ABOUT THE COLLEGE

Daulat Ram College has carved a niche for itself by becoming a pioneer institution that signifies academic superiority for women. Instituted in 1960 by Late Shri Daulat Ram Gupta as 'Pramila College' at Tilak Marg, the college was shifted to North Campus in the heart of University of Delhi and was renamed 'Daulat Ram College' in 1964. Shri Daulat Ram Gupta, an educationist, regarded the college as an institution directing to impart comprehensive education to women. Starting with only 350 students and 13 teachers in 6 departments, the college has now evolved into a multi-dimensional and lively institution with around 5000 students coming from across the world, around 175 teaching and 87 non-teaching staff and 19 departments offering a varied range of courses. The college foresees to deliver value-based education focusing on all-inclusive growth and development by promoting higher education in Science, Commerce, and Humanities. It also provides many courses at the Masters level in Humanities. As a leading institution, it was awarded 'Star Status' by the Department of Biotechnology (DBT), Government of India (GOI) for undertaking pioneering practices in various science departments. It has received accreditation with a CGPA Score of 3.36 and has been awarded 'A' Grade by the NAAC. It has been consistently securing 26th rank in the NIRF since 2020. The college has well-furnished and technologically progressive laboratories such as Zebrafish Lab Facility, Drosophila Resource Centre, and Psychology Resource Centre, enabling major research projects funded by ICSSR, ICPR, UGC, CSIR and DRDO.

As a leading institution, it envisions ICT facilities and has well-furnished computer labs, besides Wi-Fi enabled lecture theatres/classrooms with LCD projectors. The Innovation Projects and Star Innovation Projects sponsored by the University of Delhi and other multi-ethnic research projects in alliance with USA, Canada, France, Finland and Poland have contributed in noteworthy ways to the institution's academic organization. The IQAC is an vital part of our pedagogy that endures and augments the superiority of our academic pursuits. The state-of-the-art conference hall, especially premeditated for academic collaboration and professional engagements is a venue for organising such events. The library, an essential part of

academic pursuits, boasts of a prominent assemblage of more than one lakh volumes, journals, periodicals, books, newspapers, alongside a digital database. The college also take pride in the rich Braille Section owned by library.

Daulat Ram College has collaborated with Government College, Chouhantan and Government Girls College, Magra Punjala, in Barmer and Jodhpur respectively, in Rajasthan under the Vidya Vistar Scheme, to enable allotment of academic resources which is imperious for the expansion of collective teaching and learning in higher education. The Sadbhavana Bhawan, a centre for sports, art and culture is one of the best auditoriums in the campus with a capacity of above 1200 persons which hosts numerous events such as theatre, cultural performances, international integration programmes, conferences, annual day programmes, Manjari -the annual inter-college festival and many more. An open-air Amphitheatre, situated in the centre of the college building, renamed 'Rangshala', inspires students to organise and contribute an extensive variety of theatrical, musical and cultural actions.

The college has a well maintained sports facilities including a state-of-the-art gymnasium having latest fitness equipment and machinery including treadmills, cross body trainer and exercising bike, weight trainer. The College has a well maintained hostel facility with a capacity of nearly 204 students. The hostel facility is a home away from home for outstation students who are offered the seats on the basis of merit. Daulat Ram College hostel is one of best in University of Delhi.

The college aims to promote excellence in education and create an effective human resource by infusing creative spirit among the students, by exploring their talents and abilities.and also by equipping the students with the skills of learning, communication, self study and self analysis.

CHAIRMAN'S MESSAGE

As the Chairman of this prestigious institution, it is both pleasure and privilege to address this knowledgeable group of students, teachers and administrative staff on the occasion of its 61st annual day. Daulat Ram College provides a perfect blend of tradition and modern approach to education. The college is equipped with the best of facilities and the college environment is enriched with a spirit of bonding and a sense of commitment. The college offers a high level of teaching - learning experience that is complimented by a wide range of co-curricular and extra-curricular activities, ensuring the holistic development of the students. The various departments, societies, centres and cells help the students to enhance skills and make wise choices in the future to become outstanding achievers. I urge you to make the most of the innumerable opportunities for self-development and betterment of the society being offered by this vibrant institution.

Every student should examine the habits that she has already formed and know what habits are essential for a successful and happy life. There should be a regular planning of activities, which one must observe with perseverance and diligence. You have to turn your life into a horse, which you will ride upon and not to make yourself a horse to let life ride you! Our present education system should be utilized to make us the rider and not the horse.

I assure full support to the college in every progressive and welfare-intended endeavour. Last but not the least, I once again congratulate the principal, teachers, students and administrative staff for showing a determined spirit in the smooth functioning of the college.

Mukul Gupta
Chairman

PRINCIPAL'S REPORT

61st Annual Day

“We want the education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on ones’s own feet”

- Swami Vivekananda

It is a matter of great pride and honour to extend a warm welcome to our chief guest, Respected Shri Om Birla Ji (Hon’ble Speaker of Lok Sabha), Distinguished Guests, Smt. He had been the Principal of Bhaskaracharya College of Applied Sciences, University of Delhi for the last seven years and has more than 25 years of teaching experience. He has published more than 50 research articles in reputed journals and authored 20 books. He has supervised 08 research scholars for Ph.D./ M. Phil./ Post Doc work. He has worked for the upliftment of the education sector through his diverse experience and expertise.

Prof. Rama Patnayak began her career in the department of Political science and became the principal of Shivaji college. Post retirement, she joined Amity university as Dean Academics. She has numerous articles and books to her name. As Head of the institution, she has been responsible for executing the governmental policies, to achieve academic excellence, to establish high standards for growth & promotion of student centric policies & systems. She is the president of women's organisation, Prachi Educational Society. Through this organisation she works for education and skill development training of women and children in Delhi NCR.

I also welcome all our esteemed members of the college from the teaching and non teaching fraternity including the retired ones and the parents and above all our dearest students on this momentous occasion. Today through this Annual Day, we reaffirm our dedication to be the torch-bearers of women's education who are the changemakers of this country and of the world. It gives me great pleasure and deep sense of pride in presenting the 61st Annual Report of the College documenting its development and the achievement for the year 2022-23. This year has been a year of transition and new beginnings. While we and the whole nation has been celebrating the 75th anniversary of Independence as *Azadi ka Amrut Mahotsava*, hosting G20, it is also the 100th or the Centenary year of the establishment of University of Delhi. The year has been marked with many new successful initiatives such as implementation of NEP 2020 by launching UGCF and holding Common University Entrance Test (CUET) for the first time ever for the admissions of Under graduate and post Undergraduate programmes.

While keeping up the vision of *Rite Jnananna Mukti*, Daulat Ram College is known for being a pioneer Institution in its mission to impart holistic and quality education to the women students since 1960. It is one of the oldest and largest women colleges of North Campus of University of Delhi. Accredited with grade A by NAAC, the College has been ranked 29th amongst the academic institutions in India by NIRF, Government of India. A DBT Star College, it was ranked 7th among the Science colleges, 13th in Commerce and 15th in Humanities by India Today in 2021-22. The college bagged the Green Campus Award by Women Agency for Generating Employment (WAGE) and appreciation award for its participation in “Say no to drugs” awareness campaign by National Institute of Social Defence Ministry of Social Justice and Empowerment, Govt. of India. The success of the college can be measured by its alumni who have excelled in all walks of life and made the college proud.

Daulat Ram College offers undergraduate courses in 19 subjects and postgraduate courses in 7 streams. In the session 2022-23, a total 1469 students have been admitted at the undergraduate level, 99 at the postgraduate level and 628 students for the foreign language courses. More than 60% students have been admitted from states other than Delhi NCR. The college also received twenty one foreign students at under graduate and post graduate level from different countries including Nepal, Bangladesh, Tibet, Sri Lanka, South Africa, Mauritius etc. In addition, it has a Centre for foreign languages wherein students are enrolled for certificate, diploma and advanced diploma in seven foreign languages viz Japanese, Korean, Chinese, German, Spanish, French and Italian. Besides this, the College also has Psychology Resource Centre, The Centre for Well Being and Flourishing which are running major research projects funded by ICSSR, ICPR, UGC, CSIR and DRDO. Recently, two new centres have been inaugurated “Centre for Legal Literacy, Awareness and Aid”, and “Centre for Philosophical Counselling, Values and Well Being” which are the first-of-its kind in the college across University of Delhi. The college has well-furnished and technologically progressive laboratories such as Zebrafish Lab Facility, Drosophila Resource Centre and Plant Tissue Culture Facility. Last year, the college introduced several add-on diploma and certificate courses such as Data Analytics with ‘R’ and “Legal Literacy, Awareness and Aid”. These programmes aim to improve knowledge, skill and personality development of the students.

With the continuous efforts, the college has now evolved into a versatile and dynamic institution with nearly 5000 students coming from across the world, around 190 teaching and 150 non-teaching staff offering a diverse range of courses. The institution envisages to provide value-based education focusing on holistic growth and development by enhancing higher learning in Science, Commerce and Humanities. College has offered all languages, more than 23 skill enhancement courses and 14 value addition courses for students of our college and 16 more are to join in couple of days. Daulat Ram College has also implemented many new initiatives this year to stay at par with the changing times. A significant milestone was achieved this year when the west wing of the academic block was dismantled, and the Vice Chancellor of Delhi University laid down the foundation stone for the new block on 26th August 2022.

This year the college saw the recruitment of 60 assistant professors on permanent position in different departments. My sincere thanks are due to the Screening committee and support extended by Sr. P. A. Ms. Vijayta Rana, STA Mr. Apurv, Assistants Mr. Aman Kakkar and Mrs. Babita Tirkey and all the non teaching staff who are continuously working for helping the college in the ongoing recruitment process. College appointed its permanent librarian, Mr Pawan Tripathi after a gap of 14 years. He has taken initiatives like installing KOHA library management and automation software and D space (institutional repository software) and creating a webpage of the library. Divyang students were made aware of online Braille library system. I congratulate all nine faculty members from different departments who were promoted from Associate Professor to Professor. The college also saw appointment of 9 laboratory attendants on regular position.

