रयासरत हैं। इस वर्ष इस कार्य के संयोजन में "प्रमिला" पत्रिका ( संयोजिका एवं हिन्दी अनुभाग परामर्शदात्री) डॉ. ज्योति शर्मा, डॉ. कुसमलता ( परामर्शदात्री हिन्दी अनुभाग), डॉ. रवि कुमार मीना ( परामर्शदाता संस्कृत अनुभाग), श्रीमती रश्मि यादव ( परामर्शदात्री अंग्रेजी अनुभाग), हिन्दी की ( छात्र संपादिकाएं) सुश्री कोमल एवं सुश्री निधि, संस्कृत की ( छात्र संपादिकाएं) सुश्री मोनिका एवं सुश्री चारू और अंग्रेजी की ( छात्र संपादिकाएं) सुश्री श्रेया एवं सुश्री प्रोनीता ने महत्वपूर्ण भूमिका का निर्वहन किया है।

## COLLEGE SOCIETIES AND CELLS

### CYBER CELL

**Convenor: Ms Saneya**

Cyber Cell's annual event Encrypt 21 was hosted on 16<sup>th</sup> and 17<sup>th</sup> April 2021 on the theme of Cyberspace. The inaugural ceremony saw the presence of honourable Chief Guest Mr. Rakshit Tandon, Guest of Honour Mr. Chintan Pathak, stellar names in the world of cyber law and activities. Day two was celebrated as speaker's summit, graced by three eminent speakers: Mr. Tamal Bandyopadhyay, Mr. Gundeep Singh and Dr A.J. Minai who shared their views on Digital Banking Space unfolding in India and the World, The Hacker's Mindset, Life of millennials and GenZ beyond Digitalization. Events like Cyber Tambola, Meme-making competition, Artful Doodler, Code Combat, and Cyber Quiz saw unprecedented response from participants. Webinar on Blockchain Technology hosted on 14<sup>th</sup> August on GMeet by CA Aishwary demystified this term which is applied to bridge all

gaps in the field of data management. The participants were enlightened and enjoyed the event where Smart Contract, DEFI, and its challenges and proposed solutions were explained in a comprehensible manner. Celebrating the Cyber Safety Awareness Month, we invited Mr. Shubham Gautam to conduct a Cyber Safety Awareness Workshop for the students of DRC on 5<sup>th</sup> October 2021. Conducted in two sessions, the workshop also included a hands-on training session for interested participants. The resource person, a cyber forensics professional, touched on the core concept of Social Engineering with the simplified definition and then discussed various aspects of Social Engineering and how hackers manipulate human minds. Moving next, he asserted that hacking is not possible without Social Engineering and OSINT (Open Source Intelligence) through which hackers can collect our data. On 30<sup>th</sup> October, Mr. Anil Rachamalla enlightened the students on their digital wellbeing describing the impact of technologies and digital services on our mental, physical, social and emotional health. He introduced the spheres of digital security (tools and techniques), digital safety (physical and psychological well being) and digital spirit (legal and ethical issues), exemplifying the role digital well-being plays in our health, communication and learning. He stressed the need to evoke responsible online behaviour. Keeping in mind the freshly inducted first semester students members of the cell, we conducted a webinar on Creating awareness about Cyber Bullying on 22 January by Dr Meenakshi Ingle. Aimed specifically for female students in institutes of higher education, this webinar focused on preventive strategies, capacity building and empowering their cyber presence.

The Cyber Cell team is made up of Convenor Ms. Saneya, co-convenor Dr Kamna Vimal, and members Dr Kusumlata, Dr Santosh Sain, Ms, Raman Arora, Ms. Priyanka, Ms. Hritanshu Jeph and Ms. Preeti Singh. The students' union comprises of President Ms. Suruchi, Co President Tanya Nimesh, Vice President Rashi, General Secretary Muskan Saraaf, and Joint Secretaty Poorvi.

## DEBATING SOCIETY- DEBSOC

**Convenor: Dr Vandana Tripathi**

Debating Society (DEBSOC) is a vibrant platform with the aim to provide transformative learning to students in an atmosphere of reasoned argument and respectful discourse. They learn to express, evaluate and analyse issues/ideas and discuss solutions. They learn organization and clarity which helps them articulate their thoughts confidently and persuasively. The knowledge forum instills in its participants a sense of team work which enhance their critical thinking, communication, public speaking, and decision making skills thereby helping them with a lifetime of leadership. The society organizes several issue based programmes in each academic session along with Daulat Ram Memorial Debate, an annual event, with a running trophy since 1985.

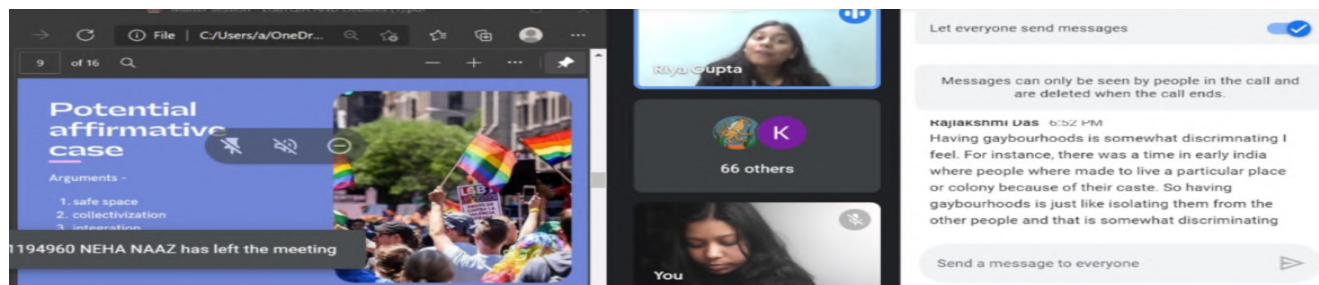

In the academic session 2021-22 DEBSOC began its work by electing its Union members. It was followed by the second edition of Daulat Ram Parliamentary Debate (English) that was held from 23<sup>rd</sup> to 25<sup>th</sup> July, 2021 in virtual mode. It was attended by more than 60 teams from across the world. Around 300 participants, both debaters and adjudicators, registered their presence in this Parliamentary Debate. The team from O.P. Jindal University was declared the winner of the event.

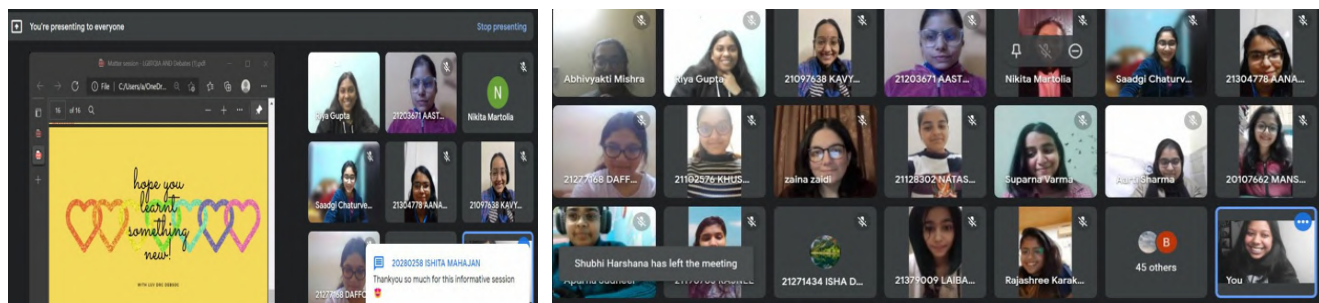

The DEBSOC conducted its auditions for second and third year students in the month of October 2021 and for the freshers' on 4<sup>th</sup> and 5<sup>th</sup> January, 2022. It received more than 200 registrations from various departments of the college and after several rounds of auditions, conventional debates and personal interviews 83 students were shortlisted to become the part of DEBSOC.

The DEBSOC also organised the seventh edition of its Annual Freshers' Bilingual Conventional Debate - CONTROVERSUS on January 28, 2022 in virtual mode. The motion argued and debated upon was, **'This house believes that legislative restrictions (like raising the age for marriage) are futile without social reform initiatives.'** It received overwhelming response from students all over the country and DEBSOC had to restrict it to 25 teams for participation. Besides it has been conducting regular sessions amongst its members on debating skills, various issues like Gender Justice, etc.

The members of DEBSOC have also actively participated and won accolades and prizes in various debates and events, including Parliamentary debates, and conventional debates organised by various colleges and institutions all over the country.

The upcoming events of DEBSOC include the **Daulat Ram Memorial Debate** and **Tarkshetra**, fourth edition of Hindi Parliamentary Debate to be held in March 2018.

## ECO CLUB - DHARA

**Convenor: Dr Anju Jain**

Nature holds the key to our aesthetic, intellectual, cognitive and even spiritual satisfaction. DHARA, the Eco Club of Daulat Ram College envisions to create social consciousness among the students for the various environmental issues and finding sustainable ways of living. The mission of DHARA is to work towards growing institutional focus on achieving positive sustainability impacts.

Dhara, held its Online Inauguration Ceremony on Saturday, 28<sup>th</sup> of August, 2021 in the esteemed presence of **Chief Guest Mr. Vibhav Srivastava (Naturalist and Conservation Biologist, National Zoological Park, Delhi)**. The event progressed with an interactive and informative session by him, **on Tiger Conservation in India : Science and Management**. "The top predator indicates the health of the ecosystem", was highlighted in his lecture. The various phases through which the tiger population had been through and the present scenario was served very well to the students. Two theme-based intra-college competitions were organized to attract creative ideas from young minds, viz., **Create-O-maniac** (online competition based on biodegradable waste) with 11 shortlisted entries & **Alfaz -e - Sukoon** (online bilingual poetry competition) with 15 shortlisted entries. These contests were based on the **theme - Eco India (Azadi ka Amrut Mahotsav)**. Pragati Prerna won first prize, Iran Fatima second prize and Sandhya third prize for Alfaz -e - Sukoon contest. For Create-O-Maniac event, Vishakha got first prize. Nayanshree & Kajal Thakur secured

second and third position respectively. Overall, the event was successful enough to attract as many as 180 registrations.

Driven by love for the environment, **World Ozone Day** was celebrated on Thursday, 16th September 2021, by organizing an online Doodle-making competition on the theme- "**OZONE FOR LIFE 36 Years of Protecting Ozone**". The event drew more than 40 attendees. Using captivating videos, everyone was introduced to the significance of the ozone layer and also to the ways in which we can contribute towards its preservation. Additional videos played during the event highlighted a significant message that "Biodiversity is the key to the future of humanity". A total of 12 students took part in the Doodle making competition. **Vidhi Chhabra** bagged the first prize. **Shagun Shah** and **Ayushi Singh** got second and third position respectively.

Dhara, successfully organized an online **inter-college Photography Event** on account of "**World Rivers Day**" on the 25th of September, 2021. The theme of the event was "The Precious Drop-अनमोल बूँद". Participants got an opportunity to capture the best shots on the given theme and showcased what the precious drop meant to them. A total of 65 entries were

received. Tanya Shree, Gaurav singh Rajput and Samriddhi were awarded first, second and third prizes respectively. Sanjana Singh was awarded the consolation prize. "Most Popular Click" was awarded to Virali Prakash (@heyitsvirali).

Students from various streams enthusiastically participated in the **Nutritional Gardening Drive 'Poshan Vatika'** on 28<sup>th</sup> September 2021. Many medicinal plants like *Ashwagandha*, *Asparagus*, *Chlorophytum* and *Aloe vera* were planted in the college premises. Faculty members imparted information regarding planting and conservation of these medicinal plants.

Eco Champions from Dhara-Eco club performed **Nukkad Natak** on 7<sup>th</sup> October in Delhi Zoo during wildlife conservation week celebrations. Nukkad Natak performance was highly appreciated by Mr. K.K. Sharma, Padmashree Awardee and Dr Sonali, Director Delhi Zoo.

A skill development programme (**SDP**) "**Think Smart, Think Green!**", was organized for the students of Daulat Ram College and Colleges under Vidya Vistar team. Invigorating and interactive lectures were held such as "Celebrating Biodiversity!", "Energy Efficiency 'FUN'damentals", "साहित्य मे पर्यावरणचिंतन", "Food production and consumption: impact on the environment", "Ecofeminism and ethical living in the 21<sup>st</sup> century", "Current scenario of water resources in Delhi NCR and sustainable solutions for future ", "Renewable Solar Energy in India for Sustainable Development", "Carbon credits and carbon footprint calculation", "Plant Conservation and setting up Micro-ecosystem" by faculty of Dhara Team.

The SDP raised awareness about important aspects of the environment and motivated students to take positive steps towards environmentally sustainable lifestyle options. The participants were assessed by interesting activities such as poster making, video making, quizzes, slogan writing. With feedback received from the participants, it can be rightly said that the whole programme was quite successful.

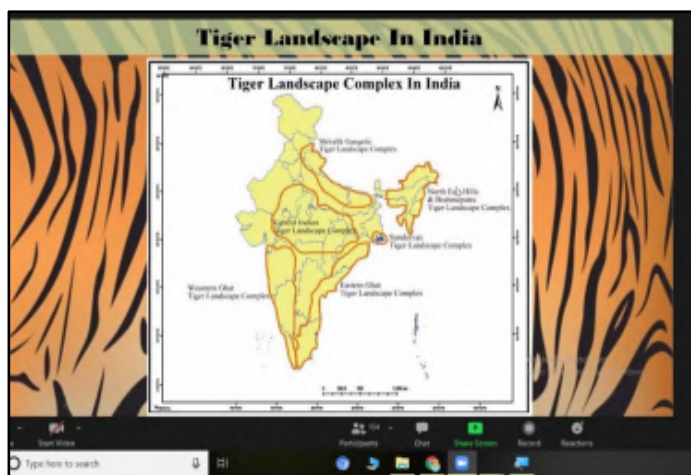

**E-waste awareness programme** was held on 28<sup>th</sup> October, 2021 in collaboration with Panasonic India Ltd. and Hand in Hand India. In this programme around 35 students participated.

**Virtual plantation drive was organized** from 13<sup>th</sup> to 14<sup>th</sup> January, 2022 in collaboration with WWF – ECHO project wherein volunteers were asked to participate from the ease of their homes. The drive was open for the first year volunteers, and they were asked to utilize the plastic waste containers to plant their saplings. 30 volunteers came together and planted various saplings ranging from Arrowhead, Money plant, Curry leaves, Holy basil, Aloevera, Catharanthus, Marigold, Coriander, Begonia etc. Many students took another creative mile by utilizing exocarp of coconut, old sipper bottles, plastic paint cans as their pots. Their great enthusiasm was not only appreciated but also served as a source of inspiration for others.

A **virtual recycling drive** was held from 15<sup>th</sup> to 17<sup>th</sup> January 2022 where students were asked to let their creative souls soar high and present their craftworks with recycled papers. The drive was open to the first year students and a total of 10 volunteers submitted their entries.

Dhara, the Eco club celebrates Eco India theme under Azadi ka amrut mahotsav an unshakable commitment to a *sustainable* lifestyle.

On 18 August 2021, an interactive session was organised to throw light on the much-debated topic i.e. Fundamentals of Cryptocurrency. It all started with an exhaustive and coherent coverage of the definition of Cryptocurrency. The innovative, systematic, and lucid style adopted by the speaker not only enlightened the young minds but also roused them.

## **WOMEN & WEALTH WEBINAR**

The Finance and Investment cell of Daulat Ram College organised an intriguing session on 17 September 2021 to bring the light on the very eminent topic i.e. Women and wealth: Be financially independent and literate. Gazing at the iron will of the students, the speaker, Mr. Prashant Desai asked them to gird up the lions. This webinar was sure a much-needed motivation every young girl needs to have.

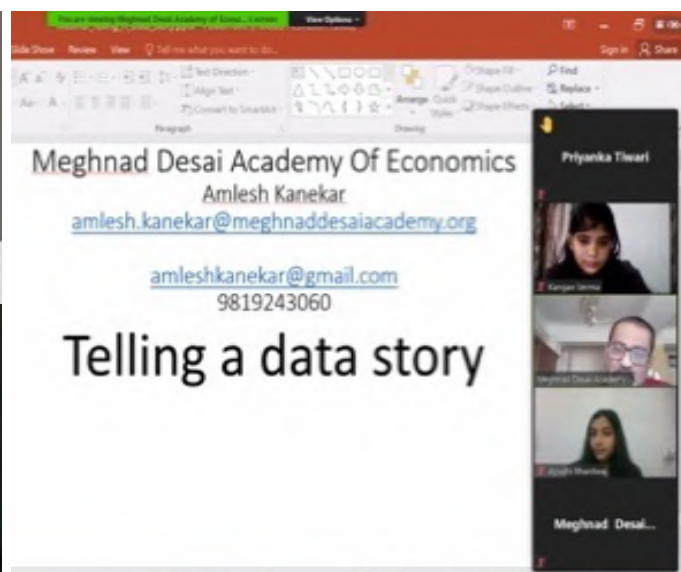

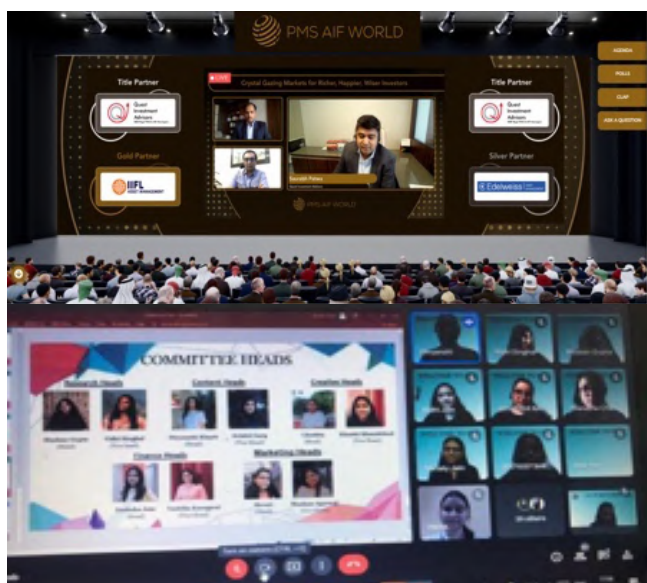

Women all over the world, who are considered to be the LAXMI, need to give up on the orthodoxical norms of society & be their own financial managers.

## **EQUIQUEST**

## FINE ARTS SOCIETY - SPECTRA

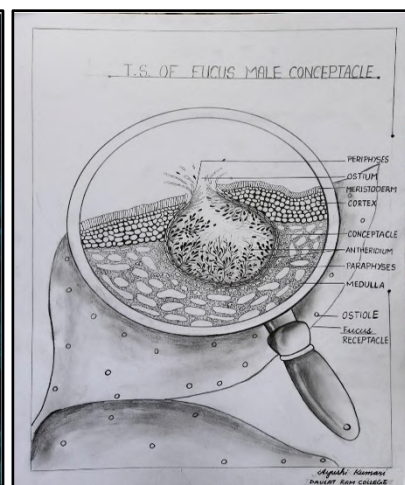

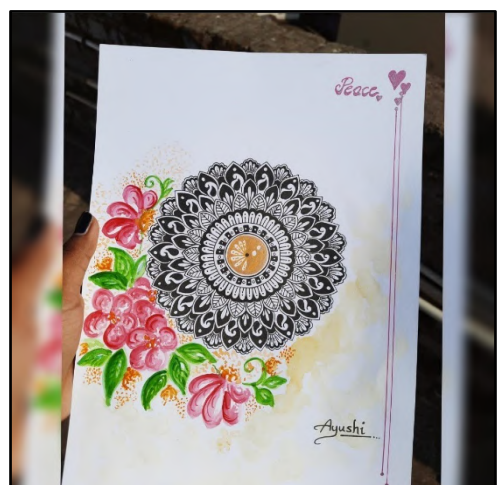

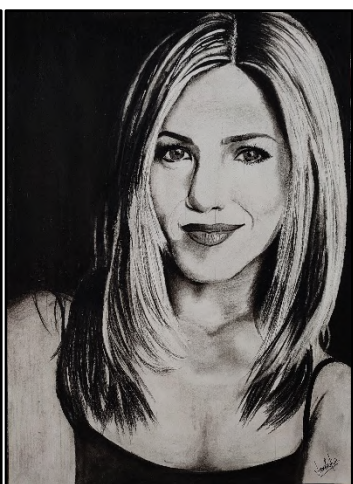

**Convenor: Mr Deepesh Rathore**

The Fine Arts Society “Spectra”, Daulat Ram College provides a platform to the students to showcase their creativity and talent through annual exhibitions and various inter and intra college competitions conducted on different occasions throughout the year. It also gives an opportunity to actively learn various art forms through interactive workshops like poster making, handmade traditional jewelry, dress designing, mandala making, calligraphy etc. conducted by art experts.

The society also aims to enrich the knowledge of its members/participants regarding the various art movements of the past and present and discussions about famous artists and their work, so as to gain a more comprehensive understanding of the art world.

Despite the challenges posed by the pandemic, spectra had very successfully organized its art fest “Metanoia’21” which involved intercollege competitions and virtual art exhibition where students across various universities actively participated along with other online workshops.

## MUSIC AND DANCE SOCIETY

**Convenor: Dr Sonika Sharma**

Music and Dance society provides a platform to students to showcase and enhance their talent of various forms of music and dance such as classical, western and folk. It provides opportunities to students to prepare and perform in different events and competitions at various colleges and institutions.

### INDIAN MUSIC SOCIETY: ALAHYAA

ALAHYAA, the Indian Music Society of Daulat Ram College, seeks and works to be a society that brings together a group of musically talented students to share their abilities and promote Indian Music Culture, and make sure it stays alive. We seek to inculcate enthusiasm for learning music and providing education on Indian classical genres of music. As a society, Alahyaa harbours to help build careers in music for all trained and untrained musicians/ instrumentalists. We collectively aim to establish Alahyaa as the best among all the prime Indian music societies of the DU IMS Circuit with our talent and sincere perseverance, while being cooperative and inclusive.

This year has been an unpredictable one yet music remained same; peaceful and serene. Alahyaa, the Indian Music Society of DRC took the pandemic as a challenge and braved the odds. As a result of this sheer perseverance, and with the constant support and guidance of our Convenor, Dr Sonika Sharma, this year was a success.

On the occasion of Gandhi Jayanti, Alahyaa sang and recorded a beautiful rendition of the very famous song Ekla Cholo Re, for an NGO. Even in this lockdown, Alahyaa didn't stop to provide music and brilliantly came together and recorded the song. It was presented creatively with harmonies and some amazing vocals. Alahyaa also collaborated with the band "The Tarana", on the occasion of Republic Day. It was a collaboration with some astounding artists. Vande mataram the national song of the country was presented with various harmonies and some beautiful voices all together singing as a unit.

## The Indian Classical and Folk Dance Society - ANNHAD

Annhad is the Indian dance society of Daulat Ram College, University of Delhi comprising of dancers trained in different classical and folk dance forms. The society has been training in Bhavai, which is a folk dance from the state of Rajasthan and has managed to grab various awards in the DU circuit with rigorous practice and commitment. Annhad has conducted numerous workshops and webinars to give its members a platform to excel in their respective dance forms and learn new ones, as well as frequently organized workouts and body conditioning sessions for the dancers to have a healthy mind and body. As the name suggests, Annhad believes in being limitless and breaking all boundaries to reach the pinnacle of success, as well as produce amazing dancers in the process.

Even in this unprecedented time the society worked hard and organized several events.

Annhad organized a 3-day workshop on “भाव एवं रस” from 23 July 21’ to 25 July 21’ presided by Ms Malavika Ajaikumar, who is a Doordarshan graded artist and professionally trained in Mohiniyattam, Kathakali and Bharatanatyam.

Annhad celebrated the 88th birth anniversary of the historically incomparable actress of Hindi Cinema, Meena Kumari by performing on the song “Ajeeb Dastaan hai yeh”.

Annhad paid their tribute to the legendary and evergreen singer, music composer, lyricist, actor, director and screenwriter of Hindi Cinema, Kishor Kumar on his 92th birth anniversary. The dancers performed on his songs- “Dekha ek khwab”, “Yeh raatein yeh mausam”, “Neele neele ambar par”.

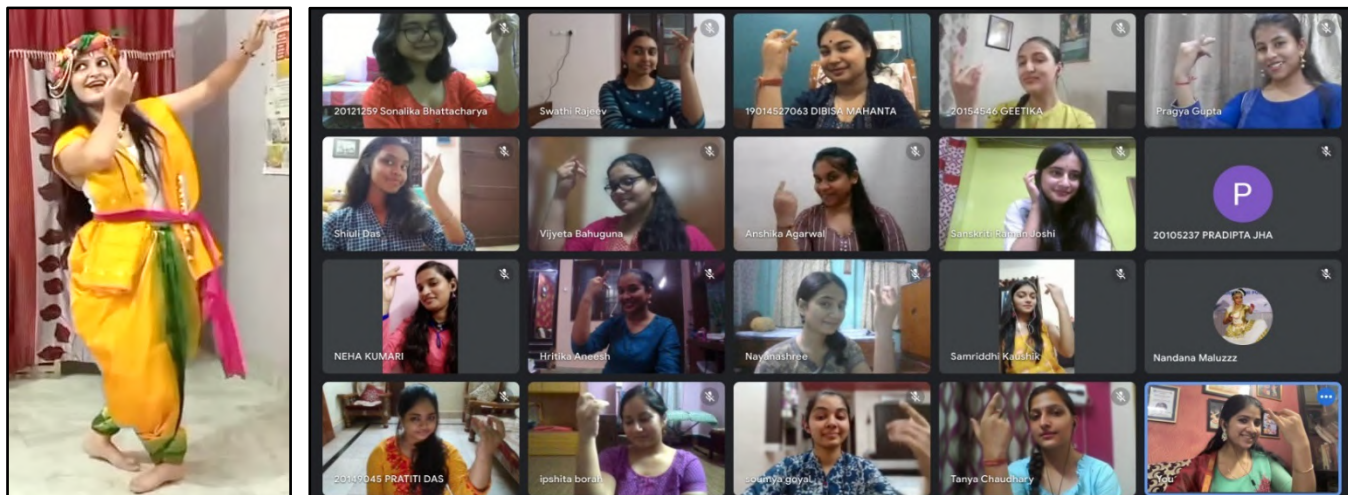

Annhad also prepared dance performances on the songs of the first female superstar of Hindi Cinema, Sridevi on her 58th Birth anniversary. The songs were “Navrai Majhi”, “Meri Bindiya”, “Hawa Hawai”.

On the occasion of 75th Independence day, all the dancers of Annhad unitedly prepared a dance performance on the song “Jai Hind” and did not let the pandemic deter the spirit of Independence day. Janmastami celebrations were marked by beautiful dance pieces enacting the various stories of Krishna. In the divine ten days of Durga Puja, Annhad introduced everyone to the ten weapons of Goddess Durga and their significance through hand gestures and mudras. These were Trisula, Lotus, Sudarshan Chakra, Shankh, Snake, Khanda, Vajra, Dhanush and Teer, Parashu and Bharji.

An orientation session was organized for the newly admitted first year students to get an idea of the working and advantages of being a part of the society. The videos of some previous performances were shown in order to encourage the new joiners to explore the society further. Furthermore, the questions and doubts regarding the selection procedure and the requirements to be a part of the society were taken up and explained.

The selection for the new members of Annhad was conducted on 5th January 2021 by collecting a 2mins video of their dance piece with a 30sec introduction of themselves. The acceptable dance forms for the audition were Indian Classical, Semi classical, Folk, Bollywood. Any western dance form was strictly prohibited. 18 first year students, specializing in different classical and folk dance forms, were selected to be part of the society.

## NATIONAL CADET CORPS (NCC)

**Convenor: Lt. Dr Suparna Jain Thakur**

**"Freedom in the mind, faith in the words, pride in our souls."**

National Cadets Corps at DRC offers disciplined adventure to its cadets. Year 2021 for our NCC cadets began with setting up of an online COVID helpdesk during the second wave of the pandemic. The cadets relentlessly helped the patients to find valid sources of oxygen cylinders and provided updates about availability of hospital beds. Later on 26<sup>th</sup> July, 2021 Kargil Vijay Diwas was celebrated with an enriching talk on 'Kargil – A remembrance' by Col. Karnail Singh, Deputy Commandant and Chief Instructor (DCI) at the NCC Officers Training Academy, Gwalior. Various inter-college and inter-coy competitions were organised as part of Azaadi ka Amrut Mahotsav to honour the grit, determination, valour, and brotherhood of our courageous hearts.

On the 75th anniversary of our nation's independence, NCC DRC hosted a series of competitions and a webinar on 'Importance of National Integration on Nation Building' by Rear Admiral Alok Bhatnagar, former Additional Director General of HQ NCC and recipient of the US president's "Legion of Merit" award.

On 26<sup>th</sup> August, 2021 our cadets who believe in making the world a better place for the voiceless celebrated International Dog Day by feeding approximately 100 dogs at north campus area. They displayed the importance of being kind and sympathetic to the needs of these innocent creatures and pledged to continue to be so in the future.

On 28<sup>th</sup> October, 2021 a community awareness drive on "Ills of single use plastic," was organised at our adopted village - Sangam Vihar. The cadets presented a Nukkad Natak and an hour long rally which was witnessed by audience of all age groups.

In December, 2021 we welcomed our first year cadets. 400 prospective cadets among first year students went through a rigorous selection process, out of which 59 cadets were selected to become

a part of NCC at DRC. An orientation programme of the selected cadets was held on 16th January, 2022.

Every year we celebrate our Republic Day on 26 January with immense pride and fervor to honour the date on which our Constitution, "Bharatiya Samvidhan" came into effect. The theme for the Republic Day Parade of 2022 was India @75' to commemorate 75 years of India's Independence. This year 9 of our cadets participated in PM rally and 1 of our cadet participated in prestigious Republic Day Camp.

'Digital evolution must no longer be offered to a customer in a trade-off between privacy and security.' And to educate on the same, DRC NCC conducted a webinar on January 28, 2022 on "Data Protection and Protection from Online Fraud" on the occasion of "Data Protection Day" by the Central District Legal Services Authority (CDLSA), Rouse Avenue Courts Complex. The webinar was conducted under the guidance of esteemed Advocate Jaideep Tandan (LLB, MBA (NMIMS-Mumbai), CAT (ACCA)). The session certainly enriched everyone because, in this modern world, one cannot detach oneself from technology. Privacy is not for sale; it's a valuable asset.

Along with enthusiastically participating in these events, our cadets have participated in number of national camps throughout the year. They have also received prestigious awards.

## NATIONAL SERVICE SCHEME (NSS)

**Convenor: Dr Rita Rani**

Meager Means yet Courageous Dreams!!

The NSS unit of Daulat Ram College renders highly committed service in the development of self in society. It aims at the involvement of undergraduate students on a voluntary basis in various activities of social service and national development to make this world a better place. It also provides opportunities to actively engage young minds to the issues of national importance and teach them the spirit of giving is what we should value the most. The unit believes that “the unselfish effort to bring cheer to others will be the beginning of a happier life for ourselves.” The unit feels honoured and privileged for having the constant support of our respected principal madam, Dr Savita Roy and former convenor, Dr Rita Rani.

## Events and Activities

In May, the National Service Scheme unit of Daulat Ram College collaborated with other **NSS units of Delhi University** and came up with an **Anti-COVID Task Force**. The Task Force remained functional from **8th-11th May 2021** with the aim to stand united in the face of unprecedented times. Later, a team of **167 dedicated volunteers** at NSS DRC started working towards the noble cause of saving lives under the '**COVID Help Desk**' initiative by NSS DRC from **17th May-20th June 2021**. A significant amount of progress was made and as a result, multiple lives were saved.

In June, The unit organised an informative **Q&A session** in collaboration with Dr Chandrakant Lahariya, under the **Young Warrior Initiative** by UNICEF India. The event was conducted as an Instagram live on the Topic '**COVID-19 Vaccine Awareness**' on 2nd June 2021. The unit organised a **Plantation Drive** on account of World Environment Day on **5th June 2021**, A **10-Day Beginner Yoga Workshop** in collaboration with **Bharatiya Yoga Sansthan** on the account of **International Yoga Day** celebrations from **11th-20th June 2021**, with a closing ceremony on **21st June 2021** and an **Instagram Live** session on the topic '**Negative Effects of Victimisation of LGBT Adolescents**' in observance of **Pride Month 2021**, in collaboration with **Sridhar Rangayan**, an Indian filmmaker.

In July, the NSS unit launched **Project Avni**, a sustainability initiative to spread awareness about alternative and eco-friendly ways of living. **Paper Bag Making Activity** on account of **World Paper Bag Day** was organised by the unit under its sustainability initiative **Project Avni**, on **11th-12th July 2021**. The volunteers were given a detailed guide for making paper bags through a step-by-step instructions video stating precise measurements and procedures. A total of **1485 bags** were made with the efforts of **314 volunteers**, which were distributed to nearby vendors and shopkeepers. This helped to spread the message of sustainable living among the masses.

In August, a **Panel Discussion** on the occasion of **Independence Day** as a part of its celebration of 75 years of India's Independence- **Azaadi ka Amrut Mahotsav** on 14th August 2021 was organised. The theme for the Panel Discussion was '**Women of India in the 75th year of Independence**'. The panel of speakers consisted of some very esteemed, dynamic and multi-talented women who have carved their niche to become respected and renowned in their respective professional fields.

The unit organised an activity titled, '**Feed A Stray**' under its hunger alleviation initiative, **Project Itminaan: Bread for Every Breath**. The activity was held on the account of **International Dog Day** and it took place on **26th August 2021**. It saw the enthusiastic participation of NSS DRC volunteers as well as other students who stepped up to extend a hand of compassion to stray dogs in their locality.

In September, NSS DRC organised a **Stationery Donation Drive** on the account of **International Literacy Day**. The activity took place on **7th-8th September 2021** and saw the enthusiastic participation of the volunteers as well as other students who made an effort to bridge the gap between education and the less privileged. They visited nearby slums and orphanages to donate various stationery items. Through the collective efforts of **250 volunteers**, a significant tally of **1320 people** were helped, with over **5000 items** donated. The unit conducted a **Plantation Drive** on the occasion of **International Day for the Preservation of the Ozone**

**Layer** under **Project Avni** to take a small step towards protecting the ozone layer. It was held from **15th September to 16th September 2021**. Students from various cities and states volunteered to plant saplings and through their collective efforts, the plantation drive spread to numerous cities. **778 saplings** were planted to improve oxygen levels in the air, helping in the conservation of the Ozone layer. A workshop in collaboration with **Sai Swayam Society** on **23rd September 2021**, to commemorate the **International Day of Sign Languages** was also organised. The speaker of the day was **Ms Meera Chetan Bhatia**, Founder and CEO of **Sai Swayam Society**, who was accompanied by **Ms Srishti** and **Ms Tanu**, expert trainers of the Indian Sign Language (ISL).

To commemorate the **52nd NSS Day**, the unit organised a **Pen Pal Activity** from **23rd September 2021 to 24th September 2021**. The NSS Day is celebrated each year to commemorate the inception of the National Service Scheme, which took place on **24th September 1969** to mark the birth centenary year of Mahatma Gandhi. Volunteers participated by penning down their kind words and posting them to the elderly in old age homes or in their families.

The unit, under the initiative of the **Fit India Movement**, organised a webinar titled, '**A 360° Guide to Women's Health**' in collaboration with **Ms Mitushi Ajmera** on **30 September 2021**. **94 volunteers** attended the webinar.

In October, **Upcycle Your Clothes: Tote Bag Making Activity** was organised on account of **World Cotton Day** under our sustainability initiative, **Project Avni**. The activity aimed at raising awareness about the harmful impacts of plastic bags, and encouraging people to use sustainable alternatives like cloth bags instead. A webinar in collaboration with **Mr Dola Mohapatra**, the Executive Director of **Rise Against Hunger India** and the Co-Founder of **WorkMatterz** was conducted on 17th October 2021. The event was organised in light of **World Food Day**. An activity titled '**Reusing Waste to Make Art**' was conducted from **20th to 21st October 2021**. The activity was organised as a part of the **Clean India Initiative**. An initiative by the Government of India, the programme is aimed at creating awareness, mobilisation of people and ensuring the involvement of individuals in the Clean India initiative. The aim of the activity was to reduce the concentration of Single-use plastic (SUP) in the environment in a creative way. The unit organised its annual Diwali Mela, Jalsa 2021 from **25th to 29th October 2021**. Jalsa 2021 was the second virtual edition of the annual Diwali celebration, on the theme **Barkat-e-Zindagi** which pertained to the need to cherish our blessings and celebrate by giving back to the less privileged. Keeping this theme in mind, the tagline for this year was '**Unravel the Humanity in You**'. All funds collected from the event were donated to an Orphanage in Delhi.