The College has been recognized as the nodal college for knowledge network of cluster colleges (North) of the University of Delhi to manage SEC/VAC courses. Under the Vidya Vistar Scheme of Delhi University, Daulat Ram College has continued academic collaboration with Government college,

Chouhtan, Barmer, Rajasthan and Government Girls College, Magra Punjala, Jodhpur, Rajasthan. Recently, a group of visually handicapped students led by Ms Manjula Rath visited the collaborating colleges and exchanged knowledge and culture. Mentor-mentee scheme was also introduced in this academic session wherein, each teacher mentors 25 students from each class for taking up their academics, career and mental health related problems.

Under Internal Quality Assurance Cell (IQAC), college has conducted several Skill Development Programs (SDPs) to impart additional professional skills for building competency, cultural sensitization and diversity integration among the students. Besides this, students also learn through various workshops, conferences, seminars, talks and panel discussions which are organized by the college during the academic year.

Academically, our students have brought good results as well as laurels to our college. The pass percentage in different courses for the year is in the range of 98-100%. I have the pleasure to announce that Ms. Rubal Poonia, MA Psychology IInd Year has secured IIIrd position in North Campus, Delhi University. Ms. Yashi Vashistha of B. Sc. (H) Botany has secured the highest CGPA (9.59) in the first year. There are twenty one students who have got top three University positions in North campus. Notably, appreciation is due to our outstanding student Ms. Khushi Sen, Mathematics (H) IIIrd Year has been adjudged as the All Round Best Student for the academic session 2022-23, who has established herself creditably in academic as well as co – curricular activities. The quad fellowship is an initiative of the governments of Australia, India, Japan and United States. It is a matter of pride for our institution that Ms. Shramana Guchhait of B.Sc. Life Science IIIrd Year is one among 25 students selected for this fellowship from India.

It gives a sense of satisfaction that 72 companies visited the college through the Placement cell. 73 students got placement opportunities in Multinational companies with an annual salary package ranging from 3 to 22 lacs and more than 100 students got internships. I am glad to share that two students got placement worth Rs 22 Lakhs per annum. I congratulate the team of Dr Kalpana Vaish and place greater expectations for the future. The college gave 155 fee concession and 493 scholarship to needy and brilliant students.

NCC DRC had a wonderful year under the guidance of Lieutenant Dr. Suparna Jain. Cadet LCPL Sezer won the Additional Director General Commendation Card this year. Four cadets participated in prestigious Prime Minister's rally. In continuation with our commitment towards holistic development, the college actively encourages students to participate in the National Service Scheme (NSS). The unit conducts numerous drives, awareness sessions, rallies, social fests, etc. throughout the year to contribute to the betterment of society. It has three flagship projects such as Hunger Alleviation Programme, Sustainability Initiative and Child Welfare Initiative etc. under it. NSO gives a lot of opportunities to the students to channelize their energies and develop their physical fitness. NSO organized lectures on procedure of developing fitness level and learn skills of kabaddi, Kho-Kho, Cricket, chess and volleyball. NSO students proudly represented the college in Tiranga Yatra on 10th August, 2022 and Centenary Run on 18th November, 2022 organised by University of Delhi.

The Societies of the College as well as the Associations of its Departments organised multiple intra-college and Inter-college events, international and national webinars/ Seminars, lecture series, Workshops, FDPs, SDPs and field visits etc for the benefit of the students. Many eminent Professors, Law makers and Scientists enlightened the students through online lectures and workshops. The Societies of the College viz Anhad, Alahaya, Memesis, Sepia, Spic Macay, Magic Lantern etc have been participating and winning prizes all over India. ECA committee organized several cultural, academic events and Independence Day, Gandhi Jayanti and Republic Day under the supervision of Dr Darshan Singh.

College is sensitive to its role in inculcating the sense of responsibility amongst the students for preserving and conserving the environment. The recycling unit of college along with Eco Club-Dhara is trying to achieve a status of zero waste discharge premises. To achieve these goals, we have paper recycling

unit, plastic vending machine and leaf shredding machine. A new aerobin was installed this year to recycle college canteen peel wastes in the recycling unit.

College is also keen to acknowledge and appreciate the employees who are the backbone of the institution. Principal's award for the best employee for the year goes to Mr Bhupender Negi, Section Officer Administration (Officiating) and Mrs Babita Tirkey (Assistant). I once again congratulate all the awardees for their contribution to the learning efforts and for bringing good name to the Institution. I will fail in my duty if I do not acknowledge the rich contributions made by the teachers who superannuated after serving the College during the year. Teachers who completed 25 years of service are Prof Rama Pasricha (Botany) and Dr Sunita Gupta (Commerce).

In all the above endeavour, I am deeply indebted to the members of Governing Body for their continuous support and guidance. I take this opportunity to thank the administrative staff, laboratory staff and other karamcharis for their constant support. I thank Vice Principal Prof. Sarita Nanda and Bursar Mrs Pooja Jain, Admission committee Convenors, Dr Archana Gupta and Dr Sunita Gupta, Teaching Programme Committee headed by Dr Gurmeet Kaur, College development and maintenance committee Convenor, Prof. Rama Pasricha, Staff Council Secretary, Dr Sujata V. Raju, IQAC Convenor Prof. Rajni Sahni, ECA incharge Dr Darshan, Warden of hostel Dr Sonia Mehta. Teachers in Charges of various Departments, Convenors of various committees for their zeal, participation and active support in organizing extracurricular and co-curricular activities in the college.

The teaching and non-teaching staff are the pillars of excellence of education in an institution. In order to create strong academic foundations, the faculty members and non-teaching staff are encouraged to update their skills by participating in faculty development programmes, orientation and refresher courses, exchange programmes and workshops throughout the year. Some of our teachers have received various awards in recognition towards their contribution within the field of education. I congratulate them all and offer my best wishes.

I would conclude this report with the hope for the better future for the college. I would like to take this opportunity in thanking you all for being with us here today. I am sure that with your best efforts and wishes Daulat Ram College would continue to excel.

Prof. Savita Roy
Principal

VICE PRINCIPAL'S MESSAGE

The year 2022-23 marks the beginning of 101 years of the University of Delhi and 61 years of Daulat Ram Colleges' existence. The year was historical as the university introduced the National Education Policy 2020, Common University Entrance Test, updated the syllabus of various courses, and added several Skill Enhancement Courses (SEC) and Value Addition Courses (VAC). Admission of students was based on their merit in the Common University Entrance Test (CUET). College was recognized as the nodal college, knowledge network of North cluster colleges of the University of Delhi to manage SEC/VAC courses.

The college continues to progress in leaps and bounds under the dynamic leadership of the Principal, Prof. Savita Roy. As a result, the National Institutional Ranking Framework ranked the college 29th at the National Level. In addition, it has been adjudged 7th in the Science Stream, 15 in Commerce Stream and 17th in the humanities.

A significant milestone was achieved this year when the west wing of the academic block was dismantled, and the Vice Chancellor of Delhi University laid down the foundation stone for the new block on 26th August 2022; the construction of the new wing is in progress now. We are also adding a portacabin to provide more classroom space in the college till the building is complete.

This year saw the recruitment of 74 assistant professors permanently in the Biochemistry, Botany, Economics, Mathematics, Physics, NHE, History, Sanskrit, and Philosophy departments. In addition, the screening of English, Hindi, Political science, Chemistry, and Psychology is complete, and the college is preparing to hold their interviews very soon.

Some other advancements of importance include the inauguration of the Centre for Legal literacy, awareness and aid in the college on 17th October 2022. The three-month Certificate courses, Diploma and Advanced Diploma on Legal Literacy awareness programme were launched. In other initiatives like the Vidya Vistar scheme, we continued cooperating with Rajasthan colleges, Govt Girls College, Magra Punjala, Jodhpur, and Government college Chouthan, in academic and cultural activity. A group of Visually Handicapped students led by Ms Manjula Rath visited these Rajasthan colleges and exchanged

knowledge and culture. Moreover, we organized several programs under G20 and Azadi ka Amrit Mahotsav. We have also taken several initiatives to hold several health checkup camps in collaboration with the hospital team for the health checkup of students. Several programs on Intellectual Property Rights and Career Counseling were organized to impart training to the students. The placement cell attracted 18 new companies to visit the colleges, and one of our students got placement worth Rs 22 Lakhs per annum.

The college saw the recruitment of Mr Pawan Tripathi as a librarian who has brought new life into the library by contributing several improvements like installing KOHA library management and automation software and D space (institutional repository software) and creating a web page of the library.

In the eco-friendly initiatives, the addition of a new shredding machine has increased the yield of leaf compost manure. The revenue generated from the selling of recycled leaf waste compost was used to purchase and install Aerobin to recycle college canteen peel wastes in the recycling unit. All the first year environmental studies students studying environmental studies were trained for a week in the recycling unit. The NGO Ecoprabhandhan is carrying away the college's segregated waste and helping us achieve zero discharge off campus.

The Hindi dept managed the Student Advisory board. Student elections were held in the month of January. The union has taken its oath and has begun working. The student union president, Ms Sarita Dahiya and her team are planning student activities in March.

The college is also preparing for the second accreditation cycle by the National Accreditation and Assessment Council this year and hoping to achieve greater heights.

The present edition of the annual report 2022-23 carries all the information on the academic, co-curricular and extracurricular activities of students, faculty and non-teaching staff. I appreciate the effort our faculty members and administrative non-teaching staff have put into bringing out this edition of the annual report.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) of Daulat Ram College works with the vision and mission of upgrading and maintaining the quality of holistic development of students. It aims to improve the quality of teaching, co- curricular and extra-curricular activities of the college. To achieve this goal, it makes an academic calendar at the beginning of the academic session to schedule the academic teaching, examinations and the various types of activities which students can plan to participate in, throughout the year.

These activities include the Skill Development Programs (SDPs) which are designed to impart additional professional skills for building competency, cultural sensitization, and diversity integration among the students. These are scheduled during the vacations so that students can attend them. Besides this, students also learn through various workshops, conferences, seminars, talks and panel discussions which are organized by the college during the academic year.