In November, The unit organised a **Pledge Taking Ceremony** on **1st November 2021**. The event was conducted on account of **Rashtriya Ekta Diwas or National Unity Day**, which is celebrated every year on 31st October to commemorate the birth anniversary of Sardar Vallabhbhai Patel, the First Deputy Prime Minister of independent India. A **Monologue Competition** under **Aazadi ka Amrut Mahotsav** on **14th November 2021** was organised to commemorate the Birth Anniversary of Pandit Jawaharlal Nehru and **Children's Day**. Volunteers of NSS DRC participated in the competition and gave their best shot at creating video monologues on the topic '**India Today Through Nehru's Eyes**'. An activity called **Make Your Own Toy** was organised on **18th**

**November 2021** under the flagship of **Project Avni**. The activity encouraged people to recycle old, discarded materials and promote upcycling. Volunteers demonstrated their creativity by reusing old socks to make stuffed toys, which also proved to be great gifting options. An invigorating webinar on **25th November 2021** was conducted, in light of **International Day for the Elimination of Violence Against Women**.

In December, NSS DRC organised a **Shelter for Strays Drive**, from **11th December 2021** to **13th December 2021**. The activity witnessed the enthusiastic participation of volunteers, who stepped forward to spread kindness in their vicinity. They placed **58 make-shift beds** for stray animals to sleep in and comfortably survive the winter season.

In January, The unit celebrated Subhash Chandra Bose's 125th Birth Anniversary, also known as **Parakram Diwas**, with great enthusiasm on **23rd January 2022**. The unit conducted a webinar on **24th January 2022** to commemorate the day under **Azadi ka Amrit Mahotsav**. **66 volunteers** attended the webinar. The speaker of the day was Dr Bhuvan Lall, the author of the bestselling biography 'The Man India Missed The Most: Subhash Chandra Bose'. He enlightened the volunteers about the significant role played by Netaji in the Freedom struggle of India.

In February, The National Service Scheme unit of Daulat Ram College observed **World Cancer Day** on **4th February 2022**. To do our part in spreading awareness about the disease, NSS DRC organised a webinar in collaboration with **Dharamshila Cancer Foundation and Research Centre** on the topic '**Breast Cancer and cervix Cancer**'. Volunteers attended the webinar. **Prof. (Dr) Ramesh Dawar**, Vice President of Dharamshila Cancer Foundation and Research Centre and **Dr Pragya Singh**, Senior Manager - Projects at Dharamshila Narayana Superspeciality Hospital, were the speakers for the event.

The NSS unit conducted a plantation drive under a newly launched initiative "**Plant for Tomorrow**". Plant for Tomorrow is a monthly plantation drive under the umbrella of NSS DRC's Project Avni and aims to send the message that planting a tree is just the beginning, one has to care for the sapling so genuine environmental benefits can be achieved. The launch of Plant for Tomorrow was a glowing success for it was able to go beyond a normal plantation drive - the saplings weren't forgotten after being planted, they received the utmost level of love and care. A webinar on the topic '**Sustainable Menstruation and Use of Menstrual Cups**', in collaboration with the **Sirona Hygiene Foundation** was organised on **11th February 2022**.

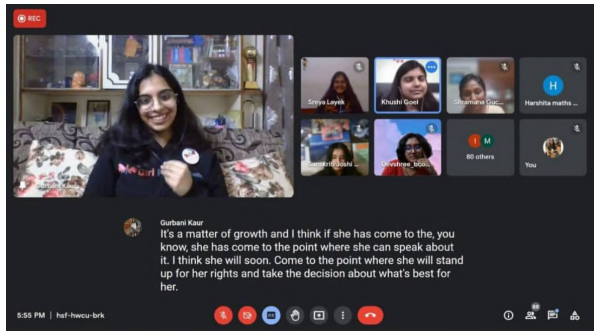

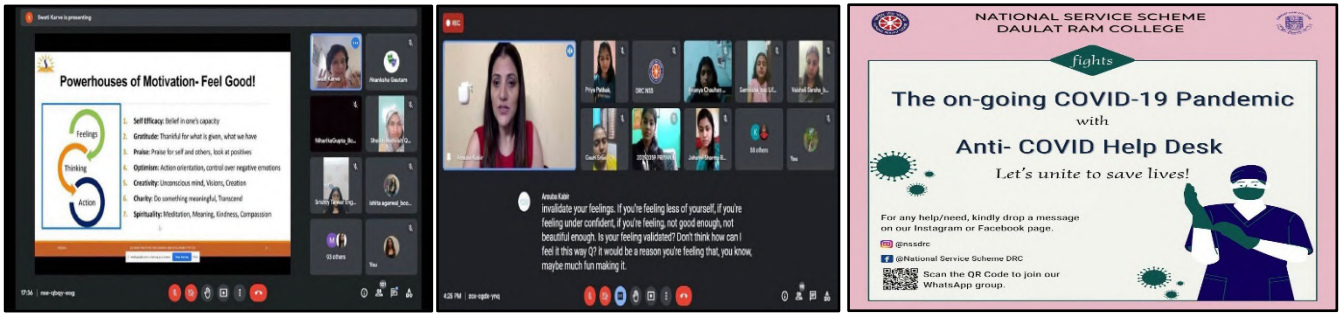

Observing the **World Day of Social Justice** on **20th February 2022**, the unit organised a Symposium on the topic '**Importance of Social Justice Consciousness Among the Youth**'. The National Service Scheme unit's initiative, **Volunteers on Campus**, starting from **25th February 2022** was launched to ensure that COVID-19 safety guidelines are adhered to as the college opened for offline classes. The unit also pasted informative posters around the college, encouraging students to follow COVID-19 safety guidelines. As its first completely offline event of the session, the unit organised a seminar on '**The Future of Women in STEM**' on **28th February 2022**. The event was conducted to commemorate **National Science Day**, which is celebrated to motivate young students to pursue careers in science.

# NATIONAL SPORTS ORGANIZATION (NSO)

**Convenor: Dr Kavita Sharma**

*“Sports is a metaphor for overcoming obstacles and achieving against great odds. Athletes, in times of difficulty, can be important role models.”*

There is a belief that successful sportsmen and sportswomen can act as powerful role models for players and students. In Daulat Ram College, Sports Environment has always provided students with various opportunities to excel in life and professional career.

Daulat Ram College sports teams have won several laurels. Asha Agarwal, Anju Jain, and Balesh Kumari achieved Arjun Award for excellence in their respective sport. Our students are currently working as Assistant/Associate/ Professor at Delhi University and Physical Education Teachers in Delhi Administration and various other public Schools.

Currently, our students secured 1st Position in International Tournaments. Some of them are:

- Nasreen and Praveen Nisha represented India (International Kho-Kho Championship held in London, 2018).
- Nasreen, Pooja Rexwal, Mahima Sharma, Monika, and Kareena Choudhary represented India (South Asian Games held in Nepal, 2019).

Through sports and physical training, the students learn mutual understanding with the spirit of sportsmanship, solidarity, and fair play. The Department of Physical Education and Sports Sciences of Daulat Ram College provided equal opportunity to the students to enhance their skills that is;

- To promote mass participation in physical education activities.
- To develop and promote programs of physical education in Educational Institutions.
- To provide instructions and training in such branches viz. health & fitness, wellness, yoga and indigenous activities of learning as it may deem fit.

Unfortunately, Due to Covid-19, various championships like the inter-college etc., were not organized by the University, so we motivated the students through online sessions organized by The Department of Physical Education and Sports Sciences and the National Sports Organisation (NSO) under the Convenorship of Dr Kavita Sharma and the members of Organising Committee Dr Kaushambi Tyagi and Dr Azad Singh.

National Sports Organization (NSO) had organized six online lecture series for the students ie,

- The first online session was “Sports for All” delivered by Dr Kavita Sharma, Associate Professor, Daulat Ram College, Delhi University on 29 September/2021.
- The second online session was “Physical Activity: A way towards Life” delivered by Dr Shweta Suri, Associate Professor, Kamla Nehru College, Delhi University on 06 October/2021.
- The third online session was “Lifestyle Issues in Young Adults” delivered by Dr Kavita Sharma for NSO students on 20 October/2021.

- The fourth online session was “Stress Relaxation through Yoga” delivered by Dr Sunita Arora, Associate Professor, Laxmi Bai College, Delhi University on 27 October/2021.
- The Fifth online session was “Sports is the mother of Leadership” delivered by Dr Seema Singh, Associate Professor, Indraprastha College for women, Delhi University on 3 November/2021.
- The sixth online session was “Motivation is The Key To Success” delivered by Dr Amita Rana, Associate Professor, Miranda House, Delhi University on 10 November, 2021.

The Department of Physical Education and Sports Sciences focuses on the academics of the students (practicals and theory). There are various subjects taught under the Dept. like yoga and Stress Management, Sports Psychology, Physical Fitness and wellness, Introduction to Physical Education, Sports For all, Posture & Athletic Care, Gym Operations, etc.

The history of Daulat Ram College shows the participation of players who have represented India in different International Sports Tournament such as : Sheetal, Diksha, and Gauri (World University Badminton Championship), Anu Pishoria (Lawn Tennis, Wimbledon), Balesh Kumari (World Shooting Championship), Vinesh Kumari (Kabbadi Asian Championship held at Bangkok), Asha Jaggi (Test match Kabaddi Tournament), Pramod Kumari (Asian Kabaddi Championship held at Singapore and Asiad Rugby Championship held at India), Nisha (Asian Kabaddi Championship held at Malaysia).

We want to thank the Principal, Prof. Savita Roy, for her constant guidance and support in conducting these activities, and we are grateful for her continuous cooperation.

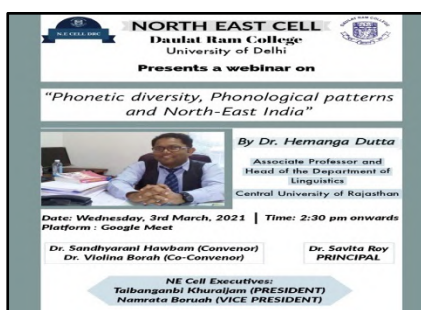

## NORTH EAST CELL - PURVASHA

**Convenor: Dr Violina Borah**

The North East Cell of Daulat Ram College was established in 2014 under the direction of Ministry of Human Development (MHRD) and University of Delhi with an effort to bridge the gap between the people of North East and other parts of the country. The Cell organizes every year various events such as seminar, conference, panel discussion, fest etc with an aim to enhance their academic skills as well as co-curricular experiences and help them explore more opportunities. This academic year we began with a lecture by Dr Hemanga Dutta titled -Phonetic Diversity, Phonological patterns and North East India on 3<sup>rd</sup> March 2021. Owing to the Pandemic and a longer admission period, gathering of the students was not

possible. However, we have tried to keep the Cell active through meetings online. We organised an Inter-college Logo making competition on 10th-28th September. Owing to the racial discrimination of a student in another college, the North East

Cells of various colleges came together to issue a statement on 24<sup>th</sup> November. The election was conducted after the first year admission was completed. The enthusiasm of students to work for the Cell is noteworthy. The Freshers Orientation program was conducted on January 27 where the students came up with fun activities like quizzes on North East to choose various winners amongst the Freshers. Moreover, this session we are planning to bring out the first newsletter/magazine from the North East Cell, for which the students are working tirelessly.

## PLACEMENT CELL - VRIDDHI

**Convenor: Kalpana Vaish**

**Vriddhi, The Placement Cell, Daulat Ram College** strives to accelerate the career of the students by bringing many reputed companies for internships and placement drives. ## POETRY SOCIETY – IMAGISM

**Convenor: Dr Anita Minz**

Imagism is a poetry society that encourages college students to weave the threads of language to make poetry. It celebrates the emotions, memories and experiences behind those lines and keeps the poetic lamp within its young poets burning. This society holds no reservation when talent expresses itself in its most familiar quill by welcoming pieces of work written in Hindi, English and regional languages.

### Events:

#### Kavi Sammelan

On the 14th of September, Imagism held Kavi Sammelan on the day of Hindi Diwas to celebrate the beauty of Hindi. A language that has been used in our daily lives garnered a whole new different avatar in the hands of our poets. The melody of Hindi resonated with each one of us and left memories this society will cherish for a long time.

#### Prompt Activity: Nirvana

We as a society strongly believe in causes such as mental health and understand the need for awareness. We did our bit by organising a writing session on Mental health day i.e. 10th of October. The topic of this session was Nirvana, a Buddhist concept that relates to a state of peace and happiness. Our poets through their works let us deep into their lives and painted a vivid picture of joy and happiness that we couldn't help but feel warmth welling up inside us.

#### Writing activity: An Encounter with the Past

On the 23rd of October 2021, recounted as one of the most memorable events by our members, Imagism held a session on the topic of an encounter with the past.

This session was a series of pondering on the difference in the world when you are a child and an adult. The childhood stories that were sealed under those old dusted photo albums saw the light and we glimpsed at some of the happiest moments of our poets through their poetry.

### Welcoming Session: Solace

On the 13th of January, Imagism held its welcoming session in the most Imagism way, that is poetry recitation. The topic was Solace and our freshers did not hesitate to take out their pens and mould it in the shapes of embracing arms of a caring mother, stillness of the night and the warmth of blankets on a cold rainy day.

### Steller'22

On 22nd January, Imagism held "Steller'22" in collaboration with tape a tale where storytellers could get a platform to display their art. The day went by listening to these absorbing stories that came from life and from the depths of creativity held in abundance in each and every participant.

### Winner

Name	Year	Department	Prize	Level
Swati	II	B.Sc life sciences	1 <sup>st</sup>	Intra college

### AZAADI KA AMRIT

On 24th January, Imagism, in collaboration with ECA, the facilitating society of Daulat Ram College organised Azaadi ka Amrit, a slam poetry event. The theme of the event was an amalgamation of lives.

A casket of expressions was instrumented into visual, verbal and written forms which came together as a multiplier of homage and gratitude for the country. The profundity and affection of the day were further highlighted through the feedback of the judges and the poignant poem recited by the president of our society.

It is this sense of reciprocity then, that made 24th January not only a story of the past but also an occasion that predicts a certain imaginable future.

### Winners of Azadi ka Amrit:

Name	Year	College	Prize	Level
Iram Fatima	II	Daulat Ram College	1 <sup>st</sup>	Inter college
Sneha Sharma	II	Daulat Ram College	2 <sup>nd</sup>	Inter college
Ananya Shukla	—	IP college for women	3 <sup>rd</sup>	Inter college

### Skill Enhancement Workshop (SEW)

On the 29th of January, in collaboration with Affine, Department of Mathematics of Daulat Ram College, Imagism held a skill enhancement workshop on poetry.

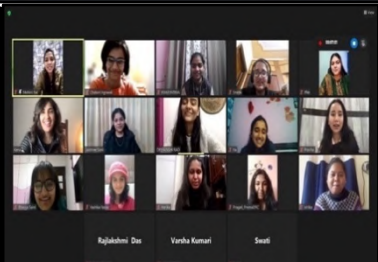

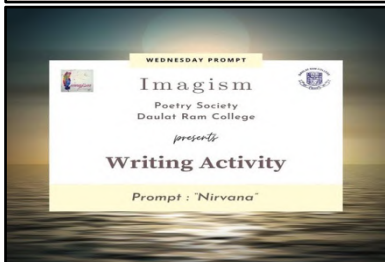

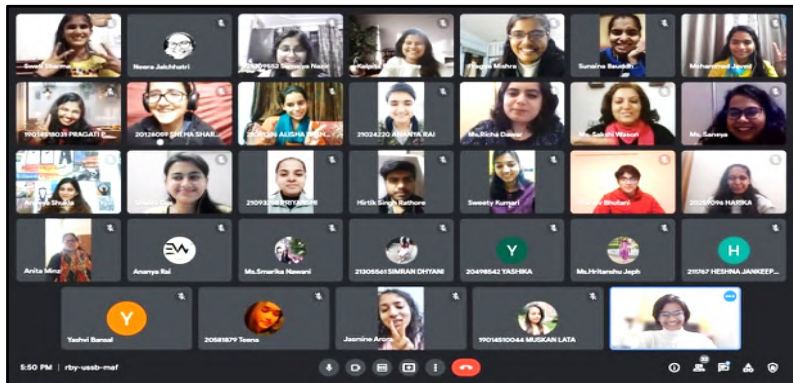

It was an initiative to lay out basic knowledge of poetry and different types of poetry and along with writing activities such as word prompts and picture prompts making them make their first poetry with us.

**Raag-e-sukhan 4.0: The annual social fest of Imagism**

Raag-e-sukhan has always been the joy of our society. It reignites the competitive spirit in our poets as we buckle up for competitions and sessions with poets from various corners of this country. This year, Raag-e-sukhan is going to be held in the month of March with dates yet to be announced.

**Teacher members:** Ms. Binusha Joycell, Ms. Saneya, Mrs. Mansi Kanojia and Dr Shweta Satyam

**Office bearers:** Pragati Prerna (President), Sneha Sharma (Vice President), Chakori Agrawal (Marketing Head), Yashika (Sponsorship Head), Jasmine Arora (Creative Head), Swati (Hindi Co-editor), Abhivyakti Mishra (English Co-editor), Praba Rai (General Secretary), Sumaiya Nazir (Cultural Secretary), Kalpita Ratnashree (Joint Secretary) and Muskan Lata (Treasurer)

# QUIZ SOCIETY - TAJAGNA

**Convenor: Dr Kshitija Wason**

**Tajagna**, is The Quiz Society of Daulat Ram College, a word arising from the Sanskrit word for **Brilliance**, the main objective of the Society is to empower students with the power of knowledge, over and above the academic pursuits of the college so that may emerge as multifaceted individuals, aware and sensitive to the happenings around them.