The college has also introduced several add-on programmes for enhancing holistic development of the student. These programmes aim to improve knowledge, skill and personality development of the students. The add-on courses also earn revenue for the college.

One of the add-on courses that has culminated into opening a centre in the college is on legal Literacy, Awareness and Aid bringing awareness about in the subject. The college holds a certificate course on the same. Another add-on course that has been highly beneficial to the students is on “Data Analytics Using Python.”

The college has entered into an academic collaboration under the Vidya-vistar scheme, with Government College, Choutan and Government Girls College, Magra Punjala, Jodhpur, Rajasthan. The partnership aims to facilitate sharing of resources and expertise amongst the partnering institutions to enhance the academic capital of the students and faculty.

The college has invited proposals from its faculty to undertake multi/interdisciplinary research projects. These projects propose to involve the college students as well for further enhancing their learning experiences.

Mentor-mentee scheme was also introduced in this academic session wherein, each teacher mentors 5-6 students from each class. Two such meeting every month were proposed. This scheme has already kick-started and various issues ranging from academics, to career, along side mental health related are being taken up.

Other than introducing and maintaining these activities, IQAC also assures imparting of quality education by assuring holding classes as per the academic curriculum, being surveillant about proper internal assessment for the students and having Semester exams as per the University requirements.

The IQAC (Academic Session 2022-24) comprises of the following members:

TED^x DRC

Founder and Convener - Dr. Sonia Mehta

We at Tedx Daulat Ram College, University of Delhi, are overjoyed to have received once again a license from the well respected and famed non-profit, non-partisan international organization TED to come up with its **Third Edition** but this time OFFLINE in the session 2022-23 and to make a fantastic comeback following the Pandemic hiatus.

In the session 2021-22 we established a successful covid task force which helped pool resources and aid individuals in need. After this TEDxDRC held its first-ever three-day Instagram live session with the theme "IdeaTED" in a Q&A format to motivate young people and effect change which included several outstanding speakers consisting the legendary Wrestler Sakshi Malik, Dancer Kunwar Amar Singh and IAS officer Athar Aamir Khan between 4-9 September 2022.

We then conducted our daylong annual flagship event with the theme "*limit tends to infinity*" on 29th January 2022, featuring some incredible speakers. The honorable list included major personalities and speakers like Entrepreneur Samir Modi, Educator Amar Dhatarwal, Actress Madalsa Sharma, Leadership Strategist Shade Zahrai, Actor Mahesh Thakur, Chef Ajay Chopra and Commercial Pilot Capt. Zoya Agarwal. Additionally, the guest list was cherished with the delightful performances of Magician Cathelyn Ravn and Singer Samyank Prasana. Without a doubt, these events exceeded expectations and were successful in upholding TED's unrivaled heritage with an active viewership of more than 700 individuals. The session was efficiently broadcasted through zoom and TEDxDRC youtube, which connected our guests from all across the globe.

Similar to how all times finally come to an end in order to make space for good memories, the previous union of TEDxDRC bid adieu with the valedictory function on March 11th, 2022. The Valedictory function was conducted smoothly in the presence of our beloved principal Prof. Savita Roy and our convener Dr. Sonia Mehta.

Following that, the first recruitment announcement was made for the batch of 2022–2023 organizing team from 2nd and 3rd year DRCians on November 5th 2022 with three extensive rounds, which was then followed by an orientation session on November 13, 2022 for a fresh batch. The online orientation and presentation of union members was a massive success with engagement of more than 100 students, especially freshers, who showed their immense enthusiasm through form registrations of over 150 candidates.

The second round of recruitment began right after that, which included a group discussion round and lastly a personal interview. Today, TEDxDRC stands with a creative group of women who strive to carry forward the TEDx heritage and do everything in their power to make the finest TEDx sessions, events and speeches possible. It actively engages with exhilarating and functional domains like creative, content, marketing, management, sponsorship and oration. We have a power-house of 80 core members and 73 volunteers from

all disciplines and years working under the umbrella of TEDxDRC, which are being headed by few dynamic women.

TEDxDRC proudly presents to you all the dream team, our union for the session of 2022-23. It is their consistent effort and self-belief which will pave the path of the future of this organization. They are the people who will successfully marshal all the team members and the organization to achieve success and uphold its legacy and, in the end, will lead to create a magical and mesmerizing symphony.

Dr. Jyoti Sharma
Ms. Richa Dawar
Ms. Renu Yadav
Ms. Soumya Sharma

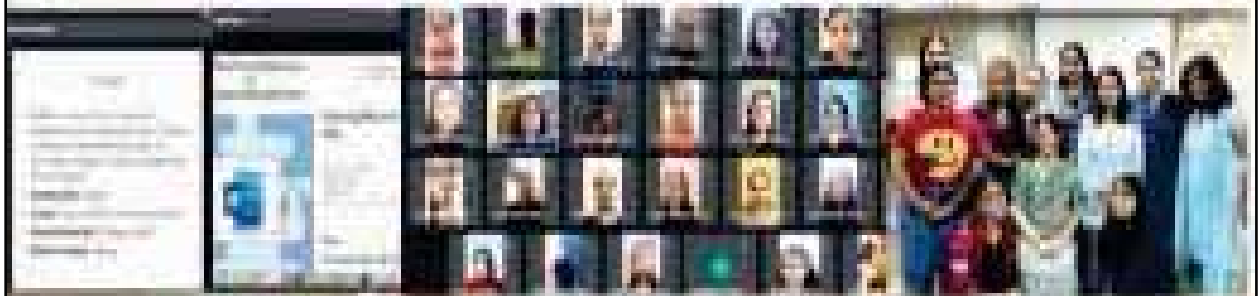

Daulat Ram College is a pioneer in organizing In-house Skill Development Programs under the esteemed guidance of our Principal Prof. Savita Roy. The Skill development program was launched in 2015 with an intention to bring about constructive changes in paving the pathway to build a strong and progressive skill based education, integrating knowledge with requisite skills to foster holistic development of the students at Daulat Ram College. Over the past 8 years more than 60 short term in-house skill development programs have been conducted successfully by the college training more than 2000 students of the college in various life skills. The vision behind the initiation of skill development programs has been to strengthen and optimize the capabilities of our students by providing them an educational environment fostering skill development that will make them not only more self-reliant but also enable them to create opportunities for others through entrepreneurship initiatives offering occupational choices and opening windows for economic growth and sustainability

The theme of the Skill development program for the year 2022-2023 is “Skills for Employability, Building Competency, Cultural Sensitization and Diversity Integration”. Various skill development courses were launched under this theme. The approach of each course was interdisciplinary with two departments collaborating together. The courses were held only for students of Daulat Ram College, for a week during the summer, winter and mid-semester breaks. Various Skill Development Programs have been organized on various themes such as basic electronics and instrumentation for career advancement, Indian cultural tradition and diversity integration, science communication, bioinformatics, basic tools and application, business value development analysis with career perspectives, learning R-statistics, developing psychometry skills, yoga ananda and unveiling animal world in behavioral way.

All the departments of the college organized the two day In-House E-Skill Development Programme on Enhancing Learning Through ICT Tools on 26th and 27th November, 2022 to equip the new batch of first-year students with necessary skills for the hybrid teaching-learning process. Apart from the various Digital Platforms like Google meet, Google Classroom, Zoom etc. the SDP also trained the students in tools which utilize discipline specific digital resources. Around 1000 students benefited from the E-Skill Development Programme. The valedictory program will be organized in April 2023. I would like to extend my heartfelt gratitude to all my team members for their support and cooperation in successfully coordinating various programs under SDP.

DATA ANALYTICS WITH 'R'

Director: Puneet Jain

Short Term Courses, MDAE (<https://www.meghnaddesaiacademy.org/coordinator>)

Course Coordinator: Dr. Malini Sharma

Daulat Ram College has offered short term certificate course on Data Analytics with 'R', in collaboration with Meghnad Desai Academy of Economics, Mumbai. 'R' is an open-source user friendly programming language. It is freely available and can be operated easily. Being an open source, 'R' is covered under the GNU General Public License Agreement. In addition, developments in 'R' happen at a rapid scale and the community of developers is huge.

About MDAE

Meghnad Desai Academy of Economics (MDAE) is a post-graduate academy started by some of India's leading economists and financial professionals. MDAE was established in the year 2015 with the objective of training students to take up roles as market economists, data scientists, bankers, consultants and policy experts in the real world. Our board comprises Lord Meghnad Desai (Life Peer, House of Lords, Emeritus Professor, London School of Economics), Dr. Ajit Ranade (Chief economist, Birla Group), Tushar Poddar (Macro Strategist, Wellington Management), Niranjan Rajadhyaksha (Research Director, IDFC Institute), PD Singh (MD, JP Morgan) and Mangal Goswami (Deputy Director, IMF-International Monetary Fund). The focus of the curriculum is to develop quantitative, problem solving and analytics skills required for today's jobs.

Over the past 5 years, MDAE has graduated over 130 students, who have found tremendous success in the corporate world. Students have been hired in the analytics space (Mu Sigma, Fractal Analytics, Think Analytics, Edelweiss Tokyo), in Finance (Morgan Stanley, Deutsche Bank, RBS, JP Morgan), in consulting (Deloitte, Praxis, EY, JLL) and public policy (IDFC Institute, RBI, Gateway house).

Course Timeline

Course commenced from 14th August, 2021 till 16th October, 2021 (Every Saturday & Sunday 3:00 - 5:00 p.m.)

Course Duration

Short -Term Certificate Course - 30 hours (20 hours teaching and 10 hours assignment and project)

Course Objective

The main objective of the course is to create a better understanding of 'R' language for students. The course would enable a student to do data visualization and analysis using 'R' programming. Further, the course would enable skill and professional development of the student. A course in data analytics would be beneficial for students in their higher studies, research and projects. The course will make them more friendly with data and equip them to operate in a more scientific way, thereby meeting the present-day demands of the job market.