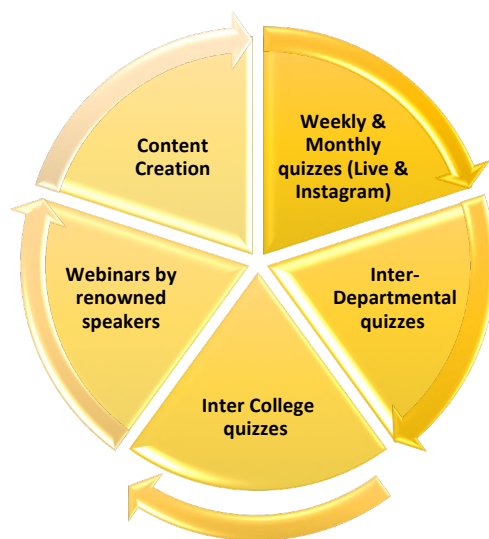

Widespread Online Exposure	Student Participation	Inter Campus Connect	Designing Newswraps	Weekly and Event Based Quizzes
Active Participation and Engagement of Members through digital platforms like Instagram and Facebook.	In Quizzes Across University of Delhi as well as of other Institutes/Universities.	Organised Inter College Quiz Competitions at various times of the year either independently or in collaboration with other societies, cells and departments of Daulat Ram College like, Gandhi Study Circle, Science Week etc.	Compiling and Presenting Information to Members through Social Media of events of National and International significance, sports, finance, banking, current issues etc.	Running Quizzes on Contemporary Issues and Updation is a continuous Process of the Society.

The year 2021 -22 saw the Society grow in number doubly and perform its activities seamlessly even through the digital realm. A structured society with a President, Vice-President and a Treasurer as Union members, the students have organised themselves into distinct Management, Quiz Master, Research, Digital, Marketing as well as Social Media Wings each headed by a team of two, elections to which were done by Society members themselves. The activities through the past year have been student driven; be they the Social Media weekly factoids, or Quizzes run on Gmeet /Zoom portals live, for the Society/College as well as Inter College Levels. Confidence and Personality development through **presenting, creating and running** these Quizzes has been the Forte for the Tajagna team who compile, curate and present these for the Society as well as on notable Calendar Days. A diagrammatic representation of the various levels of activity that the students have been engaged in the past year.

### Activities of the Society

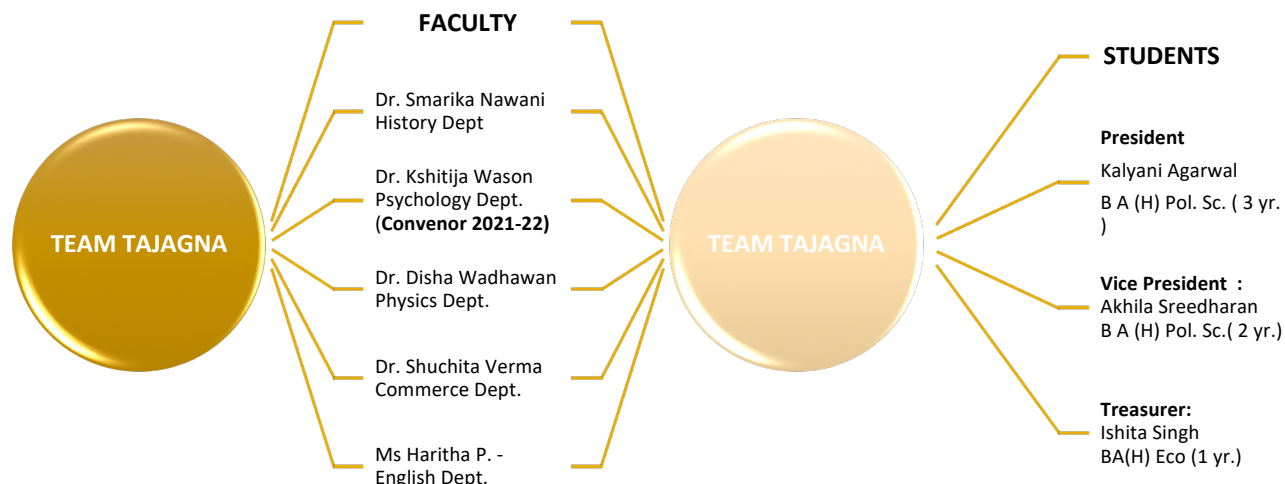

Topics of Quizzes for the Society have ranged from political happenings, Indian Heritage both cultural and scientific, to topics of Contemporary import. The students actively **constructed, presented** as well as **participated** in Quizzes both Internally as a Society across different topics, as well as externally across the digital realm in varying Intercollege and National Level Quizzes. Talks from various speakers on relevant contemporary issues of **Elderly Care** as well as **Design Thinking** in the Digital World were also held followed by Quizzes by the Society Members with eminent speakers from outside. Notable being a Quiz conducted to Increase awareness and advocacy for

Geriatric Care Issues by Prof Anindo Bhattacharjee, from Narsee Monjee Institute of Management, Mumbai, a TED X Speaker and Co PI on ICMR-FORTE (Indo-Swedish) Ageing Care Project. A talk imperative in the light of the UN aim for **digital equity for all** and slogan of **‘Leave no one Behind’**. The immediacy and relevance of the Digital was highlighted through another invited talk and Quiz by the Society on the various aspects of **Digital and Design Thinking** in Communication through social media, that as end user’s students may be unaware of. The talk by Prof. Shilpi Jain, (Professor, Area Chair of IT & Big Data Analytics, BDA) at FORE School of Management, New Delhi was followed by a Quiz to gauge awareness levels and enhance learning. Collaborative Quizzes with other Societies like the **Gandhi Study Circle**, and Departmental Associations likes **Koshika** (Zoological Society), **Chemphoria** (Chemistry Society) on **‘Sci Tech’** were also conducted. To encapsulate the year’s trajectory, a focus on systems of research, compiling and articulating questions was developed and maintained along with following key focus and activity areas:

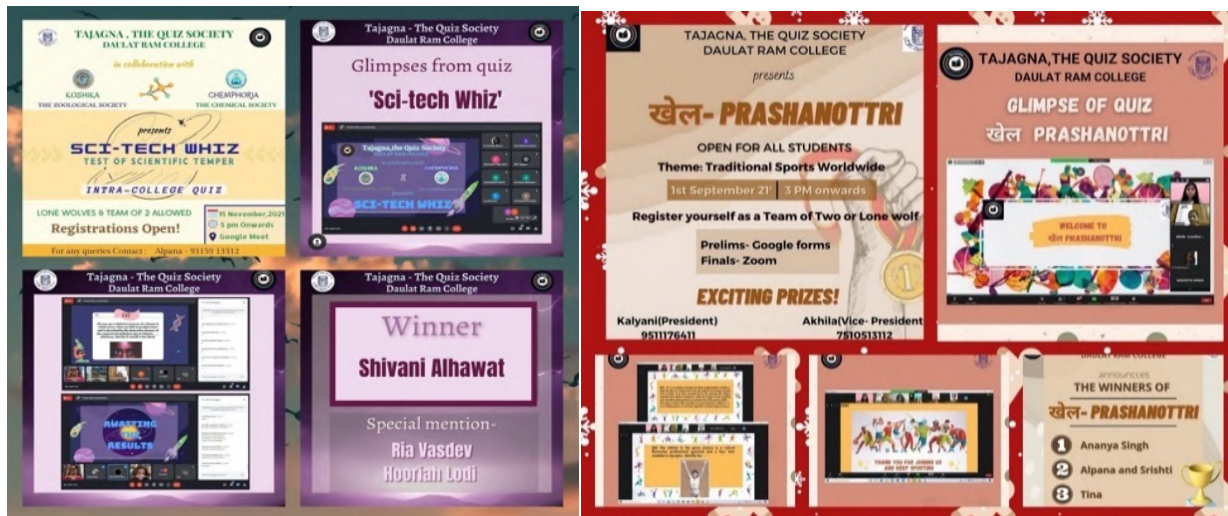

Quizzes were run on the Instagram handle of the Society, which saw active participation among followers of the Society both Internal and External, an act of collaboration between the *research, digital and the social media* teams. Tajagna and its activities are a collaborative act where students learn, present, and participate in the spirit of true **peer learning pedagogy**.

Below are the **Faculty Members** as well as **Student Heads** of the Society for the **Academic Year 2021-22**.

## RECYCLING UNIT

**Convenor: Dr Sarita Nanda**

College aims to become zero discharge campus. Thus it has set up a recycling unit on campus which houses a paper recycling machines and leave shredder machine. This machines help to make recycled paper and leave shredder machine helps to make manure. The functioning of recycling unit is improving day by day with manufacture of tons of manure which is used in house or sold outside, preparation ceramic pots with medicinal/antipollution plants, making of white and brown recycled paper, use of these papers for painting. Ceramic pots and paintings are being used as gifts for our guests in the college. Students can do their internship here and can earn NSS hours by participating in its functioning. Ever since its inception in 2016 this unit has been used to process shredded leaves into manure, recycle paper and cartons, provide potted plants for gifting and also provide folders, paintings, carry bags made from recycled paper. Students and Community workshops are held regularly. Two workers are getting employment in this unit. It is also providing study material for 2 Ph.D students who are enrolled with us. We have also added a soil testing machine to maintain the quality of the manure made. The details of activity are summarized below

### Vying Street - 2021

Our annual fest 'The Vying Street' was organised on 8th and 9th March 2021. We had 3 major events in Vying Street.

1. Berkshire - This was a business competition held in 2 rounds. Prelims consisted of a company quiz and a total of 8 teams were shortlisted. Round 2 was subdivided into 2 rounds and the first one was guessing through clues which were paid. The final round was about the bad press the companies faced. Winners were selected through a carefully constructed scoring system and the net worth of their company.
2. Discord - This was our major debating competition. A tagline was supposed to be selected and the interpretation was to be given in no more than 25 words. 30 candidates made it to the 2nd round, in which they were supposed to prepare a 90 seconds speech in a minute on a specific topic and then after it there was a traditional debating round that was all about marketing.
3. Marketing Trilogy - As the name suggests, this game was to test participants' knowledge of all the movies, series, and shows that you have binge-watched and you need to use all that information to prove to us how good your marketing skills are. The competition consisted of three rounds. The first round included questions and riddles about all your favourite movies and series, the test of your marketing skills started from the second round where based on clues we asked our participants to guess the brands, their social media accounts, and posts. The third and final round was to test your presentation skills. We asked our participants to pitch a brand product in front of us, that too in the style of some popular movie, web series actors that we allotted them. We received around 50+ responses from all the colleges in our first online event out of which 23 participants made it to the final round. We received a lot of appreciation for the execution and framing of your game and everyone's active participation was a cherry on the top.

**Alchemist**

Earlier we shared the 3 main skills every candidate must have for cracking CAT- Concept Clarity, Speed & Question Choice. Today we will focus on importance of SPEED skill and how it can be built?

**Why SPEED is important ?**

Speed is a very important skill that a candidate needs in order to beat the CAT Strategy having a good solving speed in the CAT exam gives an edge in a way that one can attempt more number of questions. And when this gets linked with skills like Concept Clarity + Question Choice, One can attempt more number of questions **easily** they don't need to go wrong as there is regular marking for wrong answers!

There are multiple approaches to improve Speed like: Shortcut Techniques, Method of Elimination, Sequencing of Questions etc. Let us learn how you can build Speed and continue to improve it!

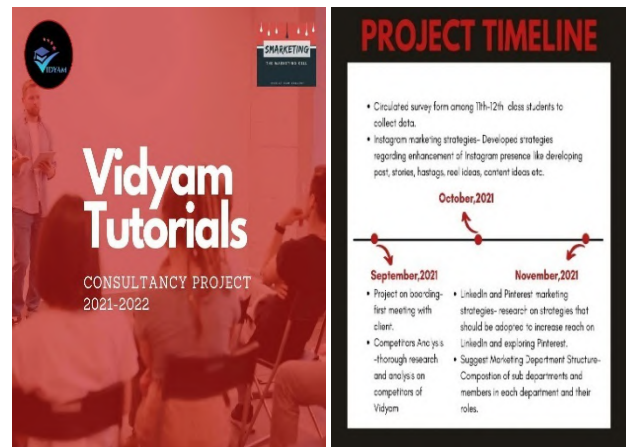

- Expert Guidance**  
Experts understand the pattern of the paper well and have a great repository of how to solve questions at a shorter time. With that experience they are able to share the best methods to solve particular type of questions. Ask them!
- Specialized Test**  
You must ensure that you have the right kind of focus and measure your skill. Like we have at Alchemist, Speed Test. These tests are specifically designed to test students on their Speed. Having gone through these tests multiple times builds the
- Monitoring Tool**  
Measuring your skill is extremely important as much as building it. Hence, you should have the right tools to monitor the progress on the Speed skill you are building. Alchemist Performance based indicators progress on Speed Skill for candidates on all the

## SPIC MACAY

**Convenor: Dr Neha Niharika**

**Spicmacay** or the society for the promotion of Indian classical music and culture among the youth is a nationwide movement founded by Dr Kiran Seth (Professor at IIT Delhi). The main intention is to encourage youth and increase awareness about different aspects of Indian Heritage. Daulat Ram college has its own chapter known as Spic Macay Daulat Ram Chapter. On 23<sup>rd</sup> February 2022,

Daulat Ram college had its orientation for the freshers of batch 2024 to give a glimpse of the working of the society and encourage them to work for the enhancement of their own culture. Virtual bouquet was presented to all the guests and the speakers of the session. This was followed by a beautiful video that was cast in front of the audience to give an insight into the actual meaning purpose of society. We had our speaker for the day, Mr. Arun Sahay (National Chairperson to Spic Macay) who enlightened all of us with his words. A video clip was played to introduce the audience to classical and folk dance. The next speaker was Mr. Jaywant Naidu who gave an insight on the activities and modules provided by the Spic Macay. Another speaker Karan sir explained about volunteering. At last Saraswati Ma'am explained the working of society. This year too Daulat Ram College will continue the classical legacy forward by organising Virasat under the aegis of Spic Macay.

### About SPIC MACAY

Voluntary Movement of the youth which seeks to conserve and promote an awareness of the rich and heterogeneous cultural tapestry amongst them.

The spirit of 'Nishkam Seva' (service without expectation of rewards, selfless service)

SPIC MACAY is an affirmation of all that is beautiful and uplifting in the sensitive, kind and gentle human being who is inspired and in turn inspires others.

# THEATRE SOCIETY: MEMESIS

**Convenor: Dr Sharda Gautam**

Theatre is an art form that creates a sphere where one can witness the real world and the unreal world at the same time. A world where we can reconnect to our souls. A world that is full of introspection and exploration. Memesis- The Theatre Society of Daulat Ram College has over the years, nurtured the core values of theatre through its Stage and Street Plays. The “Neele-kurte” has always been our discrete identity which has left its footprint on almost every nukkad of Delhi-NCR. The Society not only upholds the competitive spirit, but also seeks to create awareness through public performances as we believe that the true spirit of “Nukkad-Natak” is felt when we do it on actual streets.

Apart from this, Memesis hosts its **Annual Theatre Festival- Adakari**, bringing people from various theatre societies together who perform on the college campus.

## WORKSHOP

Team Memesis conducted an online workshop for students shortlisted for the final round of the selection procedure. In our workshop participants explored the world of drama through creativity, experimentation, teamwork and self discovery while understanding the basics of theatre.

### Day 1 Activity

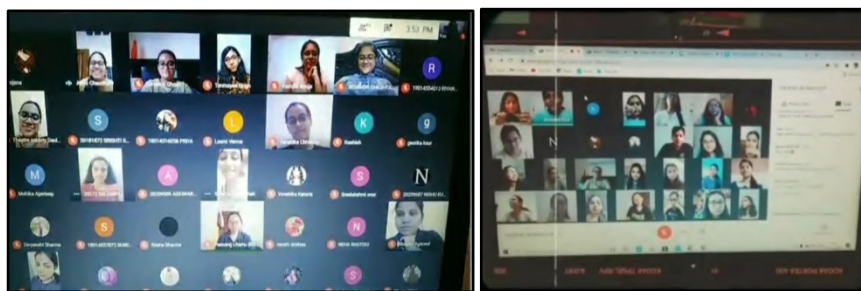

Name Story – In this icebreaker activity , participants were supposed to tell their name without speaking and through actions. Participants also shared the significance of the name, where the name comes from, or what particular meaning the name has for them. This activity focused on building community by having students share a name that has particular significance for them. The activity also gave a sense of the variety of cultures, identities, and histories that students from different states bring with them.

### Day 2 Activity

Relate yourself with an object – Object becomes symbolic when we give them context via plot, characters and themes. A simple prop can suddenly become significant and represent something beyond its literal meaning. This is what we learnt when different participants related themselves with different objects in their living rooms. Participants told their stories by relating themselves with objects such as books, pillows, pens etc.

### Day 3 Activity

Continue the story – This activity was a fun group activity in which participants were divided into different groups. The aim of this game was to create a complete story as a team. Going around in a circle each player had contributed one sentence to the story. The purpose of this activity was to motivate participants to work together, to develop their strengths, and to address any weaknesses.

### First Team Building Session(Stories by Sadat Hasan Manto)

After the selection procedure this was the first team-building activity conducted by Memesis.

Team members were supposed to read masterpieces written by Sadat Hasan Manto- One of the renowned Urdu fiction writers. In the session participants enacted various stories such as Thanda Gosht, Khol Do, Toba Tek Singh etc. in groups.

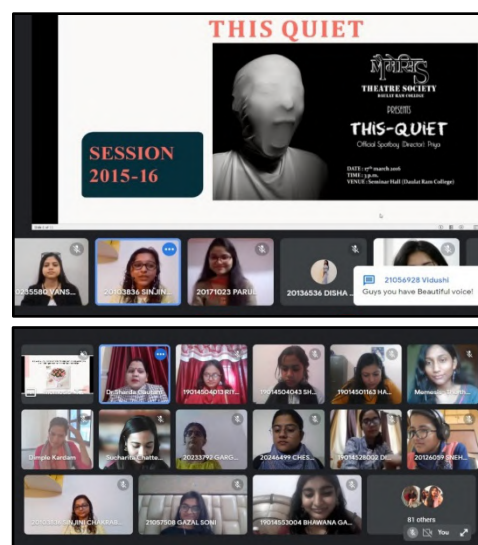

### Azadi ka Amrut Mahotsav ( Mahatma Gandhi Play)

Under the initiative of Azadi ka Amrut Mahotsav, Team Memesis performed a play to celebrate the 152nd birth anniversary of Mahatma Gandhi who taught Indians the values of truth and non-violence during the freedom movement.

The play depicted the teachings of Gandhiji and how he helped and motivated the struggling India.

### Orientation program

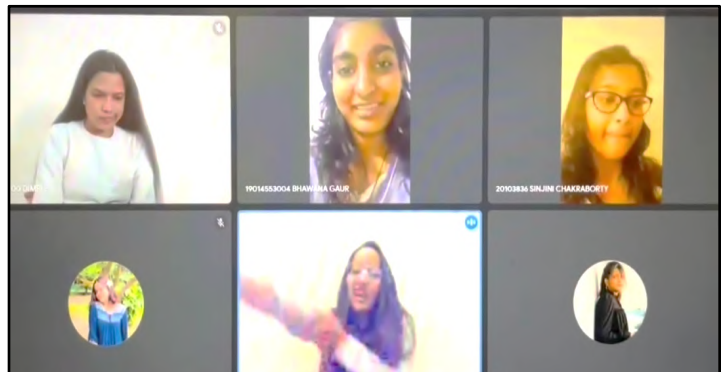

Orientation of any society marks the commencement of a new journey. To make this crucial event special for the aspiring artists, Memesis decided to leap a step further and both the enthralling experience of a live theatre right at the screen of the students. The orientation session was organized on 3 January 2022 and was joined by more than 150 students. The event began with a fun activity of rapid-fire, where few words were dropped and students had to write the first things that came to their head in association with that word. After this, members of the society decided to pick up various vibrant fictional characters and invested their heart and soul in bringing them to life for the students. From blissful Chaiwala chacha to sentimental Alexa, every single character possessed a sour-sweet memory of Memesis and its journey. A presentation was also displayed in this meet, which summarized all the previous years' productions by Memesis. Lastly, this insightful session opened the floor to all the students to drop in their queries and took its successful end.

### Interview sessions 2022

Considering the Covid protocols in mind, Memesis decided to keep the safety of their students under consideration and decided to conduct Auditions for the new session through online mode itself. For this, the registration forms were released on January 7, 2022, and a deadline was also provided. The form contained questions to analyze the creativity of students and the topics for a monologue to share their videos on.

Once qualified, the selected candidates were called for a Personal Interview Round, which commenced on 3 February. The interview was initiated by the existing members of the society, who presented numerous tasks and improv situations in front of these students. The interview round ended on 12 February and interaction between members and aspiring actors became a fine success.

1. "Biomania" 2020-21, Biochemistry Festival was organized on 13<sup>th</sup> Feb 2021.

Various intra-College events were organized by Biochemistry Association.

- Innovation Challenge: "Create a better future" was organized under the convenorship of Dr Padmshree Mudgal and Dr Leena Vig. Student teams were invited to submit write-ups proposing innovative ideas for solutions to different areas of sustainable development viz., Disease prevention & Health Care, Human potential Development, Resource Conservation, Business plan and Product development, Environment Protection, Waste utilisation and value addition. Five best teams were selected for presenting their ideas in front of invited judges. Shri Nimish Kapoor, Scientist-E, Vigyan Prasar and Mr. Ishteyaque Ahmad from Greenpeace organization were our esteemed judges for the student contest.

- Mr. Ishteyaque Ahmad from Greenpeace organization gave a talk on "Sustainable Agriculture".
- Mr. Nimish Kapoor, Scientist E, Vigyan Prasaar held an Interactive Session on Careers in Science: Various possibilities.

More than 100 students from different departments in the college participated in the competition.

1. Webinar talk by Chandrakant Laharia, epidemiologist, vaccinologist, public health, and policy expert and writer on: "Covid-19 Vaccines and Vaccination: Myths and Truths" was organized by Biochemistry Association on April 2021. Dr Leena Vig was the Convenor of the event.
2. E-Skill Development Program on Enhancing Learning Through ICT Tools was conducted for 1st year BSC. (Hons) Biochemistry students on 24-25 November 2021 by the Biochemistry Department. All teachers from the department contributed as resource persons. 52 students attended the SDP.
3. Inaugural lecture of Biochemistry Association 2021-22 session was delivered by Vikram S, CEO, Biokart India Pvt. Ltd on: "Introduction to Metagenomics sequencing and Analysis", on 13<sup>th</sup> October, 2021 in virtual mode. Dr Sarita Nanda and Dr Radhika were the Co-Convenors for the event. 65 students participated.
4. Biochemistry department created a YouTube channel: "Biochemistry beyond the class rooms" where Biochemistry practicals using materials available at home were designed and presented. In Covid times these practicals helped students understand basic concepts in Biochemistry. Students created 3 such videos under the guidance of Dr Padmshree Mudgal and Dr Leena Vig.

## **ALL INDIA SURVEY ON HIGHER EDUCATION (AISHE)**

**Nodal Officer: Dr Sunita Gupta**

To portray the status of higher education in the country, Ministry of Education has endeavoured to conduct an annual web-based All India Survey on Higher Education (AISHE) since 2010-11. The survey covers all the Institutions in the country engaged in imparting of higher education, hence, Daulat Ram College is also required to submit data every year on portal. Data is being collected on several parameters such as teachers, student enrolment, programmes, examination results, education finance, infrastructure, etc. It is useful in making informed policy decisions and research for development of education sector. This year, the scope of required information has been increased and also the format is changed, making it web DCF. Dr Sunita, Associate Professor, Department of Commerce is the nodal officer for the same. This year also, data of AISHE Survey year 2020-21 was collected and uploaded timely.

## **ECONOMICS - ÉCLAT**

**Association In Charge: Saachi Bhutani Bhagat**

Éclat is the Economics Society of Daulat Ram College and proudly holds its position as a prestigious society of the college. We impart knowledge to the students about economic aspects that they use in their day-to-day life but aren't aware of them. As part of its functioning, Éclat hosts various events that are revered across the circuit. Éclat is guided by the faculty of Economics. The convenor for the session 2022-23 is Ms. Saachi Bhutani Bhagat and the Teacher-in-charge is Ms. Pooja Sharma. Éclat's union consists of the President Vanshika Jaggi, the Vice President Urvashi Gupta, the General Secretary Samridhi Jain and the Treasurer Faguni Awasthi. The entire functioning of the society is undertaken by five committees; the Research and Content Team, the Finance Team, the Marketing Team, the Digital Team and the Operations Management Team. Additionally, keeping the pandemic in mind, all events were hosted online and were a major success.

**Mutasir- The annual youth conference**

Our Annual Youth Conference, Mutasir, has seen some amazing influential speakers come from various industries. They help in motivating the students to go further in the field of Economics and give them an insight into the future. This year we had an esteemed panel of distinguished speakers that included Mr. Ajay Narayan Jha, Prof. Lekha S. Chakraborty and Lord Meghnad Desai.

## Economania- The Annual Fest

Economania, the Annual Society Fest, has continued to be a hit. Fact-o-nomics (The Economics Quiz), Puchta Hai Éclat (Acting+Article), Ars Imperatoria, Meme Shastra, BingeHunt, Comedic Paribus (Stand-up Comedy) are some events that had participants extremely jubilant. The footfall was huge with students rolling in from various universities.

## DRC Model United Nations

Eclat also hosts DRC Model United Nations (MUN) annually to inculcate an environment of diplomacy, discussion and learning. With extremely talented and experienced Chairpersons and Vice Chairpersons to guide our delegates, the assemblies witness some great agendas being put forward.

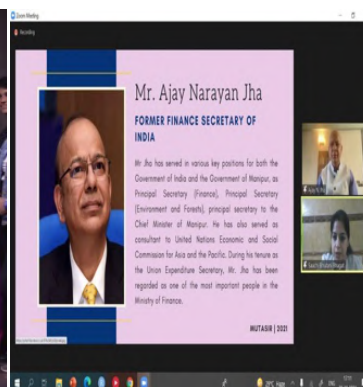

## Webinars and Workshops

Apart from all these spectacular events, Éclat also organizes workshops and seminars to guide students with their future. This year, we have successfully hosted two webinars for students, Tell a Data Story and A Summit for Investors and Wealth Creation.

## Optima: The annual magazine

The Annual Economic Outlook of Éclat, The Department of Economics, Daulat Ram College is a magazine which looks at the economic take of students on a diverse range of topics. It includes articles, puzzles, quizzes, interviews, book reviews, statistical data of different components of India's economy, and timelines of various historical measures taken.

## 180 DEGREES CONSULTING

### DEVELOPMENTS SINCE MARCH 2021

Founded in 2019, 180DC, DRC has an impeccable growth trajectory. In the ongoing session of 2021-22, despite the pandemic, we have reached several milestones.

Since March 2021, we have on-boarded 8 clients (NGOs, NPOs and Start-ups) for consulting projects on over 15 verticals; this also includes our first ever global project with a Canada based organisation.

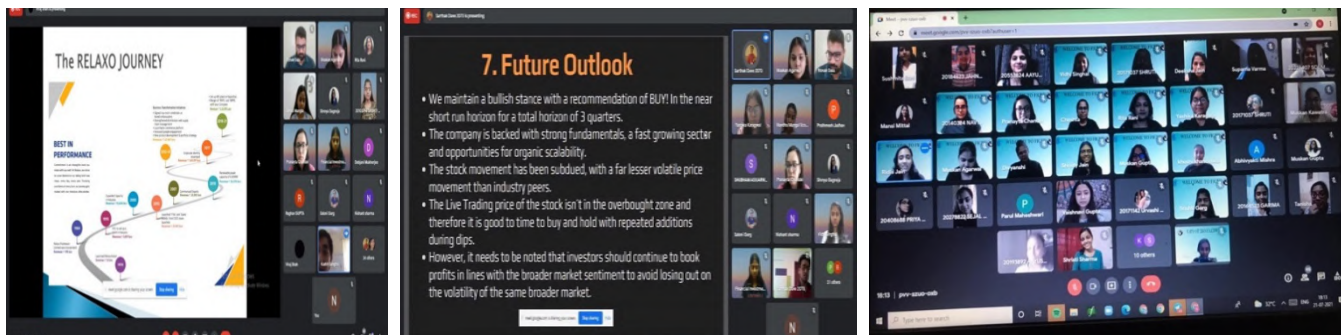

Moreover, we have conducted four internal training sessions and one workshop for our student-consultants. We have also organised two enthralling speaker sessions.

In addition, we have provided our team members with resources and free courses to explore the field of consulting.

To put in a line, we as a team, strive to learn along side creating a positive social impact. Adding to our pride, we are all set to host 180DC, DRC's Annual Flagship Summit Congruence, in the first week of March in the online mode.

### OUR VISION

To inculcate an inclusive, enthusiastic, and value-driven branch where the standards of service and transparency are set high. We aim to generate maximum value for our clients and thus contribute towards the collective endeavour of creating an impact on the society.

## GLOBAL ASSOCIATION OF ECONOMICS EDUCATION (GAEE )

GAEE is an academic-oriented, non-profit organization, providing a comprehensive platform to gain economics literacy through world-class learning and development opportunities. At GAEE, we aim to equip learners with the requisite knowledge and augment their inquisitiveness towards economics, finance, and entrepreneurship in developing countries as well as various marginalized communities. We pool the ideas of academicians and practitioners in different verticals to enrich the student community.

The GAEE DRC chapter is run by the union, including Prerna Mishra as the president, Soumya Goyal as the General Secretary, Jiya Adhikari as the Sponsorship and Outreach head, Bhavya Gupta as the technical head, Devika Nair, Lavanya Gupta and Abhivyakti as the vertical heads heading Finance, Entrepreneurship and Economics vertical respectively. As a chapter of GAEE, we conduct various activities for our members. Month of Microfinance, E-sports Industry Business Case Contest, Global Youth Policy Making Program, FORASIA and Webinar Week are few such events in which all GAEE chapters have participated enthusiastically.

We have conducted the following things in GAEE this year:

- Insightful meetings are conducted based on the agendas provided by GAEE India under the three core verticals Economics, Finance and Entrepreneurship. The agendas ranged from the circular economy, working of credit cards, care economy, mutual funds, stock markets, economic systems to unconventional startups and Global minimum corporate tax.
- GAEE DRC organized an online comprehensive workshop on the theme ‘Policy-making and Socio-economic Considerations in India’. The workshop was held in collaboration with Niti Tantra, a policy think-tank and took place on the 25th of January. With founder Ritwik Mehta at the helm of the event.
- A second webinar in collaboration with Indian Art Revolution on the topic ‘Blockchain and its Importance in Today’s World’ was conducted on the 4th of February. The webinar was conducted by Akash Madhavarm, the CEO and co-founder of the organization and an IIT Delhi graduate.

For the upcoming months GAAE plans to conduct various B-Plan, Quizzing and paper presentation competitions relating to the Economics, Finance and Entrepreneurship verticals. It also plans to conduct workshops on research paper and academic writing and other informative sessions.

## ENGLISH - LITERATI

**Association In Charge: Dr Deepshikha Mahanta Bortamuly**

**Co In Charge: Ms. Trisha Mitra**

The English Literary Association – Literati – had an exciting year 2021-22, with activities lined up one after the other for an academically gratifying experience throughout the year. The department has a Study Circle, which facilitates intra-departmental academic rigour. The inaugural session of the Study Circle 2021-22 was held on 11<sup>th</sup> August, 2021, with a focus on honing critical reading skills, which are essentially different from mere comprehension. The Resource Person, Dr Sayan

Chaudhari, who teaches at the Critical Writing program at the Young India Fellowship, Ashoka University hammered a set of tools and parameters to empower the critical reading and introspection capabilities of the students in a session rightly titled: **Why do Students Struggle to 'Read' in the English Classroom?** The session was coordinated by Ms. Sakshi Wason and convened by Dr Deepshikha Mahanta Bortamuly.

The next activity was specifically related to the Honours syllabus, connecting broader issues of entanglements of memory, storytelling and embodiment by studying subjects in crisis. Drawing on the cognitive theory of Andy Clark as well as recent research on memory and storytelling by Antonio Damasio and V. S. Ramachandran, the session offered a reading of *Mrs Dalloway* and *Heart of Darkness* as fictional representations of interrupted embodiment marked by memory-loss and staggered storytelling, which also extend onto broader masculinity and existential crises.

The talk was delivered by Dr Avishek Parui, who teaches English and Memory Studies at IIT Madras and is an Associate Fellow of the UK Higher Education Academy. The talk, titled: **"Memory, Storytelling and Interrupted Embodiment: Reading *Heart of Darkness* and *Mrs Dalloway*"** was held on 29<sup>th</sup> September, 2021 online and it received an overwhelming response from students, faculty members and research scholars from colleges and universities across the nation. This session was also coordinated by Ms. Sakshi Wason and convened by Dr Deepshikha Mahanta Bortamuly.

To make our students more research oriented, a talk by a former student and currently a research scholar Ms. Prakriti Das was organised by the department on 23<sup>rd</sup> October 2021. Prakriti explored various aspects of identity formation in African American Literature in her talk titled **"Bodies, Spaces and Representations: Interrogating Intersectional Identities in African American Literature"**. While Dr Deepshikha Mahanta Bortamuly was the Convenor of the talk, Dr Shivali Sharma coordinated it. It was followed by a lively and fruitful interaction.

As a part of DRC **SDP on ICT Tools for Learning**, an SDP was organised to ensure that every student learns the basics required to attend lectures and participate in Google Workspace activities and is able to engage with the teachers and classmates following appropriate rules of netiquette. At the departmental level, the SDP was coordinated by Dr Deepshikha Mahanta Bortamuly and the Resource Persons were Ms. Trisha Mitra and Ms. Richa Dawar. The students participated very actively and found it to be an extremely productive SDP for initiation into online teaching learning activities in the college.

A talk on Children's Literature was organised by the department on 10<sup>th</sup> November 2021. The speaker, Dr Tanu Shree Singh titled her talk **"Children's Literature: Beyond Didactic Teaching"**. As an author of engaging works like 'Darkless', 'Keep Calm' and 'Mommy On' and 'Mummy's Glasses', Dr Tanu Shree believes in the potentials that a child's imagination beholds and tries to polish them through her research and efforts to engage more budding minds in the dynamics of literature. Dr Violina Borah coordinated this talk, while Dr Deepshikha Mahanta Bortamuly was the Convenor. The students enjoyed the talk thoroughly.

There are several areas where English literature and Psychology intersect in terms of introspection, interpretations and research. One such area is gender with its various manifestations in terms of

society, social and individual psyche, culture and their embodiment in literature. With this realisation, an **Inter-departmental Skill Development Programme on Gender Studies** was organised by the departments of English and Psychology, convened jointly by Dr Deepshikha Mahanta Bortamuly and Lt. Dr Suparna Jain Thakur, co-convened by Prof. Rajni Sahni. A very inspiring Keynote Address was delivered by Dr Harinder Sandhu, Associate Professor, Mata Sundari College, University of Delhi. Talking about Women, Community and South Asian Literature in English, Dr Dolikajyoti Sharma from the Department of English, Gauhati University highlighted various aspects of the broad general topic in a comprehensive manner in her Invited Lecture. In addition to the two prominent Resource Persons from outside the college, the SDP had In House Resource Persons who channelised stimulating interactions on a variety of aspects under the broad general area. Prof. Rajni Sahni focused on “Gender Roles: Attitudes and Stereotypes”, Dr Deepshikha Mahanta Bortamuly highlighted on “Gendered Literature, Gendering Literature and Cultured Formulations”, Lt. Dr Suparna Jain Thakur on “Gender in the Psychological Context”, Ms Saneya on Gender Representations: Select Problematics in Popular Culture and Media, Dr Violina Borah on “Gender in the Social Context” and Dr Kshitija Wason focused on “Workplace and Gender Divides”. The participants made impressive presentations at the end of the course on different areas highlighted during the SDP. Their feedback exhibited the grand success of the programme as well the necessity of similar ones in future. Overall, it was a gratifying and academically enriching experience.

In addition to these, the department has many more activities in store, including a departmental fest and the annual publication, *Expressions*.

Several of our extremely bright students have brought laurels to the department as well as to the college. Notable among them are – Disha Gupta who features in international and national platforms including Hyderabad Literary Festival 2022, Pronita Tripathi, Nitiksha Tyagi, Debanjali Das, Bidisha Jalan and Aditi Verma of Third Year, and Smita Singh, Sakshi Sharma, Nikita Gangadeb, Sneha Sharma and Sanjana Sah of Second Year.

# HISTORY ASSOCIATION

Association in Charge: Dr Nikhil Gangwar

The Department of History organises various academic and co-curricular events every academic year as a part of our continuous effort to provide students with alternative spaces for learning, and for close interactions with historians who excel in various fields.