Course Structure

Introduction to 'R' (Downloading 'R', working on vectors, importing data, descriptive statistics), Basic concepts, Manipulating data and extracting components, Program or script writing, Graphics with 'R', Probability distributions - Normal, Standard Normal, Binomial & Poisson, Hypothesis testing, (Z test, chi-square etc), Hypothesis testing - F and t distributions, OLS regression (Linear Modelling), Bi - variate and multivariate regression, Violation of OLS assumptions (autocorrelation, heteroscedasticity, etc)

- Session 1 - Introduction to R console and editor, idea of packages in R, Types of data- integers, characters, numeric, logical, factor, dates, etc. Types of objects: lists, vectors
- Session 2 - Creating and working with simple vectors, merging vectors into a single data set, Basic mathematical and statistical operations - Calculating measures of central tendency and dispersion
- Session 3 - Importing data from an excel sheet into R and exporting data from R to excel and Writing functions, if-else statements and generating loops
- Session 4 - Introducing the basic plot function- scatter plots, lines, steps, box plots, adding parameters to the basic plot function - creating legends, adding background colors, grid lines, viewing multiple graphs and Bar plots, histograms, pie charts, Quintiles, Percentiles, Q-Q plots
- Session 5 - Probability - counting, generating random variables, discrete and continuous probability, ANOVA, linear regression and its diagnostic checks and plots
- Session 6 - Introduction to R (Downloading R, working on vectors, importing data, descriptive statistics) and Graphics with R
- Session 7 - Probability distributions - Binomial and Poisson, Normal and standard normal distribution
- Session 8 - Hypothesis testing, Z test, chi-square, Hypothesis testing F and t distributions
- Session 9 - OLS regression Bi - variate and multivariate regression
- Session 10 - Violation of OLS assumptions - autocorrelation, heteroscedasticity

Method of Evaluation

Attendance requirements: 90% minimum

Assignment: 1 Pre-evaluation, 1 post evaluation

Project: Case study and live project with industry

Certificate will be issued to only those candidates who will meet attendance requirements and completed the assignments and projects

Course Grading

Attendance: 30 points

Assignments: 10 points

Project report: 10 points

Grades

A: Points between 41 - 50

B: Points between 31 - 40

C: Points between 21 - 30

D: Points between 11 - 20

E: Points between 0 - 10 Course Structure

Key Takeaways

Evaluation 1: Pre-course evaluation

Evaluation 2: Post-course evaluation

10 sessions of 2 hours each: 20 hours teaching

10 hours: project, assignment

Industry project with Breath AI (company project)

1 session of resume building and interview tips

Access to MDAE's Career Fair

MDAE and DRC Certificate, Lifetime recording

Course Learning Outcomes

Hands-on experience of handling and manipulating data on 'R', Learning of different techniques of graphically visualizing data on 'R'. A better understanding of statistical concepts of probability distributions, hypothesis tests and regression by learning how to apply them on real data and interpret the results and modelling economic data to understand relationships.

Resource Persons

1. **Dr. Sandhya Krishnan:** Assistant Professor, MDAE & Ph.D. from University of Amsterdam, MA in Economics from University of Mumbai. Teaching courses in the areas of applied econometrics and development economics
2. **Dr. Ishita Ghoshal:** Assistant Professor, Fergusson College, Pune & Ph.D. (Gokhale Institute of Politics & Economics, Pune), MA Economics & BA Economics. Teaching courses in the areas of Macroeconomics, International Economics, Applied Econometrics

Feedback & Important Details

We conducted the course with a total of 120 students (43 from Daulat ram college). It was a very well-received course with an average rating of 4.2 out of 5. It was an interdisciplinary course and students across various disciplines (B.A. Prog., B.Com., Physics, Chemistry, Zoology, B.Sc. Life Sciences, Economics, Mathematics, Political Science, English, Philosophy & Psychology) had participated. The sessions went on smoothly and timely and students submitted the project also as per deadlines. Course started on 14th August, 2021 and ended on 16th October, 2021. Classes were held on weekends and we did an industry-led live project for the students, for applicability of the course to real life analysis. The course consisted of graded assignments and case study-based assessment too. MDAE also took resume building and career counselling sessions.

MDAE in collaboration with Daulat Ram college made this course free for students of college: Government Girls College, Magra Punjala, Jodhpur as a part of Vidya Vistar Scheme (VVS). 12 Students from this college had registered and completed the course successfully. We went an extra mile and made the course bilingual for easy understanding of these students. These students also provided good feedback for the course.

Benefits/ significance of the course

- Skill and Professional Development of the student
- Certificate for completion of the course (Joint Certification)
- Connecting with industries for placement
- Expert Guidance
- Mock Interview

LEGAL LITERACY, AWARENESS AND AID (LLAA)

Course Coordinator : Dr. Sonia Mehta

The college is offering Add-on courses on “**Legal Literacy, Awareness and Aid**” in collaboration with Delhi State Legal Services Authority (DSLISA), under the supervision of Course Coordinators- **Dr. Sonia Mehta, Associate Professor, Department of Philosophy, Daulat Ram College and Honourable Judge, Ms. Harshita Mishra, Metropolitan Magistrate/Secretary (Litigation) Delhi State Legal Services Authority**. This course is specially designed to educate learners and young professionals from non-law field about the theoretical and practical aspects of the legal framework. The objective is to develop understanding of the interdisciplinary nature of law and its relations with the parent disciplines.

The overall rationale of the course was to establish a clear and holistic perspective about the legal system and its applications in today’s globalised, technological know-how and competitive world. It also aimed to cultivate and enhance technical acumen and skills about the processes of legal and judicial institutions, so that their services can be accessed and availed for public advocacy. Also, it will create more awareness of how one of the world’s largest democracy works. Moreover, such courses are now integral requirement in our College education and University education system and also the **basic precept of National Education Policy 2020**.

We are proud to inform that we have successfully conducted the first batch of Certificate Course in online mode in the academic session 2021-22, where we had 32 students enrolled from diverse fields of different age groups. The course covered modules on - **Know your Rights/Remedies, Legal Procedure, Women related laws, Legal Services in India**. We had **100% passing result** where students had passed the course with flying numbers. We received a positive and overwhelming feedback from students who found the sessions insightful, interactive, and had an enriching learning experience with the practical cases shared by Eminent members from Judicial and Legal Fraternity as resource persons:

- Honourable Judge, Sh. Kanwal Jeet Arora, Additional District & Sessions Judge, Member Secretary, DSLISA.
- Honourable Judge, Ms. Namrita Aggarwal, Additional District & Sessions Judge, Additional Secretary, DSLISA.
- Sh. K B Rai, Former Advisor Administrative Reforms.
- Honourable Judge, Sh. Gautam Manan, Additional District & Sessions Judge, Special Secretary, DSLISA.
- Honourable Sh. Sumeet Anand, Delhi Judicial Services, Secretary New Delhi DLSA.
- Honourable Ms. Harshita Mishra, Delhi Judicial Services.
- Honourable Sh. Harjeet Singh Jaspal, Judge, Delhi Judicial Services Secretary North DLSA, Rohini Courts.
- Honourable Sh. Aashish Gupta, Metropolitan Magistrate, Secretary, Shahdra DLSA.
- Honourable Judge, Sh Prashant Sharma, Additional District & Sessions Judge, Tis Hazari Courts, Delhi.
- Dr. B. T. Kaul, Advocate, Supreme Court & Delhi High Court.
- Honourable Ms. Neha Priya, Metropolitan Magistrate, Secretary South West DLSA.
- Honourable Ms. Saema Jamil, Metropolitan Magistrate, Secretary East DLSA.
- Honourable Ms. Nupur Gupta, Metropolitan Magistrate, Patiala House Courts.
- Honourable Sh. Himanshu Sehloth, Metropolitan Magistrate, Ld. Secretary, Central-II DLSA.
- Honourable Sh. Abhishek, Metropolitan Magistrate, Ld. Secretary, North West, DLSA.

The second batch of the Certificate course was conducted from 17th October 2022- 25th February 2023 for the first time in offline mode. There were 31 students enrolled in it, from **diverse background and fields** at under graduate, graduate, post graduate level and from corporate world. It included 30 sessions **delivered by eminent and experienced resource persons from judicial and legal fraternity which are as follows:**

- Honourable Ms. Anuradha Jindal, Metropolitan Magistrate, Secretary South West DLSA, Dwarka Courts.
- Honourable Ms. Harshita Mishra, Metropolitan Magistrate, Secretary (Litigation), DSLSA.
- Sh. K B Rai, Former Advisor, Administrative Reforms Dept.
- Honourable Sh. Sumeet Anand, Metropolitan Magistrate, Additional Secretary, DSLSA.
- Honourable Ms. Saema Jain, Metropolitan Magistrate, Secretary East DLSA, Karkardooma Courts, Delhi.
- Ms. Qurrutulain, Advocate on Record, Supreme Court of India.
- Honourable Ms. Rishika Srivastava, Metropolitan Magistrate, Secretary, Central DLSA, Tis Hazari Court.
- Honourable Sh. Lalit Kumar, Metropolitan Magistrate, Secretary, Central-II, Rouse Avenue Courts, New Delhi.
- Honourable Judge, Sh. Sushant Changotra, Additional District & Sessions Judge, Special Secretary, DSLSA
- Honourable Sh. Puneet Nagpal, JSCC/ASCJ/GJ, North West District, Rohini Courts.
- Honourable Ms. Isha Singh, Metropolitan Magistrate, Secretary, South East DLSA.
- Honourable Sh. Anurag Bindal, Legal Aid Counsel (ADJ Panel).
- Honourable Sh. Pranat Kumar Joshi, Metropolitan Magistrate, Secretary Shahdara DLSA.
- Honourable Sh. Vinik Jain, Metropolitan Magistrate, Secretary North East DLSA.