## Office Bearers

President	Unnati Yadav III <sup>rd</sup> year
Cultural Secretary	Reshu Chaudhary, III <sup>rd</sup> year
General Secretary	Anushka Paliwal, II <sup>nd</sup> year
Treasurer	Debopriya Chatterjee & Karuna, II <sup>nd</sup> year

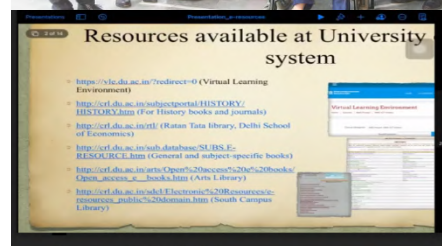

During this academic year, the History Association organised several events online mode. The first event was the celebration of Independence week (SWATANTRAOTSAV) from 10<sup>th</sup> August to 14<sup>th</sup> August 2021. Slogan writing competition, Flag making Competition, Doodle making competition, and Documentary screening like events and competitions were organized by the History Association.

The History Department organized Three Days “In house Skill development Programme” between 24<sup>th</sup> November to 25<sup>th</sup> August 2021 in which 70 students are trained in E- learning tools such as Google Classroom, E- Resources, Google Drive and Doc, Mind maps, and G-suits etc.

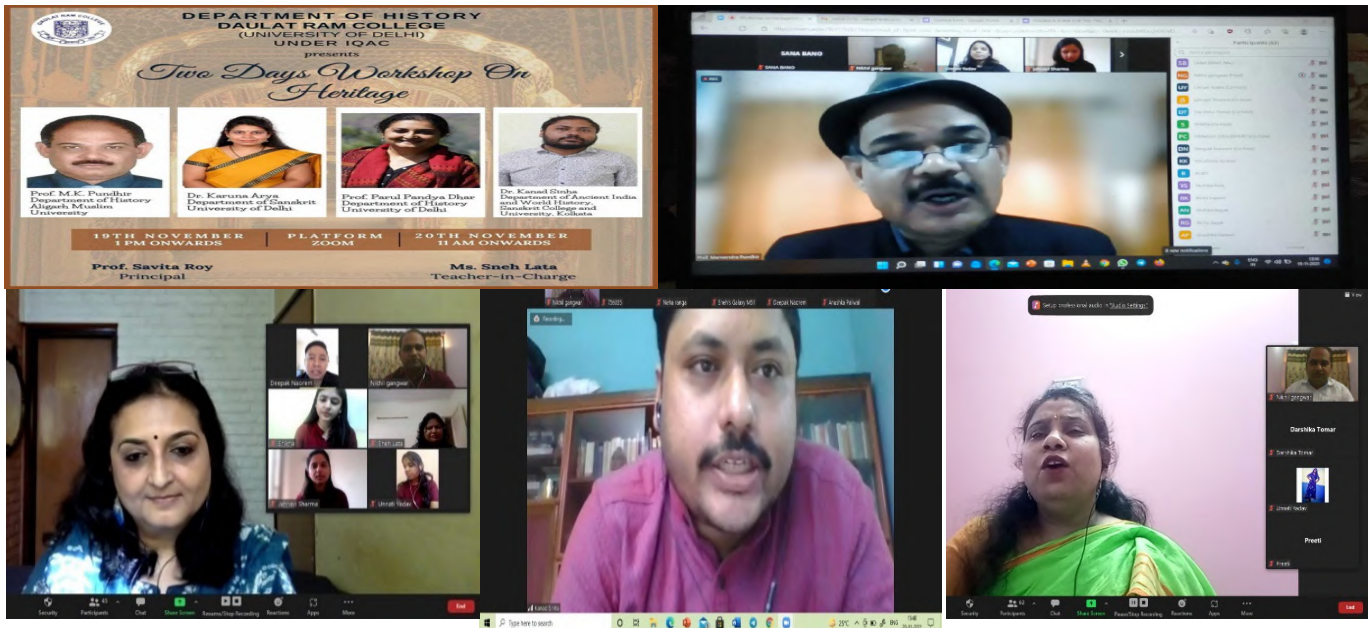

The Department of History organized a workshop on “Heritage” on 19<sup>th</sup> & 20<sup>th</sup> November 2021. The objectives of the workshop were to spread awareness about India’s rich cultural heritage and inculcate the love and desire to preserve it. This workshop was divided into four sessions. In the First session, Prof M K Pundhir, (Centre of Advanced Study, Department of History

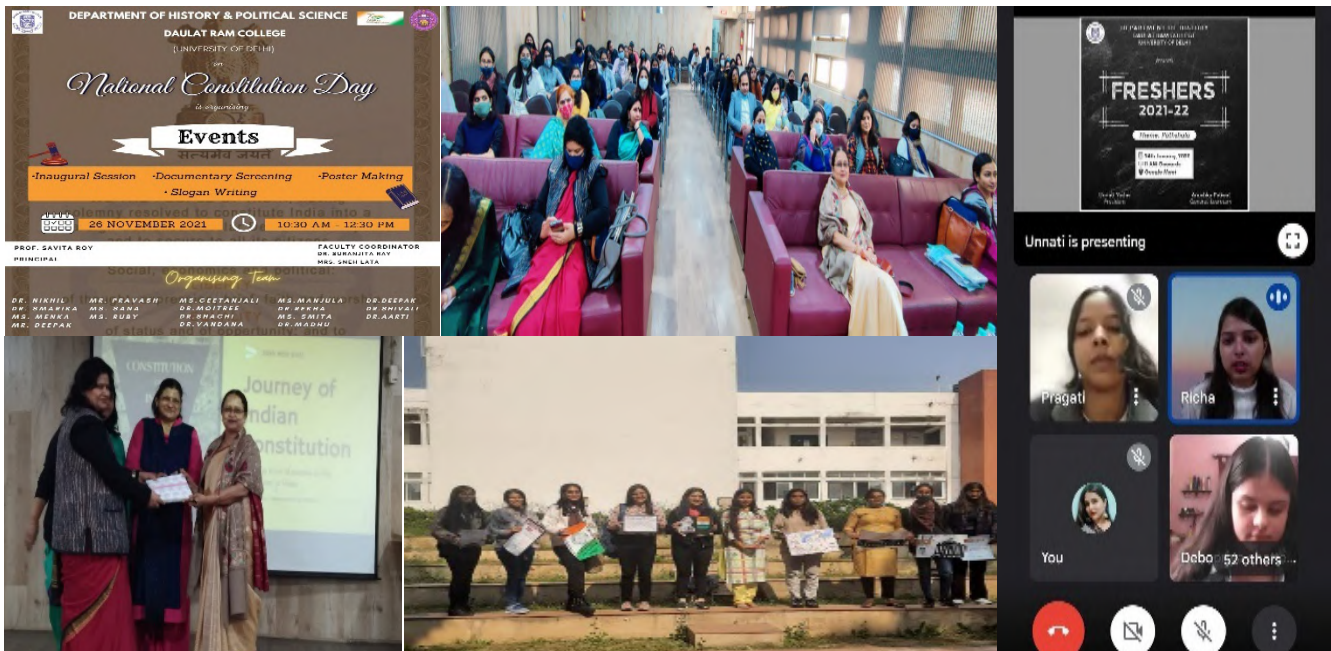

Aligarh Muslim University) spoke on “Demystifying the Taj: A study in Mughal Architecture.” His presentation was focused on the Tajmahal, its design, and the materials used to construct and to decorate it. In the second session Dr Karuna Arya (Department of Sanskrit, University of Delhi) spoke on “आधुनिक समय में आदिकाव्य वाल्मीकि रामायण की प्रासंगिकता”. Prof. Parul Pandya Dhar (Department of History, University of Delhi) spoke in the third session. Her presentation looked at How the Ramayana Carved and Inscribed in Early Medieval Deccan. She used visual images such as sculptures, as her sources during the presentation. In the fourth session Dr Kanad Sinha (Department of Ancient India and World History, The Sanskrit College and University) spoke on “Heritage, Historical traditions and the Indian epics”. He spoke on the different chronological layers in India’s epic tradition. In this way the workshop was designed to discuss the different themes of the rich cultural legacy of India. A feedback form was filled by the students who attended the event.

The students found the event very informative and it broadened their understanding on the significance of Indian rich cultural heritage.

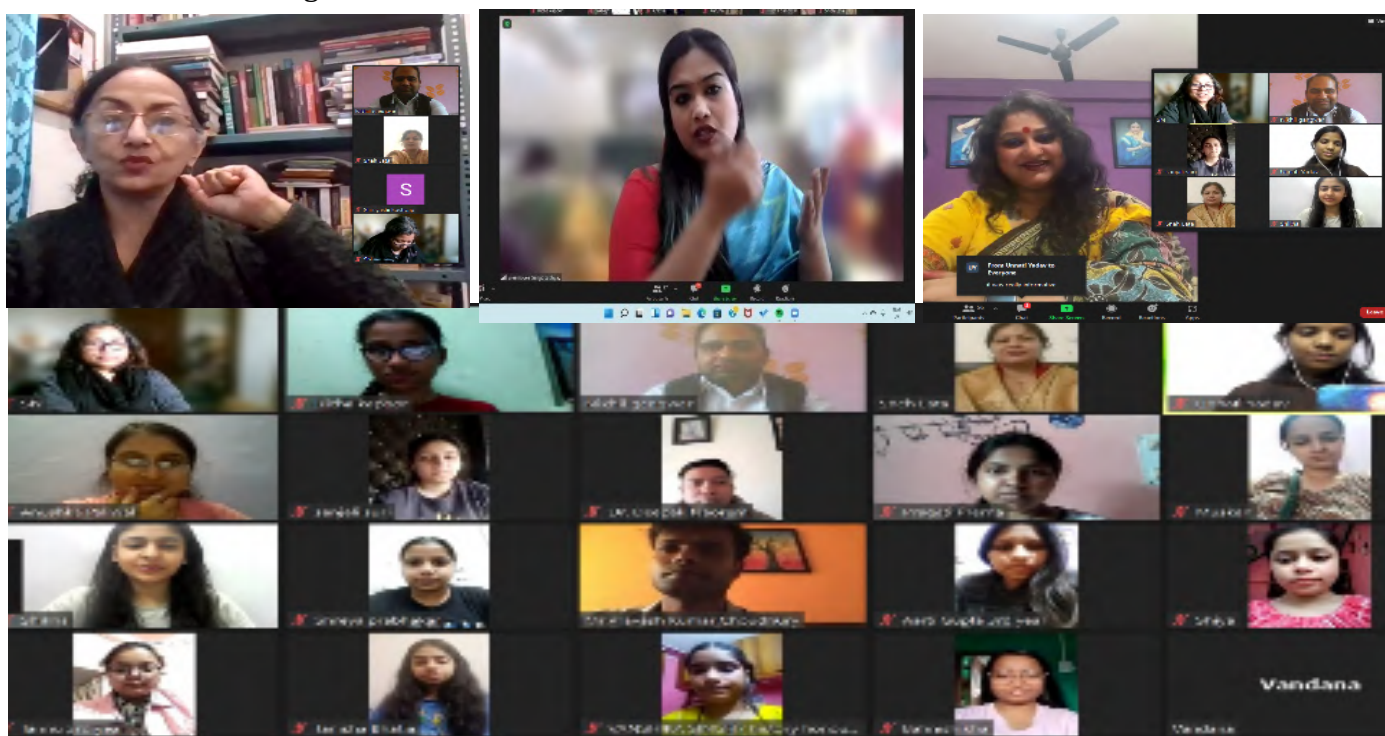

On November 26, 2021, the Department of History, in collaboration with the Department of Political Science, commemorated “National Constitution Day” to inculcate constitutional values among the students. The event was held as part of the celebration of the 75<sup>th</sup> year of India’s Independence, ‘Azadi ka Amrit Mahotsav’. Presentation on Journey of the Constitution, Documentary screening on debates on constituent assembly, Poster making competition and Slogan writing competition etc. were organized to broadened students’ understanding of the significance of the constitution in the present times, the visions of our constitution-makers, and that the Indian constitution is a ‘living document.’

On 24<sup>st</sup> January 2021, Fresher’s meet was organized on the theme “Pathshala” through Google Meet in which different events such as quiz, game, talent hunt and songs etc. were organized.

Image: Fresher’s Meet 24 January 2022

On the 22<sup>nd</sup> and 23<sup>rd</sup> of February 2022, the Department of History hosted a seminar on "Performing Arts and History." Distinguished speakers were invited to speak about India's various performing arts traditions. Dr Urmimala Sarkar Musni, Associate Professor at Jawaharlal Nehru University, spoke about "All that is dance: Tracing the History of Movement Arts in India" in the first session. She talked about dance as a type of performance art. She talked about how diverse dance traditions in India have evolved over time. She also emphasised the significance of folk-dance traditions and their contribution to India's diversity. Ms Alaknanda Dasgupta (Director, Alaknanda Institute for Performing Arts) lectured on "Kathak: A Way of Life" in the second session. She referred to Kathak as a sort of performing arts, a classical dance form popular in northern India. In the third session Dr Dhananjay Singh, Assistant Professor, Dr SRK Govt. Arts College, Yanam) spoke on the topic “रुदन की संस्कृति- लोक स्त्री का अदृश्य विलाप-स्वर. He discussed how weeping is viewed in local culture and custom. He clearly demonstrated how weeping culture is linked to the performing arts in northern India as well as other parts of the world. He pointed out that weeping culture is viewed as an aspect of feminine behaviour. In the last session Ms Sreemoyee Gangopadhyay spoke on "Odissi Paratopic: Tradition vs Performing Arts in Today's Time." She began by describing how storytelling and performance dance traditions are intertwined. She discussed the various Odissi dance tradition's attire, posture, and dress code, as well as how they are linked to geographical factors. The students found the event very informative and it broadened their understanding on the significance of Indian rich cultural heritage.

## Mathematics - Affine

**Association In Charge: Dr Vikas Dhaka and Dr Monu Kumar**

*Affine*, the Mathematics Association, began the eventful academic year 2021-22 with full enthusiasm under the guidance of Teacher-in-Charge Dr Seema Khurana and the following office bearers.

President: Ms Vani Manglik (Third year)

Vice President: Ms Monika Singh (Third year)

General Secretary: Ms Kajal (Second year)

Treasurer: Ms Khushi Sen (Second year)

Joint Secretary: Ms Ayushi Shukla (First year)

Following events were organized in the session 2021-22:

### Annual fest “Shoonya’21”

The association organised its annual fest “Shoonya’21” on 4th April 2021. On the occasion, the association organised a lecture on the topic “Decision Making using AHP” by Prof. Pankaj Gupta, Professor, Department of Operation Research, University of Delhi held on 7th April 2021

The image consists of two parts. The left part is a slide titled "Estimating Consistency Ratio (Example)". It shows a pairwise comparison matrix for four styles (A, B, C, D) and a calculation of the priority vector. The matrix is:

Style	A	B	C	D
A	1	5	2	3
B	1/5	1	1/3	1/3
C	1/2	3	1	3
D	1/3	3	1/3	1

The calculation shows the priority vector  $\begin{bmatrix} 0.47 \\ 0.08 \\ 0.29 \\ 0.16 \end{bmatrix}$  multiplied by the matrix to get the weighted sum  $\begin{bmatrix} 1.93 \\ 0.32 \\ 1.25 \\ 0.65 \end{bmatrix}$ .

The right part is a webinar invitation from the Department of Mathematics, Daulatram College. It invites to a webinar on "Decision Making Using AHP" on 7th April, 2021 at 2:00 PM on Google Meet. The speaker is Prof. Pankaj Gupta, Professor, Department of Operations Research, University of Delhi. A small video inset shows a woman speaking.

The lecture gave the students an insight into the role of mathematical techniques in Decision Making using AHP. The Analytic Hierarchy Process (AHP) is a method for organizing and analysing complex decisions, using math and psychology. The association also organised many inter-college competitions such as Quiz, Tick-Tock, Open Mike, Math Rangoli, Ad-mad which attracted huge crowd from other colleges through online mode on 4th April 2021.

### Webinar held on 3<sup>rd</sup> September 2021, on “Current trends in Science and Technology”

In this everchanging scenario, where science and technology are revolutionizing our lives to achieve a new direction, Affine-The Mathematics Association, Department of Mathematics, Daulat Ram College organised a webinar on “Current Trends in Science and Technology” on 3<sup>rd</sup> September, 2021 from 2:30 to 4:00 p.m. The keynote speaker of the webinar was Dr S.K. Varshney, who is currently designated as Advisor and Scientist at Department of Science and Technology, Government of India.

Dr S.K. Varshney talked about the challenges we face in this modern world due to the exploitation of resources done by the mankind and using scientific knowledge to counter them for the sustainable development and welfare of the society. He explained how we lose a lot of valuable products during course of post harvesting and the loss estimated is to be about 30%. Using genetic modification of crops to improve plant growth and packaging technologies to reduce this loss. Second challenge he discussed was water, people are not literate in the methods of using water and use of different rainwater harvesting techniques and changing some of our basic habits to save water. He spoke about some of his notable projects such as their team grew trees on the banks of the Yamuna to reduce pollution and return minerals to the soil and the biggest self-powered desalination plant set up on Lakshadweep islands to convert sea water into drinking water. Next challenge he covered was Energy, like trapping heat to use it in better cause, usage of smart grids, wind energy, intelligent transport system and growth of India in solar power technologies. He expressed how the scientists around the world are innovating and developing new technologies like the Agriculture in Israel, usage of hydrogen fuel cells in Japan, lithium batteries etc. He explained how the space research helped to notify the fisherman about the weather conditions on their cell phones and specifying the areas where there is abundance of fishes by using different space technologies. He stressed upon quantum technology, affordable healthcare, clean fuel, space tech, and other verticals of science and technology to bring innovation out to the world.

After the session he encouraged students to clear their doubts and clarified many doubts of the students. It was a very informative session where students came to know about different aspects science and technology can be used for sustainability and betterment of humankind.

At the end, Dr Sarita Nanda, Vice Principal of Daulat Ram College, blessed the students with her words of wisdom. The session culminated with a vote of thanks presented by Dr Vikas Dhaka, Convenor and Association Incharge, Department of Mathematics, DRC and a group picture.

**Webinar held on 22<sup>nd</sup> September, 2021, on “Mathematical Modelling, Artificial Intelligence and Machine Learning”**

Affine-The Mathematics Association, Department of Mathematics, Daulat Ram College organised a webinar on “Mathematical Modelling, Artificial Intelligence and Machine Learning” on 22<sup>nd</sup> September, 2021 from 2:30 to 4:00 p.m. The guest speaker was Prof. T.V. Vijay Kumar who is the Professor and Dean of School of Compute and System Sciences, Jawaharlal Nehru University with keen interests in Databases, Data Warehousing, Data Mining, Machine Learning, Nature Inspired Algorithms, Disaster Management, Big Data and Analytics.

Prof. T.V. Kumar commenced the session with topic intelligence and quoted “Intelligence has nothing to do with education, you may be educated but still not be intelligent and may not be educated and still be intelligent”. He then talked about What is Artificial Intelligence? and its classification into Weak AI which is predominantly used on stimulated thinking basis and Strong AI, Narrow & General AI and Super Intelligence. He also shared about his experience at UNESCO forum and an Indian Delegation to France about AI in Mathematics and How countries are heavily investing on exploration of exploitation AI. He continued with Turing test and applications of AI such as beating Gary Kasparov in chess, finding the best move from all possible outcomes in shorted time period. He then talked about the NITI Ayog major five focusses on AI i.e., healthcare, agriculture, education, smart city infrastructure and smart mobility and transportation. He then spoke about Machine Learning, a branch of AI and its goal for computers to learn automation without or minimal human intervention. He then discussed about its types and explained them briefly. He simplified about the study about products frequently bought together and its interesting findings about link between bear and diaper and interpreting these to strategize and put knowledge into action for the research to not to go in vain. He also discussed travelling salesman problem and explained it by giving a layman example of buying a mobile phone from a mall with many floors and shops, where it is hard to find the optimal solution due to large search space.

He concluded his presentation with nature inspired algorithms and when to use them with examples of some nature inspired solutions such as ants’ behaviour of foraging food helped in framing better traveling salesman problem solutions, dance floors in beehive for bee colony optimizations etc.

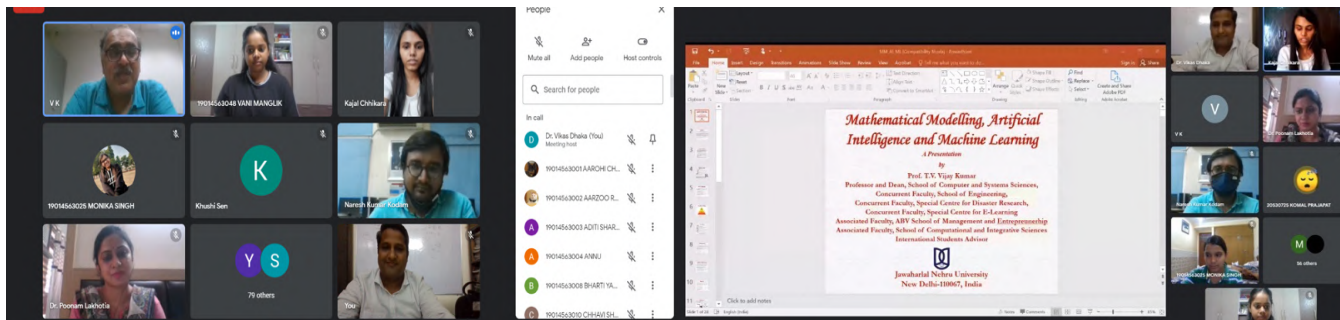

After the session he encouraged students to clear their doubts and also shred his journey from a mathematics to computer science. It was a very informative session where students learned about the

**Fresher’s Party- 2021**

"Freshers Party", the day of anxiety, cheerfulness, to interact with batchmates and to feel comfortable, the day to be remembered always. While every newbie buckled up their shoes to attend the freshers party, the barrier of screens prevailed. Nevertheless, it's better to have something rather nothing. With the feeling of nervousness and excitement, everyone allied to " Freshers Party 2021" of Affine with the theme "Colour your Culture". Blast of loud music, happy

faces and enjoying seniors hinted that something colossal is going to happen. The party then started with the holy prayer and our HOD Dr Seema Khurana Mam's kind and motivating words. Continuing, an overwhelming array of introduction was given by the freshers with showcasing their talents. Curiosity to know each other was the strongest emotion of the day. Moreover, the party followed by couple of activities which included 'guessing Bollywood songs by its English lyrics', and many more. Then the seniors came up with a bang of performances depicting their college experiences and some fulfilled moments to create an ambience. It was not done yet, the event twisted and random individuals were called out to attempt a dare, not much obvious but they nailed it. And finally, Miss freshers, Miss talented and Miss Cultural Diva was announced and honoured. While everyone was longing for something different to happen, something that carries us away with it, this was what that has left us amazed. It all ended smoothly and dexterously.

- President- Chunauti Gupta B.A. (H) 3<sup>rd</sup> year
- Vice- President- Naini Mishra B.A. (H) 2<sup>nd</sup> year
- General Secretary- Shambhavi Ojha B.A. (H) 2<sup>nd</sup> year
- Joint Secretary- Shristi Dixit B.A. (H) 1<sup>st</sup> year
- Cultural Secretary- Sakshi Pradhan B.A. (H) 3<sup>rd</sup> year
- Cultural Secretary- Vriddhi Sirohia B.A. (H) 2<sup>nd</sup> year
- Cultural Secretary- Veronica Khokhar B.A. (H) 1<sup>st</sup> year

1. The Philosophy Association organized a talk on **"An Alliance Beyond the Human Realm for Ecological Justice"** by Prof. Shashi Motilal, Retd. Professor of Philosophy, Department of Philosophy, University of Delhi on 6<sup>th</sup> March, 2021. The event was organized via Google Meet and was live streamed on YouTube. Prof. Motilal argued that ecological justice that is rooted

in an ecocentric approach to nature is the key to achieving integral human development which goes beyond 'development that is only worth our while.' Her lecture argued that ecological justice is achievable if we understand the relation between the entire human community and other elements of the ecosystem i.e. the relation between human and non-human realm. This relation forms the basis of the alliance that we form to address issues of integral human development. However, an "alliance" is normally formed between partners with equal standing. In this context she explored the pertinent question, Is there a sense in which both human and non-human world can be considered to be 'equal partners in an alliance'? She examined diverse philosophical viewpoints to answer this question. The talk was followed by an engaging interactive session. It was an Inter- college event attended by more than 150 participants including faculty members and students from across the University of Delhi and beyond.

2. Skeptics organized a talk on "**Philosophy of Technology: Probing into a Posthuman Society**" by Prof. P. Kesava Kumar, Head of the Department, Department of Philosophy, University of Delhi on 7<sup>th</sup> September, 2021. The event was organized via Google Meet and was live streamed on YouTube. Prof. Kumar discussed the relevance of technology as an important and defining factor in the modern world, which has a huge impact on personal as well as professional spheres of our lives. He discussed the difference between technology and science. While science seeks to know, technology is being used to control as is evident from the control of technocracy in the modern times. Prof. Kumar argued that in the present times philosophy of technology as a discipline holds great importance as it deliberates on the nature, rationale, moral and ethical dilemmas in the sphere of technology. Among many other questions his lecture raised the pertinent question about the position/place of human being in this technocentric infosphere. The talk was an Inter- college event attended by more than 200 participants including faculty members and students from across the University of Delhi and beyond.
3. Skeptics organized a talk on "**Philosophy as a Life Skill**" by Dr Anirban Mukherjee, Associate Professor, Department of Philosophy, University of North Bengal on 29<sup>th</sup> September, 2021. The event was organized via Google Meet. In true philosophical spirit his lecture brought forward the therapeutic nature of philosophizing. Philosophy in its true sense is about learning to ask questions i.e. by learning gradual methods in philosophy the learner is trained in the skill of putting forth a question. The talk was highly informative and enriching. The perspectives and insights provided by his lecture were well received by our students. Dr Mukherjee answered all the queries raised by the students and encouraged them to interrogate further. The talk not only helped them in developing a better understanding of philosophy as a subject but life at large. It was an Inter- college event attended by around 100 participants including faculty members and students from across the University of Delhi.

## PHYSICS- COHERENCE

Association In Charge: Dr Shefali Jain

### Office Bearers:

1. Miss Deepali Yadav: President

4. Miss Khushi: Treasurer
5. Miss Vishakha: Joint Secretary
6. Miss Monisha: Co-joint Secretary

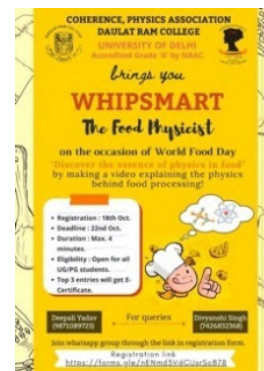

### 1) WHIPSMART - The Food Physicist

COHERENCE, The Physics Association, Daulat Ram College organized a video-making competition "WHIPSMART - THE FOOD PHYSICIST" on 16 October 2021 on the occasion of **WORLD FOOD DAY**. It was very interesting and innovative activity. Participants had to make a video of processes

involved in the making of a particular food product and explain the physics behind it. It enhanced their thinking skills as well as boosted their knowledge. The video was created by students, without any edits within a specific time limit. All the participants did amazing work.

The winners of the competition:

1. Manisha (3rd year) secured the first position (Daulat Ram College, DU)
2. Aashee Sharma (3rd year) secured the second position (Daulat Ram College, DU) and
3. Raj Kohli (2nd year) secured third position (Shivaji College, DU) secured the third position.

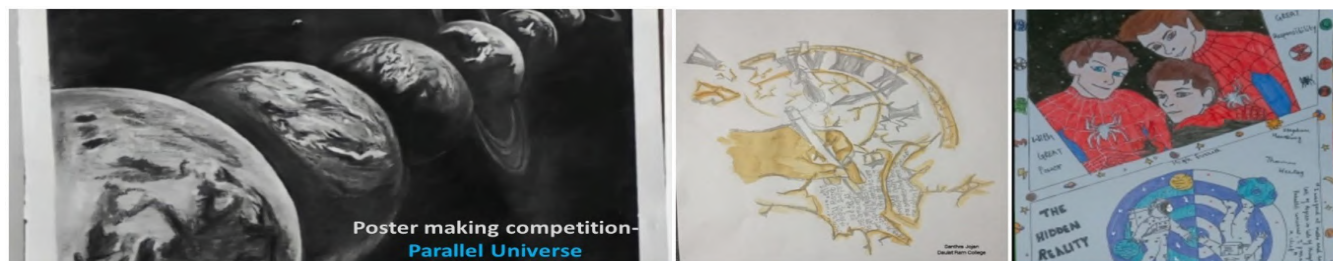

## 2) PARALLEL UNIVERSE- Poster making Competition

**COHERENCE, The Physics Association**, Daulat Ram College organized "The Poster Making Competition" on the theme "**Parallel Universe**". The activity was open for all UG students. There were 20 registrations for this competition. Participants made handmade posters on the given theme and they prepared a video in which they explained the idea behind their posters. The video was created by students, without any edits and was within a specific time limit of 1 minute.

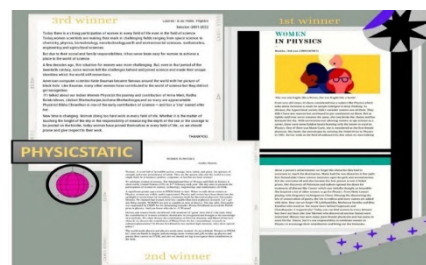

The winners of the competition:

1. **Naaz** (1st year), B.A (H) Hindi, Daulat Ram College
2. **Mansi** (2nd year), B.Sc. (H) Physics, Daulat Ram College
3. **Santhra Jojan** (1st year), B.Sc. (H) Physics, Daulat Ram College

## 3) PHYSICSTASTIC

**COHERENCE, The Physics association**, Daulat Ram College organized an article writing competition "**Physicstastic**" on the occasion of "**International Day of Women and Girls in Science**". This activity was exclusively for the students of physics department. Many Students registered for the competition, and enjoyed performing in the activity.

The Participants had to submit a self-written article on the given theme. Students pen down their views and showed their creativity in the article within the given specific word limit. The top three entries were awarded with the certificate of appreciation. The top 3 entries are:

1. 1st winner, Manisha (3rd year), B.Sc (H) Physics, Daulat Ram College
2. 2nd winner, Aashee (3rd year), B.Sc. (H) Physics, Daulat Ram College
3. 3rd winner, Nidhi (1st year), B.Sc. (H) Physics, Daulat Ram College

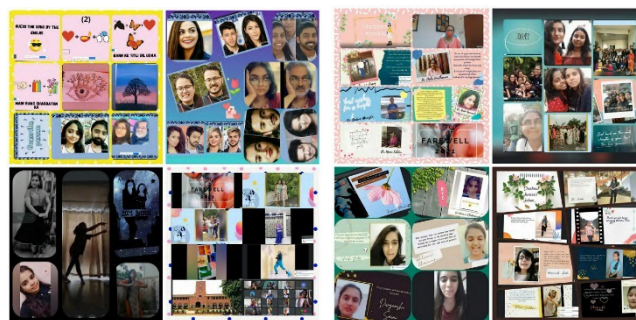

#### 4) FAREWELL 2021

**COHERENCE, The Physics Association** of Daulat Ram College organized its Farewell'21 for the batch of 2018-21 on 26th July 2021 on Google meet. It was organized online keeping in view the widespread of the pandemic.

With the emotional messages by and beautiful videos by all, the ramp walk videos were shown. Some fun games were also played while this beautiful journey of celebrations.

Soon after this all the final year students were given some fun titles based on their personalities.

**Simarjeet Kaur** was titled as Miss Witty, **Anushka Sharma** became Miss Talented, **Bhumija Chaudhary** was titled Miss Attire while the title Miss Farewell was given to **Ritika Singh**. Overall, it was a very emotional and memorable day for all.

#### 5) FRESHER'S PARTY- 2022

Like every year, this year also **COHERENCE, The Physics Association** of Daulat Ram College organizes the Fresher's Party on 8th January 2022. Fresher's Party is the start of the new journey and welcome of the new students in a warm and friendly atmosphere. It encourages their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college as a family member of our department.

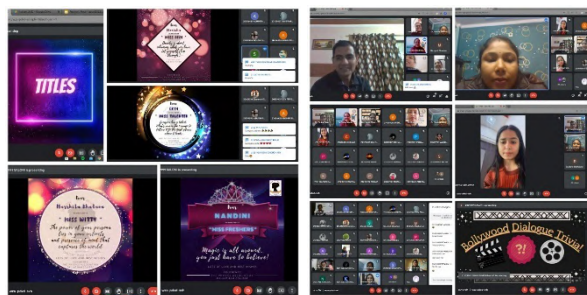

The theme of the Fresher's Party was "**Principessa - The red carpet glam**" our Fresher's dressed in gorgeous outfit looking like a beautiful and charming princess. They introduced themselves and showcased their unique talents through ramp walk. All of them were impressive in their own way. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The winners were:

Miss Fresher - **Nandini**

Miss diva - **Monisha**

Miss talented - **Ekta**

Miss witty - **Harshita Khatana**

It was a wonderful event that creates sense of love and unity among all the seniors, juniors & Teachers.

## POLITICAL SCIENCE: REPUBLICA

### Association In Charge: Dr Shivali Aggarwal

To facilitate academic excellence and educational aspirations of the students, *República*, the Political Science Association organized several curricular and extra-curricular activities during the academic session 2021-22.

A Virtual Farewell SAYONRA'21 was organised by the Association to bid adieu to the seniors on 21<sup>st</sup> July 2021. The event was very well applauded by the third year students. Various activities like games, quiz, solo dance performances and title distribution made the students feel friendly and emotional at the same time. An animation presentation down the memory lane left all students overwhelmed as they cherished three years in the college. It was also the same time of the year when the freshers were welcomed to the college. To get them familiarised with numerous curricular and co-curricular opportunities in the college and the department, an Orientation Programme was organised on November 22, 2021. A brief presentation on several programmes organised and participated by the students during the previous years inspired and motivated the freshers to get involved in the various activities of the department. Freshers interacted with the department teachers and felt comfortable. The Association in- charges of the department also motivated students to participate in various co curricular activities. The enthusiasm and response of the freshers was spell- bounding.

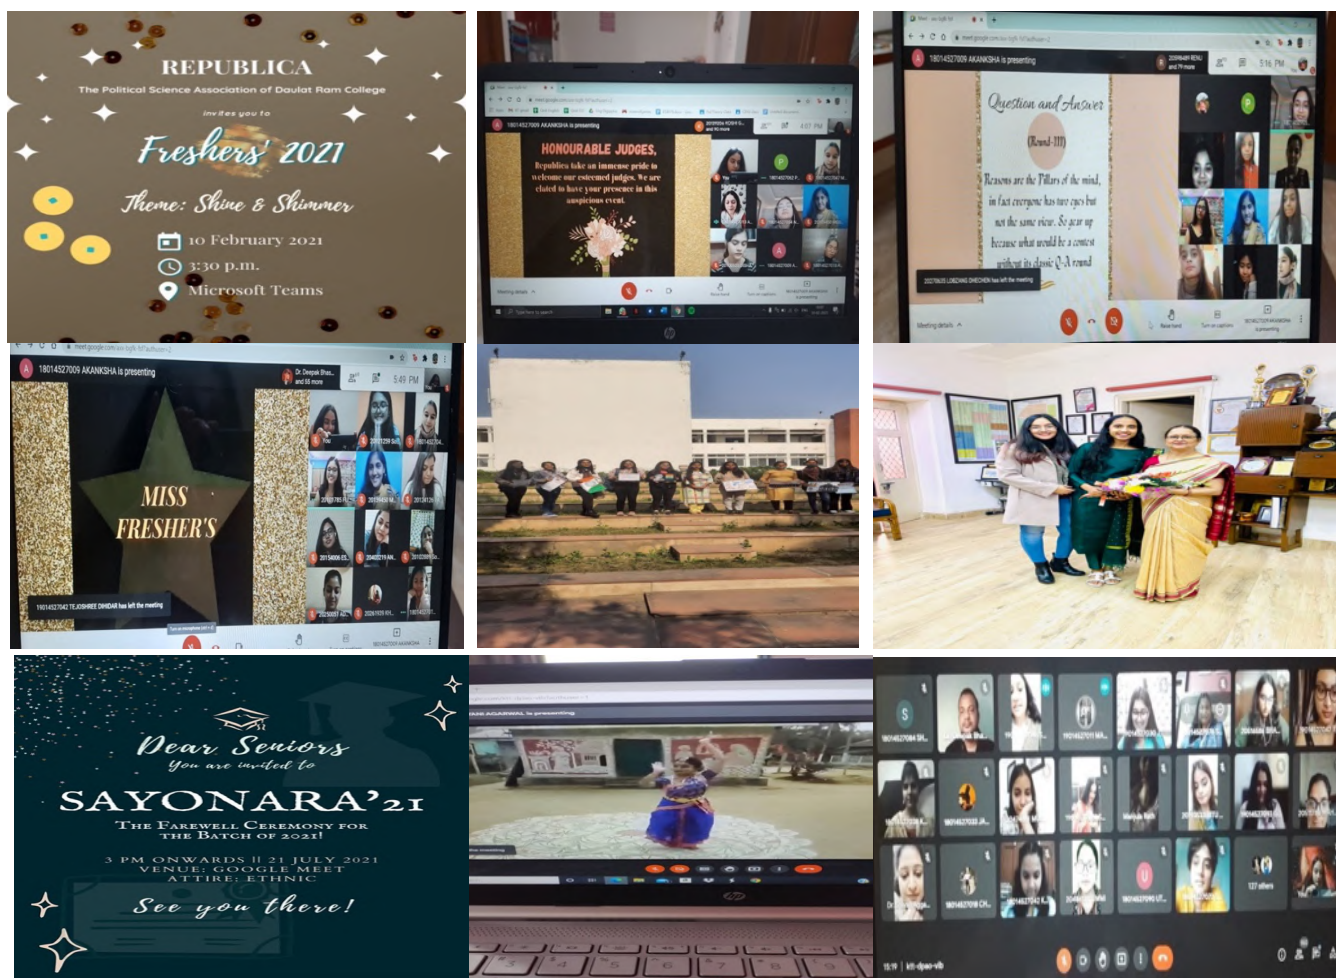

A two days in-house Skill Development Programme (E-SDP) was organised from 24<sup>th</sup> to 25<sup>th</sup> November 2020, to enable the students to become competent and confident users of various ICT tools. The objective of SDP was to equip students with online teaching platforms such as Google Meet, Google Classroom, Google Docs, Zoom Meet, and many more. Dr Shachi Chawla, Dr Madhu Damani, and Dr Deepak Bhaskar were the resource persons. In a lucid but simple language all the resource persons cleared up the doubts of the students and provided them with presentations and simple techniques to overcome any kind of apprehensions regarding the online teaching methodology. The programme was attended by more than 200 students.