The students were taken **for field visit as a part of their Course to Kakardooma Court, DLSA, Shahdara office and Police Station, Anand Vihar**. The students got the opportunity to see a live session of- family Court of Honourable Judge Mrs. Sarita Birbal, Civil Court of Honourable Judge Mr. Aman Kumar, Court of Honourable Mr. Ajit Naaryan, visit Vulnerable Witness Room, Mediation Centre where they interacted with Honourable Judge Manjusha Wadhwa (Judge-In-Charge, Mediation Centre, Kakardooma Courts), front office of DLSA where they interacted with Sh. Pranat Kumar Joshi, Metropolitan Magistrate (Secretary, DLSA). The students also visited the Anand Vihar Police Station where Sub Inspector Ms Bharti explained the operations of police. The students found the visit informative and got to learn hands on about the Court and Police functioning.

Additionally, on 21st February 2023, the enrolled students participated in the first event, organised by the Centre for Legal Literacy, Awareness & Aid in collaboration with Central District Legal Services Authority under the aegis of NALSA and DSLSA on the topic **“Legal Awareness Programme under Project Sparsh- Ending Vitriolage on Laws Relating to Acid Attack”**.

Also, feedback was also taken where positive response was received from the students enrolled. They overall **found the course beneficial** as it increased their practical and theoretical knowledge about the legal system, terminology and framework and made them more aware about their legal rights. As most of them would like to enrol for the next level course, the coordinators plan to introduce the i.e. **Diploma course in the next academic session as well as start with third batch of Certificate Course**.

CENTRES

CENTRE FOR LEGAL LITERACY, AWARENESS AND AID

Centre Coordinator : Dr. Sonia Mehta

“The knowledge of law is integral for enlightening one’s mind in diverse fields”

With this thought in mind, and following with the legacy of excellence, on 17th October 2022, **Inauguration of “Centre for Legal Literacy, Awareness & Aid”**, was conducted successfully. The session was graced by esteemed guests from Legal fraternity and University of Delhi as follows:

- Chief Guest: Honourable Justice M. L. Mehta, (Former Judge-High Court of Delhi), Chairman, DDRS (Dept. of Law, Justice & L.A.), Govt. of NCT of Delhi as Chief Guest
- Presided by: Prof. Balram Pani, Dean of Colleges, University of Delhi
- Chief Patron: Mr. Mukul Gupta, Chairman, (Governing Body) Daulat Ram College, University of Delhi
- Presidential Address by: Honourable Sh. Bharat Parashar, District Judge/ Member Secretary, Delhi State Legal Services Authority (DSLISA)
- Guest of Honour: Dr. Vikas Gupta, Registrar, University of Delhi
- Founding and Academic Advisory member of LLAA Add-on Courses: Honorable Judge Sh. Kanwal Jeet Arora, Registrar (Vigilance), Delhi High Court, New Delhi
- Principal: Prof. Savita Roy, Daulat Ram College, University of Delhi
- Academic Advisory member of LLAA Add-on Courses: Prof. Alka Chawla, Professor in Charge, Campus Law Centre, Faculty of Law, University of Delhi
- Academic Advisory member of LLAA Add-on Courses: Honorable Judge Sh. Sumeet Anand, Metropolitan Magistrate/Additional Secretary, Delhi State Legal Services Authority (DSLISA)
- Course-Coordinator of LLAA Add-on Courses: Ms. Harshita Mishra, Metropolitan Magistrate/ SECRETARY (LITIGATION), Delhi State Legal Services Authority (DSLISA)

The guests congratulated the college on opening of the **First-of-its-Kind-Centre** in the college across University of Delhi and motivated the students with their words of wisdom. We thanked all the dignitaries for their gracious presence, support and blessings. The session also included Orientation of **second batch of Certificate Course on Legal Literacy, Awareness & Aid**, where students were given overview of the course and evaluation mechanism.

The Centre is situated at first floor of Sadbhavna Bhawan of the college. Awareness of the juridical process and knowledge of the existent systems is what any well-read individual ought to possess. The Centre aims to cultivate technical acumen and enhance skills about the processes of legal and judicial institutions, so that their services can be accessed and availed for public advocacy. The Centre is opened with the mission to provide a platform for people to seek legal aid and guidance. To create consciousness among the community at large about legal framework and proceedings, by acting as a linking point between those who want to avail legal service but unable to and the legal service providers at the other end. The efforts are to reduce this gap and be an avenue for masses to get justice. The goal is to familiarise people with the transforming and empowering potential of law. The aim is to remove fear among common people about legal system and make them comfortable to avail its services by spreading awareness about law and legal processes.

It plans to have open houses for students and faculty members, where they can get resolutions for their legal issues by seeking advices of judiciary members. It also aims to create awareness about various social issues being faced by society, by organising programmes, awareness drives, workshops and seminars for it. The Centre will be inviting eminent speakers from legal and judiciary fraternity, to spread awareness and share their legal journey and experiences for the betterment of the society. It will be collaborating with authorities such as Delhi State Legal Service Authority (DSLISA), to educate the common man about their rights and duties. To help especially the marginalised section on how they can avail the legal services and get justice.

With the above objective in mind, the Centre organised its **First event in collaboration with Central District Legal Services Authority under the aegis of NALSA and DSLISA on the topic “Legal Awareness Programme under “Project Sparsh- Ending Vitriolage on Laws Relating to Acid Attack”**. We are thankful to our esteemed guests Honourable Sh. Pranat Kumar Joshi, Metropolitan Magistrate, Secretary, Shahdara DLSA and Ms. Gurpreet Kaur, Panel Advocate for gracing the occasion. They enlighten the audience comprising of 150+ students and faculty about the brutalities faced by acid survivors and about the legal framework there for providing justice to them.

This initiative wouldn't have been possible without the unwavering support of our Chairman Mr. Mukul Gupta, Chairman of the college, who believes that legal understanding is vital and every citizen should be provided the means of availing the legal services. The constant guidance of our Principal, Prof. Savita Roy along with her encouragement to give back to community has helped us in undertaking this endeavour successfully. The centre plans to organise many such more programmes in future for the betterment of the community and society at large.

CENTRE FOR PHILOSOPHICAL COUNSELLING, VALUES AND WELL-BEING

Coordinator : Dr. Sonia Mehta

It is with immense pleasure, we would like to inform and congratulate to everyone about the opening of **“The Centre for Philosophical Counselling, Values and Well-being” the first-of -its kind in the college across University of Delhi and second in India.** We proudly announce and delighted to account its inauguration that we executed with much valour and zeal on the 27th February, 2023 via Zoom Platform. We take utmost pride when we say that we have accomplished Delhi University's first-one-of-its-kind. We feel blessed for having the opportunity of becoming the pioneers of the platform, "Centre for Philosophical Counselling, Values and Well-being.

This day was marked with the presence of **Prof. Rajaneesh Kumar Shukla, Hon'ble Vice-Chancellor- Mahatma Gandhi Antarrashtriya Hindi Vishwavidhyalya, Wardha, as our Chief- Guest, Prof. Sachchidanand Mishra, Member Secretary- Indian Council of Philosophical Research (ICPR), New Delhi, as our Guest of Honour and Prof. Balaganapathi Devarakonda, ICCR Chair for Indology- The University of the West Indies, Mania, as our Keynote speaker and Prof. Savita Roy, the Principal of Daulat Ram College.** We have been very grateful that they all have willingly spared their valuable time in order to be with us for the inauguration. Their esteemed presence was an honour.

In contemporary discourse, Philosophical Counselling or Therapeutic Counselling as *Praxis*, has sprung from applied or practical philosophy. Philosophical Counselling is an evolving and promising field providing alternative or supportive solutions to problems faced by human beings. It comprises the implementation of philosophical methods and principles of analysis to understand the ultimate nature of reality, life and human existence. This knowledge helps in the resolution of the problems that human beings have been grappling with since antiquity. Life's big questions revolving around the concepts such as meaning and purpose of life, values, truth, justice, death, fairness, and relationships can be better understood from a philosophical perspective.

With this thought in mind, the proposed Centre will make a sincere effort to provide holistic solutions to countless problems encountered by rational beings in the course of living their lives. The philosophical insights and methodologies will be employed, like, critical thinking skills, Socratic dialogical method, art therapies, conflict resolution mechanisms, perspectival seeing, contextualization, spiritual and yogic therapies, meditation therapies and others in the form of modules.

- In this way the centre will help in mitigating the gap between theory and practice through a non-clinical approach.
- Will develop awareness and mindfulness to identify problems which arise within our ordinary life and specific work-related situations.
- Will nurture useful “life skills” for personal and professional life.
- Will develop a holistic perspective about problems faced in life.
- Will help in discovering the deeper meaning of life to heal a person from the depths of their own being .
- One can find new, meaningful and wholesome ways of thinking as well as leading a good life.
- Will help the agent in becoming inquisitive, well informed, self-directed, self-monitored, self-corrective and self-reflective in all fields of life.

Under the array of the above-mentioned modules, the centre will plan out to organize Workshops, Student Development Programs, Faculty Development Programs, Skill Enhancement Training Programs, Add-on Courses, Seminars and Conferences to enhance the skill sets of students, teaching and non-teaching staff of Daulat Ram College and beyond.

The opening of the ceremony was done with the salutations proposed by the Centre Co-ordinator, Dr. Sonia Mehta following which the unveiling of the Logo for the Centre happened -created by two outstanding students of B.A. hons. Philosophy 3rd year: Naini Mishra and Yashwi Singh under the guidance of Dr. Sonia Mehta. The honours so done was by Hon'ble Prof. Rajaneesh Kumar Shukla and the Philosophical interpretation of the logo was narrated –“three elements have been used here - an eye, the yogic posture and a hand that nurtures the world through its mystic rays. Intension is to put forth the concept of perception that originates and settles from and within oneself. The colour Blue is assigned to the eye as it is the apparent colour of the sky that represents setting ourselves off all the bondages. However, the yogic posture personifies consciousness in action, values and well-being. The relevance it holds is purely our holistic approach towards the Centre for Philosophical Counselling, Values and Well-Being approved under the Aegis of IQAC.

This day observed the footfall of nearly 130 participants, internationally. We witnessed a worthwhile address by Prof. Balaganapathi Sir. In his speech, he mentioned some of the integral topics related to the National Educational Policy, Post Covid World, about the development of Philosophical practices etc. The major foundation he laid in his speech was that, how can one become intelligent by taking care of oneself and that Self Knowledge is not Possible without self-introspection.