The Political Science Association in collaboration with the History Department organized an offline event on 26<sup>th</sup> November 2022 to commemorate "National Constitution Day". Prof. Savita Roy, Principal Daulat Ram College highlighted the importance of the Constitution in the Inaugural Session. Prof. Vichitra Gupta (Principal, Motilal Nehru College Evening) who has been the alumni of Department of Political Science Daulat Ram college addressed the students. She focused on the Relevance of Constitution in the contemporary times and delivered a very thought provoking lecture. The session was followed by an interactive and enriching discussion on the constitutional values, democratic rights and importance of fundamental duties. Various competitions were also organised and the students participated enthusiastically in Slogan-writing, Poster making and debate. Visual screening of Pandit Nehru's speech "Tryst with destiny" and a debate in the constituent assembly on the federal character of the constitution was also held. The event was

organized in the college premises while following the covid protocols. The eagerness and energy of the students to participate made the event quite successful.

Despite of the fact that students can't engage themselves into face- to face interaction and campaign for the student's elections, the online voting was quite overwhelming. The students participated in the online elections to elect the executive members of República on 7<sup>th</sup> February, 2022. The voting was conducted via 'Google Form'. Nearly 250 students turned up to vote. Jahnvi Gupta was elected as President, Kishmita Thakur as Vice-President, Tanushree as General Secretary, Aanchal Tyagi as Treasurer, Anushtha Indora as Joint Secretary, and Sangam as Cultural Secretary. The union immediately started working with the department for the scheduled academic activities.

A holistic learning and development of the students was possible due to hard work, commitment, dedication and contributions of the association-in-charges, Dr Shivali Aggarwal and Dr Deepak Bhaskar, faculty members and students of the department.

## PSYCHOLOGY

### Association In Charge: Binusha Joycell

Across the academic year 2021-22, the Psychology Department Association of Daulat Ram College organized various events and workshops.

As a means of celebrating the success of women in the field of psychology, the association organised a two-day event, “Women in Psychology: Rehabilitation and Therapizing Through Art” on 11th and 12th March 2021. Dr Sanjana Seth is an eminent mental health professional with over 18 years of clinical, academic and administrative experience. She gave her insights on the process of rehabilitation and the need for different approach while dealing with clients of different age group or with specific disorders. The case illustrations from her professional experience made the webinar more engaging. On 12th March 2021, Ms Avantika Malhautra conducted a workshop on Expressive Art Therapy. The workshop was themed around identifying stressors and figuring out the pertaining emotions in the expressions of various art modalities ultimately leading to the decluttering of minds. The workshop was an extremely rejuvenating experience and apt for the present context.

The Farewell ceremony for the Batch of 2021 was conducted on the 26th of April, 2021. The event was conducted in two parts - one formal, the other, and informal. The formal part of the day began with a prayer, followed by a speech by the then Teacher - In-charge, Lt. Dr Suparna Jain. All the teachers were requested to give their kind words of advice to the passing out batch. A performance was prepared and played, marking the end of the formal event. The informal part of the day included three games and performances alike, as a part of entertaining the students. An online dance party was also conducted. A small gift was prepared, where students, teachers and batch mates of the Batch of '21 had written small notes for each other. The event ended with a highlight dance performance. An email was sent to the students as a thank you after the event was over. The whole event went by smoothly and was appreciated by all.

A “Careers in Psychology” session was organized by the Psychology Association of Daulat Ram College on 1<sup>st</sup> September 2021. It was addressed by the association in charge as well as the Vice Principal of Daulat Ram College. Ms. Ekta Chopra, an alumna of Daulat Ram College was the main speaker at the event. She discussed several career alternatives ranging from Organisational Psychology to Cognitive Psychology. She briefed students about the educational requirements and the expected income for these job positions. Moreover, she also talked about psychology's interdisciplinary character, and how it is found in practically every field in some form. She emphasised the significance of having a firm grasp on your core principles, acquiring experience through internships, and taking advantage of any chances that come your way. Ms. Ekta also advised the students to not be afraid to try new things and to avoid confining themselves by exploring as much as possible before deciding on a specialisation. Following her presentation, she had a quick Q&A session in which students posed questions and she patiently and thoughtfully addressed them.

The session was ended with a vote of thanks by the association in-charge. The students thoroughly enjoyed such a wonderful and informative session by Ms. Ekta Chopra .

As the world of psychology expands and gains respect across the world, it is critical to inform young minds about its many branches. Our department has scheduled a lecture on "Military Psychology" on November 8th, 2021. DrHarshitta an outstanding DIPR (Defence Institute of Psychological Research) employee, delivered the keynote address. She discussed DIPR's history and commented on the selection and training programs available, such as cognitive process-based selection, personality-based selection, leadership development, and personality development. She shared her knowledge of the personnel selection process, which included numerous examinations such as the selection procedure for officers, the selection of women as officers, and so on. The numerous stress management training offered to staff, as well as various programs such as harsh environmental adaptability and self-development programs, were also emphasized. She discussed organizational behavior and behavioural training that is offered to officers, such as soft skills training for government workers, counseling training for service officers, and so on. Students learned about numerous DIPR national (IIT Delhi, Kanpur, University of Delhi) and worldwide partnerships (UK, USA, Singapore, Kyrgyzstan), as well as academic collaborations with major psychological organizations such as NAOP, IAAP, and others. The computerized testing system, cognitive evaluations, and other research methodologies used by the department were discussed. DrHarshitta went on to discuss the possibilities of working at DIPR and the expansion of military psychology, as well as the opportunities available at DIPR such as research fellows, scientists, technical assistants, and so on, as well as the credentials required for the same. It was indeed an insightful session, with over 70 students participating, and with a Q&A round, students were able to clear their questions.

To help budding researchers get well versed with using softwares for analysing data, the Psychology Association conducted a workshop on "SPSS: Statistical Software" on 29th January 2022. Dr Deepesh Rathore, an esteemed faculty member, was the speaker for the day, and walked students through the importance of the software in the field of research. He proceeded to explain the basics of the software, including how to view, edit and analyse data. He also covered other topics of significance, including data view, variable views, and errors while entering data, running descriptive statistics, split file and select cases, among others. He even elaborated on how to present the data graphically. Dr Rathore explained the working of the software to the attendees, and cleared any queries that were posed. The event drew to a close with the Association members expressing their gratitude towards Dr Rathore for his time and efforts. The workshop, which was attended by several volunteers, was a successful session that helped strengthen the foundation of data analysis in the students. The Association received a highly encouraging response from the attendees, motivating us to organise similar events in the future as well.

The Freshers ceremony for the Batch of 2023 was conducted on the 12th of February, 2022. The event was themed "Grammys much?" where students had to dress up as their favourite music artist. The event was hosted by the President, Vice President and the Editor in Chief of the psychology association. The event started with a prayer by students and the welcome speeches by all the faculty

members. It was followed by an introduction formal dance performance. The batch of 2023 introduced themselves one at a time and then the attendees played a few games. There were multiple performances by the senior students of the department. The event concluded by the announcement and presentation of titles such as Fresher 2022 and few others and the evening ended with a thank you speech by the Vice President and the responses from the juniors were very humble and grateful.

## SANSKRIT - SHREYAS

### Association In Charge: Dr Sharda Gautam

The Department organised the following events under IQAC in 2021-22:

1. **A Lecture cum Workshop on Yoga on 21st June 2021 titled योगो हि परमौषधम् (Yogo Hi Paramaushadham - Relevance of Yoga in Present Times) –**

The Department of Sanskrit, Daulat Ram College and Yuva organized an online lecture-cumworkshop on the theme - Relevance of Yoga in Present Times on the occasion of 7th International Day of Yoga this year i.e. June 21, 2021. Over 90 students across the various departments of the college participated in the program. It was presided over by the Principal Prof. Savita Roy and graced by the presence of the Vice-Principal Dr Sarita Nanda. The event started with the Vedic invocation by Km. Puja and coordinated by Km. Isha Soni. In her welcome address, Principal Ma'am reiterated the significance of Yoga in present times and reminded the Sanskrit people to come forward and introduce the world to the Yoga. Our Vice-Principal Dr Sarita Nanda Ma'am encouraged students to adopt it in their daily life by describing its physiological benefits. The Chief Guest, Dr Kalapini Agasti (Associate Professor and HoD, Department of Bharatiya Darshana, Kavikulaguru Kalidasa Sanskrit University, Ramtek) in her presentation on *Yoga for Holistic Health*, emphasized upon the significance of promoting mental health by adopting Yoga in daily lifestyle. Prof. Ranjit Behera (Professor, Department of Sanskrit, University of Delhi) graced the occasion as the Guest of Honour and introduced the participants to the origin and long tradition of Yoga and underlined the need to adopt Yoga in our lives. Ms. Rashmi Jain (Yoga Instructor and Researcher, Kavikulaguru Kalidasa Sanskrit University, Ramtek) was the resource person during the workshop. Through the live demonstration of various yogas and pranayama, Ms. Rashmi presented the practical aspects of the physical benefits of Yoga. After the workshop, Devanshi coordinated the Q&A session where the resource person satisfied the participants' queries. The formal vote of thanks was presented by Dr Kamna Vimal, Teacher In-charge, Department of Sanskrit. The program concluded with the Shanti Patha by Km. Puja.

**E-SDP on E-Learning & Online resources and Tools for Sanskrit Learners under SDP 2022 Developing ICT Tools and Capacity Building (under IQAC)**

The Department of Sanskrit of the College organised Two Day E-SDP Workshop on *E-Learning & Online resources and Tools for Sanskrit Learners*, under the SDP 2021-22 Program Developing ICT Tools and Capacity Building (under IQAC), especially for the newly admitted first year under-

graduate students of the Department on November 24 & 25, 2021. Inspired by the vision of enhancing ICT knowledge of the first year students and equipping them with the required resources and tools with reference to Sanskrit, the workshop had two major goals: Learning - Imparting knowledge about ICT tools and Sanskrit Resources and Preparing – enabling them to integrate the two practically & effectively.

The Inaugural of the E-SDP was held on November 24, 2021. The Convenor of the SDP Program, Dr Meetu Khosla (Associate Professor, Department of Psychology) guided and inspired the students with her kind words. Dr Kamna Vimal, the Coordinator of the SDP, presented the background of the Program.

The first day of the SDP had two technical sessions - Online Learning – Platforms & Classroom by Dr Sushma Devi and The Google Workspace – Its various applications and their uses by Dr Kamna Vimal. The second day had Dr Ravi Kumar Meena as resource person on the various applications and uses of MS Office 2010 and Dr Sharda Gautam on Sanskrit-Specific Online Resources and Tools by Dr Sharda Gautam.

Dr Sarita Nanda, Vice-Principal of the College graced the Valedictory session at of the SDP and encouraged the students to stay updated in ICT and incorporate it with their learning

There was an additional assessment session at 3:00 pm on 25th November, 2021. The students were assessed on the basis of a quiz based assignment and a project of presenting any one of the topics learnt from any of the technical sessions of the SDP. They also filled and submitted an online feedback form.

### **The Spoken Sanskrit Workshops ( *Sanskrit Sambhashana Vargas* )**

The Department also organised two rounds of Spoken Sanskrit Workshops (Sanskrit Sambhashana Vargas)

**Varga I for Second Year Students of B. A. (H) Sanskrit** – With an aim to provide hand-holding to the students and to cover-up the lack of the offline communicational skills in Sanskrit, the department organised 4 weeks Sambhashana Varga from August 6, 2021 to September 6, 2021 under the Convenorship of Dr Kamna Vimal. Dr Rosy Sharma acted as the resource person for the Varga. The inaugural ceremony was presided over by respected Principal Ma’am who had been the inspiration and motivation behind the programme. Ma’am emphasized the importance of Sanskrit in the world today and Sanskrit being the link language between the knowledge stored in the ancient literature and the need of the world. She also encouraged the students to communicate freely in Sanskrit without worrying about being correct and to use Sanskrit in for communicating among themselves and with teachers. The review of the Sambhashana Varga I was held on September 4, 2021. The assessment viva test was conducted on September 13, 2021.

**Varga II for Third Year Students of B. A. (H) Sanskrit** – With an aim to provide hand-holding to the students and to cover-up the lack of the offline communicational skills in Sanskrit, the department organised 2 weeks Sambhashana Varga from December 15, 2021 to December 31, 2021 under the Convenorship of Dr Kamna Vimal. Dr Rosy Sharma acted as the resource person for the Varga. The students are also carrying forward the practice in their C14 paper in VI Semester. The

review and assessment is yet to be taken. The valedictory of the Sanskrit Sambhashana Vargis is to be organised in coming events of the Department.

**The Two Weeks Online Skill Development Programme on Wellness Through Yoga and Healthy Lifestyle from December 27, 2021 to January 8, 2022.**

With an aim to promote healthy development of the students of the students through the life affirming components like Yoga and Healthy Lifestyle, the Departments of Nutrition and Health Education and Sanskrit of Daulat Ram College have jointly organised the two weeks online Skill Development Programme during December 27, 2021 – January 8, 2022 under the SDP 2022. The SDP also was conducted under the Vidya Vistara Scheme of the University of Delhi.

The SDP was scheduled from December 27, 2021 – January 1, 2022 with two sessions everyday but due to on-going examinations and other factors, it was rescheduled to one session everyday at 3:30 pm from December 27, 2021 – January 8, 2022. The SDP had 2 plenary sessions i.e. the Inaugural and Valedictory sessions and 10 technical sessions in all.

The Program received an enthusiastic response and hence, the registration had to be closed within two days of its announcement. Total 65 registrations were received from about students of 10 disciplines. It included 7 students – Soniya Deora, Payal Parihar, Rudrakshi, Lalita, Bhoomika, Payal and Nandini - from the Government Girls College, Magra Punjala, Jodhpur, Rajasthan. After screening of invalid entries and pre-informed drop-outs, the SDP started with a total 62 participants. Faculty of Departments of Sanskrit and Nutrition and Health Education and Biochemistry of Daulat Ram College along with two inter-departmental and two external speakers - Dr Renu Kishore (Associate Professor (Retd.), Dept of Psychology, Psychologist & Counsellor), Dr Meetu Khosla (Associate Professor, Dept of Psychology and Convenor, SDP 2022), Dr Anita Garga Mangla (Assistant Professor, Dept of Biochemistry) and Dr Omanand (Mentor, Paramanad Yoga Institute).

We wish to extend our heartfelt thanks to you Dr Malini Sharma, VVS Coordinator (DRC), Dr Chayan Mehta, Coordinator (GGC, Magra Punjala, Jodhpur, Rajasthan) and Dr Babulal Meghwal Principal & VVS Coordinator (GC, Barner, Rajasthan) for making it possible for us to coordinate with the students of our partner colleges and making the programme a success.

Besides these also, the department association has been active in organising various events to encourage and facilitate the students. The report of these events will be sent as association report for the Annual Report 2021-2022.

The Society mainly aims to study the animals and communities provides insight into how we work. It can be involved with the conservation of threatened or endangered species, as the maintenance of biodiversity is considered extremely important to the health of an ecosystem. Animals provide us with companionship!

The vision of koshika society includes inclusive participation & acknowledgement, enhance and cherish students creativity & innovative skills.

Date: 15.09.2021

Koshika- The Zoological society organized many activities in this academic Year 2021-22.

A workshop was held on Master Your emotion for smooth pregnancy and lifelong happiness of your child with Dr Puja Sharma and cDr Jagmohan Bhogal(retd)

On 20 June 2021 the workshop was held and the speakers explained about women's health and emotional intelligence. Some of the points are:

**Proper prenatal care:** Every woman needs to sign up for proper prenatal care. This is the only way for them to ensure that everything is going well with your pregnancy. Care can include testing and taking certain vitamins. According to the U.S. Department of Health and Human Services, babies who did not receive prenatal care are five times more likely than those whose mother received care.

**Get help for menopause:** It is essential for every woman to seek menopause treatment as soon as they become perimenopausal. There are a few menopausal treatments that can help women who are experiencing menopausal symptoms like hot flashes, insomnia, anxiety, irritability, mood swings and depression. There are hormonal and non-hormonal treatment options to fit every woman's lifestyle.

Emotional intelligence otherwise known as emotional quotient or EQ is the ability to understand, use, and manage your own emotions in positive ways to relieve stress, communicate effectively, empathize with others, overcome challenges and defuse conflict