Our Guest of Honour, Prof. Sachchidanand talked about Philosophical and Psychological counselling incorporating the Indian aspect of the two. He explicitly stated how Nirvana can be achieved and how happiness should be the goal of human life. He closed his speech by saying that an equilibrium between Shreyas and Preyas can lead towards a happy life.

"Man is the best creature of the cosmos. One can know everything on the basis of reason. Knowledge is not learning lines etc, it is far more than that. It is introspecting- Who am I?", were some of the words uttered by Prof. Rajaneesh that we carried along post the event and shall carry it with us till eternity. We also noticed an interest too keen from our Principal ma'am, Prof. Savita Roy. We monitored a sense of satisfaction and delight from her end too that eventually made us the happiest.

We witnessed the event in awe. Nothing could have been more enriching than what we already received from such eminent personalities and an outstanding audience. Our gratefulness was at par with the output that these dignitaries curated for us. Our regard was put into words by one of the faculty members of the Philosophy department, Dr. Chandan Kumar Pandey in the vote of thanks proposed by him.

With this we marked the end of a gracious day and an event quite enchanting. We'd like to grab the honour to propose our sincere regards to our eminent dignitaries, our Principal ma'am, Prof. Savita Roy, the centre - coordinator who also hosted the event, Dr. Sonia Mehta and towards all the faculty members and the precious audience who showed us with their diligent presence for being vital in pulling together this event.

Follow us on our official Instagram page: [cpcvw_drc](#), for further details, updates and to know more about us on our official social handles. Keep an eye out for exciting things coming up in the year ahead and join us in our journey.

Stay tuned!

CENTRE FOR WELL-BEING AND FLOURISHING

Dr Pooja V. Anand
Convener

The Centre for Well-being and Flourishing under IQAC, Daulat Ram College organized the event called **‘Positive Conversations 3.0: Igniting the H.E.R.O within’** on 29th September, The aim of the event, **Positive Conversations: 3.0: Igniting the H.E.R.O within**, is to invite our college students and colleges collaborating with our college under Vidya Vidya scheme to narrate their stories of hope, efficacy, resilience and optimism (the full form of H.E.R.O.) to inspire other students. The following students were speakers at our event: Nidhi Malik, BSc Hons Physics II year, DRC (Hope); Deepshikha Deb, BA Hons Sanskrit III year, DRC (Self-efficacy); Anubha Bajaj, BA Hons Psychology III year, DRC (Resilience); Yashika Yadav, BA Programme II year, DRC (Optimism) and Ishika Gehlot, BSc III year, Rajkiya Kanya Mahavidyalaya, Jodhpur (Optimism). Even though the life stories were categorized according to the most significant strength depicted in them, each life story involved many more character strengths. Each student shared their life story in terms of the numerous challenges they have faced and how due to their positive attitude, determination as well as support from others they have bounced back from adversity.

The Value Engagement centre’s IInd Capacity Building Program focus on “Values for enhancing Happiness and Productivity” under the convenership of Prof Meetu Khosla for 25 non-teaching staff members in March 2023 for a week. The main themes for the program are Values promoting happiness, regulating negative emotions at work, relaxation and meditation exercises, creative coping, managing stress at work, effective communication to increase productivity, building resilience at work, techniques to manage time, and making work more meaningful. The aim is to enhance capacity for efficient performance, work productivity and dealing with negative emotions and becoming happy.

Value Engagement Centre & Mental Health Centre organized the A(Awareness) D(De-stigmatization) and S(Seeking-help) III program for promoting, enhancing and maintaining health under the convenership of Prof Meetu Khosla was held on 7, 8 and 9 February 2023 by the psychology department. More than 150 students from various departments of the college participated in the program. This program is in coordination with the Value Engagement Centre and the mental health centre and focuses on the following themes:

1. Awareness of Mental Health issues (Promoting a Change in Minds about mental illness)
2. De - Stigmatization (changing perspectives towards mental illness and enhancing acceptance) and
3. Seeking Help (resources for seeking healthcare, efforts for maintaining mental health)

DROSOPHILA RESOURCE CENTRE

Drosophila Resource Centre, Biochemistry Department

Associated Faculty: Dr. Sunita Joshi (Retired Associate Professor)
Dr. Neeru Dhamija
Dr. Anita Goel

Drosophila Resource Centre was set up in Department of Biochemistry in 2012. The centre was funded by DBT Star College Project. It aims to teach the basic principles of genetics using Drosophila as model system. Almost 300 students have been trained since its inception. Students of different life science streams such as Botany, Biochemistry, Life Sciences and Zoology from DU and Punjab University have been trained at the centre. A lab manual on 'Rediscovering Genetics' has been published in 2016 that covers the range of experiments performed by the students at the centre. The students have been immensely benefited by this training which is reflected in their selection and pursual of higher education in genetics from prestigious places. The centre also provides stocks and support to many colleges of Delhi University, AIIMS and Sanatan Dharm (P.G.) college, Muzaffarnagar. Students get hands-on training on preparation of fly food, culturing and maintenance of flies, male female differentiation, identification of mutants, performing crosses to analyse principles of genetics and many more. It also conducts workshops for training students and teachers of other colleges of DU since its inception. In September 2022, workshop was organized for our sister department, Department of Biochemistry, Shaheed Rajguru College of Applied Sciences for Women where 2 faculties and 24 students have been trained in drosophila genetics and were helped in establishing the facility in their college. Students showcased the activities of Drosophila Resource Centre at Gyanotsav-2079 held at IARI, Pusa Campus from 17th to 19th November 2022.

Dr. Neeru Dhamija and Dr. Anita Goel attended Hands-on-training on "Animal models for teaching and research" held at BHU from October 7th to 9th, 2022 for updating themselves with the current research in the field.

Drosophila Resource Centre, Zoology Department

Associated Faculty: Dr. Madhu
Dr. Sonika Sharma

The Drosophila Resource Centre in the Department of Zoology was set up and maintained by Dr. Chitra Bhasin. Since its inception in 2013 the centre has been providing hands-on training to undergraduate students to introduce the students to this interesting insect- Drosophila. It is a favourite model organism and is used extensively to study genetics and developmental biology. Students also learn the nuisances of setting up and maintaining stocks in the lab and food preparation. This year students have started hands-on training of basic genomics and proteomics using Drosophila. The basic aim of this centre is to provide laboratory exposure to students interested in pursuing research.

The center also provides internships to graduate students who intend to have exposure to experimental laboratory. The next student training workshop is scheduled for June, 2023.

PSYCHOLOGY RESOURCE CENTRE

Convener: Prof. Meetu Khosla

The psychology resource centre organised various activities and events throughout the year as follows:

The Mental Health Centre, of the Psychology Resource Centre, in collaboration with Department of Psychology, Daulat Ram College, University of Delhi, under IQAC, observed **Mental Health Month** celebrations on **28th October 2022**, with a goal to raise awareness about mental health issues. Under the celebrations, the students of the college, led by the Psychology department, came together to unify their voices and break the stigma surrounding mental health. Three major events were organised under these celebrations.

(I) Panel Discussion on Mental Health and Behavioural Addiction

To kick off the day, a Panel Discussion was held on the topic 'Mental Health and Behavioural Addiction' in the Conference Hall of the college. On the panel were **Prof. (Dr.) S.P.K. Jena**, **Dr. Gauri Shankar Kaloiya**, and **Dr. Vanit Nalwa**, with an enthusiastic audience in attendance, and the Mental Health Centre's Convener, Prof. Rajni Sahni, serving as the session's moderator. The Principal of the college, Prof. Savita Roy, also graced the occasion with her presence. Post the felicitation of the guests, the discussion began with Prof. (Dr.) S.P.K. Jena enlightening the attendees about addiction, its various forms, causes and its long-term ramifications on self and social relationships. Dr. Gauri Shankar Kaloiya distinguished between habit and illness, and stressed on the need to remain vigilant and watchful of one's behaviour, and remain motivated. Dr. Vanit Nalwa shared her personal anecdotes and experiences with the attendees and emphasised on the need for individuals to remain aware and true to themselves, and search for their purpose in life. The session drew to a close with a Q & A session, as the audience posed thought-provoking questions which our panellists answered in great detail.

(II) Mental Health Walk

Post the Panel Discussion, a Mental Health Walk was organised in the college premises where several students came together, aided with posters and placards. They participated in a silent walk throughout the campus, covering significant spots in college and doing their part in bringing attention to the need to pay more heed to mental health. Despite it being a silent walk, the students were able to deliver their message of bringing about mental health awareness loud and clear to the passers by.

(III) Workshops on Dance, Music and Reiki

Following the walk, three parallel Workshops related to mental health were organised in the department. The first was a workshop on **Dance** by **Ms. Tripura Kashyap**, a movement therapist and Dance Educator who is considered a pioneer of Movement Therapy in India. She taught the students how to induce relaxation and express emotions that one may not be able to express verbally through body movements.

The second workshop was by **Ms. Deepti Bansal**, an acclaimed musician and esteemed faculty member of the Department of Music, Daulat Ram College, which was centred around **Music**. Through a series of engaging activities, she taught the attendees about the power of music and how it can aid one in improving their mental health.

The third workshop was by **Dr. Avaninder Kaur**, who is a Reiki Grand Master, Trainer and Alternate Therapist, on **Reiki**. The session focused on teaching students basic reiki techniques to familiarise them to this lesser known practice and promote healing.

FACILITIES

PLANT TISSUE CULTURE RESEARCH FACILITY

**Associated Faculty: Dr. Rekha Kathal
Dr. Sunita George**

The Plant Tissue Culture facility is well equipped in Department of Botany for the past 20 years to conduct practical experiments that focus on the micropropagation of rare medicinal plants and elite trees. The Tissue Culture Research Lab is mainly used for training the final year students to learn the technique of plant tissue culture by inoculating cells, tissues or organs from a plant and also for various research projects. Trained teachers and Lab staff help to carry out the work smoothly.

Culture Room with Horizontal Laminar – air - flow cabinet to raise *in vitro* Plant Tissue Cultures under sterile conditions, AC Room Thermometer, Hygrometer and Culture Rack Trolleys fitted with fluorescent lights and automatic timer.

Instrument cum Preparation Room with basic equipments like High Precision Digital Balance, pH meters, Orbital Shakers, Hot Plates, BOD, Ultra Centrifuge machines, Double Distillation Unit, Hot Air Oven, Vertical and Horizontal Autoclave, Refrigerator and Deep Freezer, Microtome, Simple, Compound, Dissection and High Resolution Microscopes with In-built Camera, Inverted Binocular

Separate Wash Area for washing and rinsing of glasswares.

Green House Facility with controlled conditions of light, humidity and temperature for establishment of *in vitro* grown plantlets in soil.

There is always scope for further improvement of Tissue Culture Research Facilities in the near future.

ZEBRAFISH LAB FACILITY

Zebrafish Lab Facility Incharge: Prof. Padmshree Mudgal

Associated Faculty: Dr. Radhika Gupta

Technical Assistant: Mr. Vikas

The Zebrafish lab facility in Daulat Ram College was set up in October 2015, jointly by Biochemistry and Zoology Departments in collaboration with CSIR-IGIB, Mathura Road, Delhi, and Sansriti Foundation Delhi. The facility has been funded by Star Innovation projects DU, Star College project DBT, Govt. of India, and Innovation projects DU. It was developed with the aim of providing an alternative *in vivo* non-invasive model system for science education, teaching and research.

Students of Biochemistry (Hons), Zoology (Hons) and Life Sciences join the lab as interns and work on research projects during their free time and holidays. This opportunity provides students with experiences wherein they can explore and discover the nature and process of scientific research using zebrafish model system. Small internship programs are also conducted for school students.

The following activities were associated with Zebrafish Lab in 2022-23

1. Ms. Garima Jindal is presently doing her Ph.D thesis work in Zebrafish Lab facility under Prof. Padmshree Mudgal, she is registered for PhD (Toxicology) programme in the Department of Medical Elementology. She is registered with Toxicology, School of Chemical & Life Sciences, Jamia Hamdard, New Delhi. Title of her Ph.D thesis is: 'Phthalate induced Myelin Sheath Degeneration and Axonal Dysfunction and its role in the altered behavior in Zebrafish Larvae'.
2. Ms. Aishwarya Chauhan successfully completed her Master's (MSc. Biotechnology) dissertation project titled " To study the effect of berberine on zebrafish larvae tail fin regeneration" in Zebrafish Lab facility, Daulat Ram College, under the guidance of Prof. Padmshree Mudgal from 11 January 2022- 17 May 2022. She was registered at Amity University.
3. **'Workshop on Zebrafish model system'**, was organized in Collaboration with Sansriti Foundation, Delhi on 13th- 19th Dec, 2022 at Zebrafish Lab Facility, Daulat Ram College. Prof Padmshree Mudgal and Dr Radhika Gupta were the Resource person for the Workshop. Thirteen students participated including students from DRC, DTU and BHU.
4. Three students from Ashoka University undertook basic training in Zebrafish Husbandry in Zebrafish Lab Facility on 27th January 2023.

VIDYA VISTAR SCHEME

Course Coordinator: Dr Malini Sharma

The University of Delhi has initiated the Vidya Vistar Scheme (V2 Scheme) to partner with Colleges and Departments of Universities which are situated in remote areas of the country so that the Colleges and Departments of the University collaborate with them to enhance the capacity as well as development of these institutions in particular and the country in general. The Vidya Vistar Scheme is based on the principle of mutual respect, cooperation and sharing between two Colleges/Departments of both the universities as equal partners.

In the light of the objectives of the Vidya Vistar Scheme, Daulat Ram College has entered into an academic collaboration with Government college, Chouhtan and Government Girls College, Magra Punjala, Jodhpur, Rajasthan. The partnership aims to facilitate sharing of resources and expertise amongst the partnering institutions to enhance the academic capital of the students and the faculty.

The following events have been organised in the academic year

13	Dr. Anna Senrung	Zoology	Poster: Qualitatively CAM exhibited vessel disorganization and tortuosity (bending or looping), in response to different dosages of IRT and DOX concentrations (Figure-3). Quantitatively, around the vicinity of IRT and DOX administration CAM exhibited lesser vascular density compared to vehicle (1%PBS) treated sites. Anti-angiogenic effect of IRT and DOX were determined by measuring important parameters like the number of nodes and total branching length to define the effect of IRT and DOX on the extent of angiogenesis around the vicinity of drug administration. In the modern Indian nation the role of women is central to the progress and development of an inclusive society. Pramila, the annual magazine of Daulat Ram College provides a welcome space for young women to engage in creative processes, and express their thoughts, literary explorations and opinions. Our students share their outlook on the socio-political and cultural world they inhabit through their poems, essays, short stories and artwork in this publication. It is a privilege to be published and recognized for one's writing and Pramila offers many students, from across departments, a stepping stone. Our young women are encouraged to write bravely and compose fiercely in three languages- English, Hindi and Sanskrit. The magazine publishes photographs showcasing the activities hosted by various cells, societies and departments throughout the academic year. Student editors of Pramila, mentored by faculty advisors, curate what could indeed be described as an incredible insight into the life and times of students of Daulat Ram College. The compilation and curation of Pramila 22-23 can be credited to its faculty editors.

MENTORSHIP AND CAREER COUNSELLING MODEL

It is rightly said that knowledge enhances by sharing with others. Imparting knowledge is a benchmark of any educational institution. However, when imparting of knowledge is coupled with mentoring and career counselling, it sets the stage for brilliance and outstanding performance and achievement. Mentoring, guidance, and career counselling can go a long way in encouraging individuals to capitalize on the strengths, realize their potential and enhance their overall well-being. This process positively impacts not just the mentees but mentors as well. The right guidance and mentoring can truly empower the students and help them become the best version of themselves. The mentorship and career counselling model seeks to integrate key elements which are vital to the functioning of any institution - mentoring of students by teachers, peer mentoring, career counselling of students by teachers, alumni collaboration, research, and overall development of potential of students.

Working of the Mentorship Model

(Model created by Dr. Pooja V. Anand)

- Each teacher mentors 15 students, 5 each from 3rd year, 2nd year, and 1st year.
- Each group is a unit which includes a teacher mentor and students. Each unit can be referred to as a masterclass.
- Mentoring involves research guidance, career counselling, and guidance for development of potential.
- The model also includes peer mentoring whereby the senior students provide mentorship to the junior students. (Please make sure that peer mentoring does not include queries related to syllabus, or administrative issues and these should be handled by the teachers and/or administrative staff).
- A minimum of 2 meetings to be conducted every month of this group. A record of meetings held is to be maintained by the teacher.
- In order to have interdisciplinarity in approach, GE, VAC, SEC students can benefit by being mentored by their respective GE/VAC/SEC teachers as well.
- For departments which are offering M.A: Interested M.A. students may be mentored by the teachers (equally divided amongst the department teachers).
- The department can identify some alumni who are willing to work closely and participate in the working of this framework and they may be allocated to each group.
- Outcome based: Efforts to be made by teachers and students to utilize this model optimally to reach jointly negotiated goals such as providing career counselling, providing guidance for internship, mentoring for research which may culminate into a paper presentation, publication, symposium or any other outcome as decided by each masterclass.
- Students should be encouraged to identify their strengths and capitalize on them. Overall, mentoring should be provided with a view to facilitate the development of potential of the students as well as enhance their well-being.

3	Cynotype Printing Workshop	04/23/22	Bringing an opportunity for Photography to be in the space of creating original art Magic Lantern and Sepia: Film and Photography Society of Daulat Ram College organised CYANOTYPE PRINTING WORKSHOP on 23rd April 2022. Cyanotypes are one of the oldest photographic printing processes and what makes it unique and distinct is its shade of cyan blue, which results from its exposure to ultraviolet light. Along with the striking entrance of the brilliant blue hue of cyanotype the workshop welcomed an overwhelming crowd across University of Delhi with their negatives and prototypes to dwell on the visual imagery. The registration fee was Rs100 per person, worth the tempting experience of creating a unique print with one's essence in it. Thus the workshop thrived for bringing out individuals' originality via the art of creating prints. The workshop was instructed by then Vice President of the society, Disha Gupta. Finance And Investment Cell of Daulat Ram College is a student-driven initiative founded in 2017 with a vision to make the students of the college more involved in financial affairs and develop them into more responsible stakeholders in an increasingly globalised economy. We have designed the society's work in an inclusive way that will bring our members to the exposure of multiple real-life business situations, boost financial literacy in the most creative ways possible, enrich students' knowledge by arranging various workshops and interactive sessions which helps in building their financial acumen. FIC continues to prosper and work vigorously to press ahead of the interest of finance enthusiasts.

CRYPTO FANTASY - The Finance and Investment Cell, Daulat Ram College hosted CRYPTO FANTASY- An online simulated crypto trading competition. The competition was conducted on the 'Roostoo' app which provides a real-time, risk-free trading experience. It was a 3 day event. The leader board was updated on a real-time basis to avoid any sort of unfair means. We had a tremendous turnout of students from all around India. There were a total of 271 students who had registered and a total of 188 students were actively involved. All vying for a chance to win this competition, as well as cash prizes and other intriguing prizes.

STOCK MARKET WEBINAR - A very informative webinar on Stock Market in association with Herody and Grow was organised on 5th August 2021 at 5 PM. The resource person for the webinar was Mr. Harsh Goela who is a Fundamental Analyst and Economics Expert as well as a Motivational Speaker. Trained under several experts, he has empirical experience in Stock Markets of more than eight years. The speaker began with a discussion about the current economy and various ways of its improvement. The webinar gave an insight into the current economic trends, various financial assets, and the application of different economic tools. The session was very informative and interactive.

CRYPTO WEBINAR - On 18 August 2021, an interactive session was organised to throw light on the much-debated topic i.e. Fundamentals of Cryptocurrency. It all started with an exhaustive and coherent coverage of the definition of Cryptocurrency. The innovative, systematic, and lucid style adopted by the speaker not only enlightened the young minds but also roused them.

WOMEN & WEALTH WEBINAR - The Finance and Investment cell of Daulat Ram College organised an intriguing session on 17 September 2021 to bring the light on the very eminent topic i.e. Women and wealth: Be financially independent and literate. Gazing at the iron will of the students, the speaker, Mr. Prashant Desai asked them to gird up the loins. This webinar was a much-needed motivation every young girl needs to have.

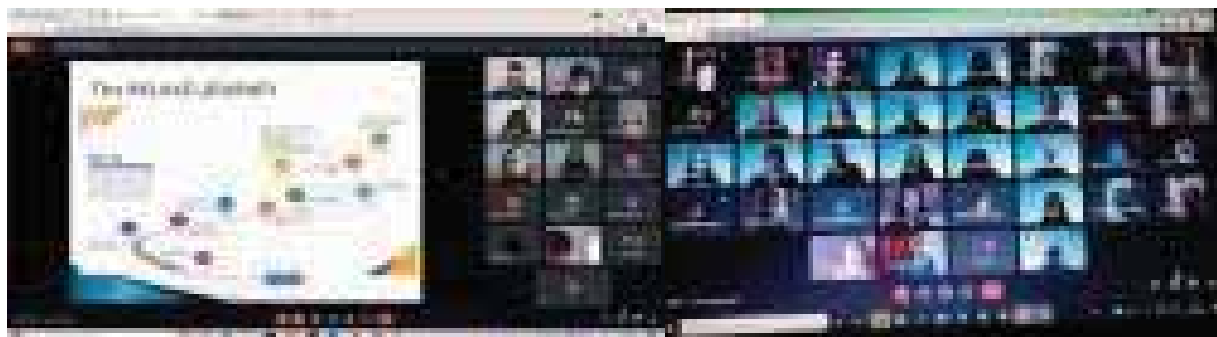

Women all over the world, who are considered to be the LAXMI, need to give up on the orthodox norms of society & be their own financial managers.

President : Orooj Zehra
Co-President : Sneha Sharma
Vice-President : Unnat Kaur
General Secretary : Priyanshi Jangra

The gender socialization of both boys and girls begins early, and it is important to initiate an intervention at a young age to shape attitudes and transform behaviours. Schools and colleges play a major role in this regard, because students spend large amounts of time engaged with peers in such settings. Pahal-The Gender champion Cell aims to encourage, empower, educate and inspire young minds to work towards gender equality. Creating positive social norms in educational institutions that value girls and their rights are important to improve the well-being of girls and achieve long-term and sustainable social change. The broad mandate of a Gender Champion cell is to provide an integrated and interdisciplinary approach to understanding the social and cultural constructions of gender that shape the experiences of women and men in society. We at Daulat Ram College through the GCC engage in activities in the form of focused group discussions, debates, poster competitions, organising film fest on gender equity in order to make the young girls gender sensitive and create positive social norms that value the girls and their rights.

Imagism, the poetry society of Daulat Ram College is a space for budding poets to weave words into elegant construction of poetry and discover a new world within themselves. Imagism inculcates the beauty and the playfulness of language as it can be molded under the whims of a poet. To achieve this, Imagism holds workshops and writing activities to hone the talent of its members. Imagism not only provides a platform to young poets and nurtures them to become confident artists but also helps them develop various other skills like public speaking, stage handling and financial management etc. Being a bilingual society, we not only respect Hindi and English but also respect regional languages respecting the linguistic diversity of India. Here people can write, read and learn with freedom and confidence.

RECYCLING UNIT

Convener : Prof Sarita Nanda

The college aims to become a zero-discharge campus. Thus, it has set up a recycling unit on campus which houses paper recycling machines and leaf shredder machines. These machines help to make recycled paper, and the leaf shredder machine helps to make manure. The functioning of the recycling unit is improving daily with the manufacture of tons of manure used in-house or sold outside, preparation of ceramic pots with medicinal/antipollution plants, making of white and brown recycled paper, and use of these papers for painting. Environment students of first years were given hands-on training here. Since its inception in 2015, this unit has been used to process shredded leaves into manure, recycle paper and cartons, provide potted plants for gifting and also provide folders, paintings, and carry bags made from recycled paper. This year we have added a new shredding machine which has helped increase manure yield. The recycling unit's earnings have been used to procure and install another composting system, aerobin, for the canteen's vegetable peel composting. The details of the activity are summarized below:

We at S-MARKETING thrive by combining intellect with creativity and offering students with an overplus of opportunities to outdream themselves. We focus on fostering young minds to develop leadership abilities by providing personal experience of the fascinating world of marketing. We have taken on the obligation of hosting fascinating lectures, significant seminars, and educational workshops, providing students with vital opportunities to broaden their awareness frontiers. We believe in outperforming and pushing ourselves to new heights. S-marketing's annual fest features a variety of inter-college events that help students to discover their inner marketeer. We've also improved our digital skills by learning and experimenting with social media marketing. How does a notion or a piece of news affect markets around the world? How will it be transformed into a marketing campaign? Well, we'd answer this question a million times and strive to improve each time because social media marketing is here to stay. S-MARKETING believes in ideas and innovation, which is why we are one of Delhi University's most active marketing cells.

Memesis- The theatre society of Daulat Ram college was established in 2010 and over the years has attained quite a name among the Delhi collegiate theatre circuit. The society performs its originally scripted and self-directed Street and Stage plays. Its members go by their discrete identity of 'Neela-Kurtas' but their true legacy remains among the various streets of Delhi, or as otherwise known as 'Nukkad'. Memesis' true essence lies in those 'Nukkads' and the pressing issues that get reflected by this college society to the other society via their art. Every year, the society also hosts its annual theatre festival - Adakari, wherein different college societies are invited and welcomed to perform their annual Street and Stage productions.

Philosophy – SKEPTICS

Association In-Charge : Dr. Sonia Mehta

The Philosophy Association is that which puts smooth and steady development of every individual associated with it, above everything. Every department needs a set of union to channelise its progress and that's exactly how we set off towards an alluring journey. We hosted the election for different posts on November 14, 2022, the result of which was declared two days later on November 16, 2022 by the Association - In charge, Dr. Sonia Mehta.

Office Bearers

President : Naini Mishra

Vice President : Shristi Dixit

Treasurer : Yashwi Singh

General Secretary : Kreeti Lohia

Joint Secretary : Vanshika Gupta

Cultural Secretary : Chhavi Panwar

Cultural Secretary : Antra Srivastava

Apart from these 7 core Union Members, we even conducted fairly another selection process for the appointment of members in the Extended Union. The people so selected were:

Content Writer & Editor - Jyoti Sharma

Co- Writer & Editor- Ritisha Kashyap and Muskan Bharti

Creative Head- Sukanya Bora

Junior Creative Head- Vrinda Sanwal

Digital Head- Sneha Gupta and Bhawana Gariya

PR Head- Garima Prakash

Finance Head- Ishita Saroha

Marketing Head- Gopika Tandon

Management Head- Snigdha Singh and Vanshika Punshi

The first event that we hosted soon after the elections was Freshers' 2023. We carried out an extravaganza themed "Netflix", on February 1, 2023. This day was marked with colour, joy, laughter and togetherness. Not only did we have the pleasure of witnessing different performances but also we did conduct an elaborate session consisting of multiple rounds incorporating the following challenges in search of the Ms. fresher 2023.

1. Talent round
2. Extempore
3. Imitation of the Netflix character followed by the candidate.
4. Facing the question, "Why do you think you should become the Ms Fresher 2023?"

After these 4 rounds we finally settled with the most deserving candidate. It was such a close win that thrill was the only constant feeling amongst everybody until the announcement for the Ms. FRESHER 2023, 1st and 2nd runner up happened.

People who secured the positions were:

- Vanshika Gupta from 1st year - Ms. Fresher 2023

- Antra Srivastava from 1st year- 1st Runner-up

- Archi Sharma from 1st year - 2nd Runner -up

This was the day when the association didn't miss to grab the opportunity with wide open hands to officially induct its core Union Members. A huge audience and greater chirp of applause was that which lightened up the entire badge ceremony of the Union whereby the union was honoured by the Association

In charge, Dr. Sonia Mehta.

With much zeal, we are merry to state that we have planned a lot more things to be executed in the coming months. The first to appear in our list is the annual fest of the Department of Philosophy - Darshana to be hosted in the month of April. There are plenty of talks, seminars and workshops that are lined up in our to-do list.

We are looking forward to a great year ahead with the support of every valuable soul who has been there for the good cause with us, since forever.

Physical Education

Association-in-charge: Dr. Kavita Sharma

Physical education provides cognitive content and instruction designed to develop motor skills, knowledge, and behaviors for physical activity and physical fitness. It aims to develop students' physical competence and knowledge of movement, safety, and their ability to use these to perform in a wide range of activities associated with the development of an active and healthy lifestyle. It also develops students' confidence and generic skills, especially those of collaboration, communication, creativity, critical thinking and aesthetic appreciation.

The department provides sports facilities to all the students admitted to the college. The sports facilities are:- Athletics, Archery, Kabaddi, Kho-Kho, Table-Tennis, Gymnastics, Weightlifting and Badminton etc. It helps sports players to excel their respective sports disciplines and groom them to participate at university level, all India Inter-University Levels. Our Kabaddi team secured third position in Pre-tournament Kabaddi Championship organized by University of Delhi. In 2022-23, the following players played different sports for Delhi University.

- Sarita Devi (BA Prog IIIrd Year), Nancy (BSc Mathematics IIIrd Year) and Sakshi (BA Prog IInd Year) had participated in Kabaddi Inter-University Team.
- Rehana (Hindi Hons IIIrd Year), Sahiba, Mamta & Karishma (IInd Year) and Nitu Kumari & Mehak (Ist Year) had participated in Kho-Kho Inter-university Team.
- Tejaswani (MA Previous) had participated in Archery Inter- University.
- Anant Samakshi (History Hons IIIrd Year) had participated in Fencing Inter- University.
